

"And now, O Israel, listen to the statutes and the rules[a] that I am teaching you, and do them, that you may live, and go in and take possession of the land that the Lord, the God of your fathers, is giving you. You shall not add to the word that I command you, nor take from it, that you may keep the

commandments of the Lord your God that I command you. Deuteronomy 4:1-2

The citizens of a nation without sovereignty are in a pitiful plight. Hence, Jesus preached out of concern: "Therefore do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear/' For the Gentiles seek all these things; and your heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well." (Matt. 6:31-33) Did he say you should seek His on first or His kingdom? He told you to seek the kingdom desired by God. CSG 1540

Greetings!

Hyung Jin Nim started the service by discussing how the number 19 in the Bible represents judgment. The Messianic Jewish pastor Jonathan Cahn [explains how the 19 years after the judgment of 9/11 in 2001 to the present year](#) are parallel to the initial judgment of God with the attack of Babylonian King Nebuchadnezzar in 605 BC and the final judgment in 586 BC with deportations of large numbers of Jews to Babylon.

The political career of Hilary Clinton matched Jezebel who reigned 23 years with her husband King Ahab and 14 years alone after his death. The true prophet Micaiah called Ahab to repent and warned that he would be killed if he went to war against Ramoth-gilead. But God sent lying spirits to the other prophets who assured Ahab of success if he waged war. Ahab launched the war and was killed. Afterwards Jezebel brought more Baal worship and persecution of the prophets.

### **Sanctuary Church Sunday Service 9/20/20**

After the 9/11/2001 attacks on the Twin Towers in NYC everyone was praying. It was a moment where America could have united and returned to God. America is now faced with the choice to return to its Judeo-Christian roots or to be subjected to tyrannical centralized Government. Christians across the country are the only force able to respond, but will they?

Deuteronomy 4 warns the Israelites to honor the words of God and not to add to them. Worship of others leads people away from God and His ways.

Christian leaders Franklin Graham and Jonathan Cahn are organizing prayer in [Washington DC on 9/26](#). But Christians must also be able to fight against evil, not only pray. There are 44 days to the presidential election and 19 days to the Freedom Festival. We must mobilize and educate citizens at this time!

The United States is the first superpower to recognize Jerusalem as the capitol of Israel, but there are traitors within our nation. One example is U.S. Senator Harry Reid's son who had a \$5 billion deal with China to create solar panels in Nevada, which required putting ranchers out of business by cutting off their right to graze cattle on federal lands. You can see the same in South Korea where there is land that is supposed to be public for environmental purposes but is made available to elite special interests.

## The King's Report

### The Danger of China (The King's Report 9/21/20)

China has invested billions into Harvard and other universities in order to gain influence and control. They have also invested billions into the U.S. entertainment industry, for similar reasons. Fifty years ago Mao Tse Tung and now Xi Jinping in our time both say that China is proudly Marxist-Leninist. Jeffrey Nyquist, whose interview is posted on [Monday's King's Report](#), has written extensively about the [Communist Chinese threat to America](#) and the entire Free World.

America has become more like Red China during the lockdown. The same with South Korea where you can be given a \$3,000 fine if you are not wearing your mask in public.

During WW2 Nazis took over Norway in April 1940 by first sending Germans as tourists who, when activated, seized airbases and strategic locations.

Pundits have been warning about a Chinese invasion of Taiwan, but the real target is America. We see the potential for God's people to wake up and unite, but patriots must resist the temptation to seek private gain. The Israelites who attacked Jericho were forbidden to take wealth. God did not want them to be corrupted.

In South Korea, the statue of MacArthur was burned and damaged by Leftists. Several officials at the top levels in Moon Je In's government were previously in the Communist party.

These are all real threats, but as Jesus said, fear not the one who can take your life, fear the one who can send your soul into hell. We must be well trained and disciplined plus the power of God makes us unstoppable. Since we are not perfect, we need God's love and guidance to do His will.

In these confusing times where good is called evil, and evil is called good, we are committed to bringing the message of Christ returned. In our present time, the world needs each of us to create a line of defense to protect fundamental Christian Values.

Isaiah 43;10 "You are my witness" say the Lord, "and my servant whom I have chosen, that you may know and believe me and understand that I am He."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
