

# WINNING the BATTLE for America!

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Ephesians 6:12

I have accomplished these tasks oblivious to rain and snow. Nightfall was like dawn, and I would even forget to eat. I could not take this lightly because I knew God and felt the serious responsibility that comes with knowing God. More than anybody else, I knew how sorrowful God was. Thus, even if my body were torn apart, crumbled into dust and blown away, all those scattered cells would still cry out as God's cells. I grappled with this path of death, accepting it as a worthy death for a man. As I grappled with this, people thought I would perish and disappear, but things have turned out like this. CSG158

Greetings!

Hyung Jin Nim led teams of brothers and sisters from Japan, Korea and America to Georgia on Saturday where they joined a *Stop the Steal* rally in Atlanta before driving to Valdosta, Georgia for an evening rally where the President spoke to the tens of thousands who gathered to show their support. On the way back Hyung Jin Nim led brothers and sisters to join a *Stop the Steal* rally in front of the Supreme Court in Washington, DC. on Tuesday morning where the Justices were hearing an Election-related case.

The next day Hyung Jin Nim spoke in an outdoor service at Panola Park in Georgia, he explained that pine trees represent God's vertical masculinity and eternity. Once people start to worship the feminine it leads to a fallen goddess culture where strong men are persecuted and rejected.

The Bible recognizes that all men have sin. The law given in the Hebrew Bible reveals our sin so that none of us can boast, but when we accept the victory of Christ, then God views us as having taken on the Christian's nature.

Open Air Service at Panola Park in GA 12/6/20

It is always a small group of people who influences the macrocosm. People were amazed to hear that we drove down from Pennsylvania, but when they found out that many came from Korea and Japan, they were even more amazed, saying, "I saw you guys in Breitbart! I saw you in the Epoch Times!"

We are fighting the armies of Satan and spiritual wickedness in high places.

Pastor Sean's Prayer at Gettysburg PA 11/25/20

Hyung Jin Nim had to start declaring what True Father said publicly when he anointed him in three public ceremonies. His own mother sent 40 guards to escort him off the palace property.

Now on the macrocosm, the wicked tenants include foreign governments, media corporations and the Deep State who want to steal the inheritance from the American people, who are the true owners of America. We need to have the spirit of the warrior. We need to change the MAGA slogan to MGGA, Make God Great Again.

We need God the Father because He is the warrior who trains his sons and daughters to be warriors willing to defend the Kingdom. With faith as small as a mustard seed, we can move mountains.

**Absolute Good Sex**

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world.

Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

Available now on Amazon.com in Kindle and paperback.

The Gospel Family Trilogy books are also available in several languages and Audible.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
