

While Israel lived in Shittim, the people began to whore with the daughters of Moab. These invited the people to the sacrifices of their gods, and the people ate and bowed down to their gods. So Israel yoked himself to Baal of Peor. And the anger of the Lord was kindled against Israel. And the Lord said to

Moses, "Take all the chiefs of the people and hang them in the sun before the Lord, that the fierce anger of the Lord may turn away from Israel." And Moses said to the judges of Israel, "Each of you kill those of his men who have yoked themselves to Baal of Peor."

And behold, one of the people of Israel came and brought a Midianite woman to his family, in the sight of Moses and in the sight of the whole congregation of the people of Israel, while they were weeping in the entrance of the tent of meeting. When Phinehas the son of Eleazar, son of Aaron the priest, saw it, he rose and left the congregation and took a spear in his hand and went after the man of Israel into the chamber and pierced both of them, the man of Israel and the woman through her belly. Thus the plague on the people of Israel was stopped. Nevertheless, those who died by the plague were twenty-four thousand. Numbers 25:1-9

I have had the opportunity to peek into the Book of Life in God's mansion in spirit world. I saw that the people who were oppressed and persecuted and martyred all have their names in that Book. They looked like they were defeated in their life on earth, but the millionaires and famous preachers and politicians aren't there. Sometimes people say, "Reverend Moon, you are a millionaire. Why don't you give all your money to the poor?" Of course, I am willing to give money to the poor, even the last cent I have, and then I am entitled to receive money because I practice the principle of loving my enemy. I have been giving out not only money, but my blood and sweat and heart as well. Such people are entitled to receive money because they use it in the right way.

Sometimes I ask God for money, telling Him I need resources to do His work. There are billions of dollars in the world, so I tell God that He knows how I will use it. God blesses us many, many times, yet I am still penniless. Anyone who can love their enemy-whether individual, race or nation-will inherit from God any resources he needs. That is the kind of nation God has been waiting for. Once that nation appears on earth, it will become the center of God's dispensation and through it He will fulfill all the promises of the Scriptures.

Greetings!

Hyung Jin Nim started the service by talking about [Millenial Millie Weaver's video "Shadow Gate,"](#) which revealed that NSA contractors have been conducting and storing surveillance on all American citizens, which of course can be used for blackmail. Which is why it's not a surprise that her videos were banned from YouTube. Another reason why the Cheon Il Guk Constitution forbids creation of a national intelligence (spying) organization that can initiate surveillance on citizens.

He spoke about Tom Ryan's testimony at Saturday's Freedom Faith and Family Coalition prayer breakfast about his experience as a 19 year old soldier in the Vietnam War and the Post Traumatic Stress he continues to experience.

Through it all, his wife Debbie stayed at his side for 50 years.

Sanctuary Church Sunday Service 8/23/20

Even though we may feel insignificant, we should remember that God often uses a small group to change history. We can all see the conflict of 2 irreconcilable ideologies in the USA. America cannot continue as a unified nation without a resolution.

Then Hyung Jin Nim spoke about the Rod of Iron motorcycle club - we cannot fear to do dangerous things. Instead we have to have them in dominion. We must be lions, not sheep. That is why True Father encouraged hard training as a way to unlock our [epigenetics](#). Bad people can make you afraid of dangerous activities and dying. Then they can enslave you.

Satan was the first child groomer. He told Eve, who was just a young teenager, "you misunderstood God, you will not die if you eat the fruit. If you can trust me, not God, then you will be like a god, knowing good and evil." But Eve was not his real object, what Satan really wanted was Adam's position and authority.

Free will and responsibility are key to Christian culture. Without those the nation cannot survive as a constitutional republic. A powerful Absolute Sex marriage protects the Kingdom. Sexual intimacy is supposed to be the glue and joy that keeps the connection between husband and wife.

30th 7.1 Jeol and 24th 7.8 Jeol 8/25/20

Christian teachings warn that fornicators will not inherit the Kingdom of God. That is because bad sex corrupts and demoralizes the soul. As shown in the book of Numbers, the Israelites were victorious over the Moabites, but then the men began to "whore with the daughters of Moab" and to "bow down" to their gods.

The Deep State weaponizes sex. That's what the CIA and intelligence agencies do, set female "honey traps" in order to control people of influence through blackmail.

On posts to the Chinese-created Tic Toc app you can see 12 year old girls dancing in skimpy clothes, but China does not allow TicToc in their own nation. During the Chinese Communist Cultural Revolution the government funded nightclubs to promote free sex and break down traditional marriage.

Public schools indoctrinate youth about so-called "safe sex" and inveigh against "toxic masculinity." Such indoctrination damages the future ability of young men and women to have a lasting marriage. Young adults have to choose between dating for marriage versus dating for sex.

It's important for children to learn self-defense at young ages. Good people must learn to use force. As Jesus stated in Matthew 11:12, the Kingdom has suffered violence and the violent take it by force.

The END of the WORLD -- NOT What You Think!

In the following video, Prophet Johnny Enlow discusses how Christians are called not just to proclaim the coming of King Jesus but *to participate in building the Kingdom*. The church has been in an arrested development period, brought on by trying to leave the planet before we showcase the kingdom. We thought that just telling of the King was enough, but the King is inseparable from His Kingdom. Seek Ye First the Kingdom!

God showed Johnny Enlow that Trump would become President to accomplish a great liberation. So great will this effect be that the United States will now be known as post-Trump versus what happened before, which will be known as pre-Trump. In fact the entire world will be referred to in the same way.

This will be the end of the world as we know it. This is a shift and transformation of cities and nations, not a literal destruction. By 2050 there will be 50 "Sheep" nations largely operating by the laws of God.

Every generation since Jesus' resurrection has tried to interpret the end-time prophecies of destruction to their own time, but Acts 3/21 tells us that Jesus is retained in the heavens until the restoration of all things spoken of by his servants the prophets. In Psalms 2:8 God promises to "give you the nations for your inheritance, and the ends of the earth for your possession." We are meant to occupy and have Godly dominion of the earth.

This of course is exactly what True Father Sun Myung Moon taught and worked to bring about his whole life. Father's anointed heir, his youngest son, Hyung Jin "Sean" Moon, continues to spread and live the same message.

God Told Me "This is the END of the World As You Know It"

2nd King's Prayer at the "Rally at the Rock!"

Here is the text of his historic prayer:

Our Father in Heaven, we come to you in the mighty name of your son Jesus, we praise you and give you all the glory for you have kept this country free from the wiles of the devil up till now. We thank you for President Trump, risking his life to fight against the most evil and powerful forces in the world that are joining forces to destroy him and our country!!! Lord, let us remember that at the inception of our great country you allowed our founding framers to create a country centered on your Judeo-Christian values-on hard work, morality, the rule of law, faith in Jesus Christ and loving our neighbors as we love ourselves. Our founding fathers stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from King George's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that America must be destroyed and Marxism erected in its place.

But we know that contrary to what the leftist communists are saying about the Founding Fathers, history shows a different picture.

SATANISM AND RITUAL CHILD SEX ABUSE

by Marie Koh

Former FBI Senior Special Agent-In Charge Ted Gunderson warned about the growing influence of satanic related crimes in America through The Gunderson Report, a 25 year research into unresolved cases involving horrific satanic child rituals.

A declassified FBI file released last year reveals the Mc Martin case and the Finders case that have been kept secret from public view since the 1970's and 1980's. These reports expose the criminality of satanic cults, ritual child sex abuse, human sacrifice, human trafficking, child pornography, and mind-control psyops experimented on children. But as horrific as these crimes are, the most damning ones, are those being committed through our own justice system, by our Central Intelligence Agencies, the FBI, other intelligence companies and their connections with people of power in government, the Justice Department, the immigration system, the Military Industrial Complex, the education system, in medical science, the elite class, terrorist organizations, socialist and communist agendas foreign and domestic. There is an active criminal enterprise embedded within our governmental apparatus that is far-reaching and ongoing in America today and around the world.

The Original Investigation of the Finders Group:

The search for the Finders Group began when six unkept and bug bitten children aged 2 to 7, were found in a Tallahassee park, Florida on February 4, 1987 accompanied by 2 well dressed men driving a Dodge blue van. The inside was said to be "foul smelling" and littered with maps, books, documents, a U.S. Passport and a mattress making it appear lived in. The two men were arrested by Tallahassee police officers when they could not identify the children's names or who their parents were. They were later charged for child abuse after "more than

one showed evidence of sexual abuse" a doctor said.

The Tallahassee Police Department (TPD) had reason to believe that the two men were involved in child pornography and sought assistance from the local Customs Office to conduct a search through their child pornography data base. The results were negative. A US Customs agent advised TPD that documents, computer disks and the U.S. Passport seized from the blue van contained two identifiable Washington DC addresses.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon.
