

Remembering Midnight Prayer with Father!

God knows that your path is a difficult one, yet He has to put you in that position regardless. You must be sympathetic with God for having to ask such things of His children. I knew there was a reason for someone having to go that route, and when God chose me to do it I responded, "God, I want to do this and I understand Your heart in allowing this suffering to come to me. I know You have a reason and, therefore, I will completely accept and bear everything." That frame of mind opens up a whole new world where the

most difficult and critical situation can be turned around 180 degrees. It is not God who will initiate that drastic change. You yourself must apply the formula.

Greetings!

I hope that you and your family are doing well at the start of 2021!

Miho and I were talking about our memories of True Father's Midnight Prayer in the Grand Ballroom when we were still celebrating God's Day according to the Gregorian calendar. I remember how reassuring it was to know that Father was leading and guiding us through all the tribulations and victories, especially at the beginning of a new year.

Many things have changed since then, but the memories of Father's impassioned words, admonitions, jokes, and yes, judgment, will never be forgotten.

We send you and your family our prayers and wishes for much love and blessing in the coming year. We also pray for God's guidance for America at this life-and-death moment in our history!

Sincerely,
Richard and Miho

Absolute Good Sex

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
