

Therefore let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe, for our God is a consuming fire. Hebrews 12:28-29

In this day and age, the world domain in which spiritual salvation was perfected on earth, the realm of Christian culture, is the democratic world. However, there is no Christian state in this present-day world that God can select as His chosen people

and promise to send the Messiah to, just as He promised the Israelites in ancient times when He designated them as His chosen people, the covenant still held sacred by the Jews. All of you must understand this. This is the reason for which, having lost its land, and in pursuit of a nation floating in midair with only a name and no domain, the realm of Christian culture was driven west when chased from the east, and driven south when chased from the north, wandering and evading the path of death, and yet all the while expanding worldwide. Greetings!

In his Sunday Service message, Hyung Jin Nim discussed how the Bible does not always portray hell as a ring of fire. In Jesus' parable in Luke 16, the rich man in hell is negotiating with Abraham, asking him to send Lazarus to warn the rich man's brothers. He's able to converse and reflect on his situation which would not be the case if the fire were a literal one. Hell's fire symbolizes the torment and regret felt by those condemned to live there.

Black Lives Matter is hateful and covetous towards anyone doing well. It grows in intensity every day. Imagine if that went on forever. It would become hell. The same with addictions to drugs, porn, etc. if allowed to grow each day, it would devastate lives.

A psych ward is filled with tormented people who not only have to deal with their own delusions but also with those of the others.

Sanctuary Church Sunday Service 9/13/20

C.S. Lewis in his book, [The Great Divorce](#), wrote that there are two kinds of people - people, those who say "God, thy will be done" and the others where God says "Your will be done." The first go to heaven and the second go to the hell they have chosen.

The fire of God burns away our sin, but for someone who hates God, it is tormenting. True Father often explained that God's love is like the air to breathe in the spirit world. If you do not know God, you feel like you are suffocating, but also other beings are attacking you or raping you.

After the Covid 19 Lockdown crisis, many young people realize for the first time how fast things can change.

In Communist countries the government controls the food supply and

Motorcycle Riders take in mountain top view

cuts off access to rebellious communities. Marxism justifies the use of force and violence to destroy and control. It is a form of Satanism. Marx channeled Satan in many of his early poems.

The journalist Jeffery Nyquist, who will speak at the [Save the Nation conference](#) and at the [Rod of Iron Freedom Festival](#), writes about the threat of Communist China. In China, if you worship in a government approved church then you won't be imprisoned, or be organ harvested. China is leading the way in gene manipulation and in propagating information warfare. Leftists are erasing American history and institutions, but America is still the light on the hill, a bastion of freedom, even though it is under attack.

True Father advocated the creation of a new Abel UN consisting of freedom-respecting nations. Given the world-wide influence of tyrannical countries like China, it is becoming more and more clear each day why that is urgently needed.

In these confusing times where good is called evil, and evil is called good, we are committed to bringing the message of Christ returned. In our present time, the world needs each of us to create a line of defense to protect fundamental Christian Values.

Isaiah 43:10 "You are my witness" say the Lord, "and my servant whom I have chosen, that you may know and believe me and understand that I am He."

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
