

Lift up your eyes to the heavens, look at the earth beneath; the heavens will vanish like smoke, the earth will wear out like a garment and its inhabitants die like flies. But my salvation will last forever, my righteousness will never fail. Isaiah 51:6

The word death is sacred. It is not a synonym for sadness and suffering. True Parents have created the term Sunghwa [ascension] to explain the true significance of death. The moment we enter the spirit world should be a time that we enter a world of joy and victory with the fruits born of our lives on earth. It is a time for those of us remaining on earth to send off the departed with joy. It should be a time for great celebration. We should be shedding tears of joy instead of tears of sadness. That is the way of the sacred and noble Sunghwa Ceremony, the first step the spirit of the departed takes toward enjoying eternal life in attendance to God, within His embrace. At the moment of death, our spirits should feel more excited and thrilled than a newlywed bride feels when she goes to her groom's home for the first time.

***Icons of Evolution
& Zombie Science***

By William Brunhofer, Former Assistant Professor,
Unification Theological Seminary

Jonathan Wells' remarkable twin works, *Icons of Evolution* (2000) and its sequel, *Zombie Science* (2017), debunk the top 16 arguments of both the classic and recent "icons" upon which the Darwinian theory of evolution hinges. Wells writes: "Empirical science is devolving into zombie science, shuffling along unfazed by opposing evidence. Discredited icons of evolution rise from the dead while more icons - equally bogus - join their ranks. Zombies are

make-believe, but zombie science is real - and it threatens not just science, but our whole culture." (Wells 2017)

Indeed, this threat to "our whole culture," as he says, is easily seen as all the philosophers and practitioners of militant

materialism, chiefly Marx and his early followers, Lenin, Stalin and Mao, as well as, Ho Chi Min, Kim Jun Un, and so many more modern-day disciples everywhere in our political class who have hitched a ride on Darwin's "discredited" train of claims with its caboose, the new claims of the Neo-Darwinists. Like a religion with its Book (Origin of Species), its Canon (16 claims or "Icons"), and its Hero-Saint (Darwin), along with its Prophets, Priests and would-be Kings (Lenin, et al), the Darwinian "fact train" of "evidence" lumbers on. And Jonathan Wells reveals in a painstakingly scientific and scholarly way, the false claims, fakery and bare lies that populate the origin, canon and big idea of the great hero-saint, Charles Darwin, and his triumphant followers.

Absolute Good Sex

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

Available now on Amazon.com in Kindle and paperback.

The Gospel Family Trilogy books are also available in several languages and Audible.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
