

PREPARING for the NIGHT

I love the Lord, because he has heard my voice and my pleas for mercy. Because he inclined his ear to me, therefore I will call on him as long as I live. The snares of death encompassed me; the pangs of Sheol laid hold on me; I suffered distress and anguish. Then I called on the name of the Lord: "O Lord, I pray, deliver my soul!" Psalm 116:1-4

The democratic world, or free world, started from religious tradition and developed. The foundation for the modern concept of democracy can be traced to the Bible passage, "God created man in His image." This means that because human beings are children of God, the democratic world respects them. And it grants them the maximum possibility of choice because human behavior cannot have value unless it is freely expressed. SMM, Way of Unification, Part 1, Section 5. Explanation of Materialism

Greetings!

In Sunday's Service, Hyung Jin Nim talked about how David was a fugitive being hunted down by King Saul's army. In the midst of that he was saying, "I love the Lord!" Similarly, American founders were fugitives from the British army.

Don't be anxious. Say to yourself, "this is an exciting life!"

Fear will eat you up. Instead we should face that as warriors in Christ. Don't be paralyzed. Plan and prepare. As a loving father, Hyung Jin Nim has his children, including his daughter Shingoong, fight tougher people where she is likely to get hit in the head. Learn to face your fear and fight. That will build your character and make you stronger.

He referred to Elie Wiesel's book, *Night*, about his experiences as a teenager in the Auschwitz and Buchenwald concentration camps. Those who expected to be liberated quickly became depressed and died. The ones who survived didn't have expectations. They did the best.

Beijing Biden is not even inaugurated yet and Big Tech is already “deplatforming” Trump. They are vicious and fast.

We are living in an epic time, one of testing to build our character. People ask why did God allow Satan to take one third of the angels? We must learn to overcome fear of death.

The goal is to resemble our Father. In the garden of Gethsemane Jesus faced fear and anxiety, but he had peace-I am doing the will of my Father. As the Bible says, fear not the one who can destroy the body. Fear the one who can cast you into hell!

The Boston Tea Party was condemned by American political leaders initially as an insurrection, just like the way the January 6 entry into the U.S. Capitol is condemned today. But there was no use of arms, just people waving flags and singing patriotic songs. Instead of apologizing, we condemn Biden’s usurpation of the Presidency, etc. Trump supporters were 99.9% peaceful. Then police send tear gas.

God put Trump in office to do a job. He was attacked on a daily basis. We support him because he kept his promises. Trump woke up 100 million Americans to the reality of judicial corruption, election fraud and Fake News. The state and federal courts wouldn’t let any of the case evidence even be heard.

Do you love God or do you love power? Are you ready to fight for something bigger than yourself? Even if it means risking your life?

My Experience at the Trump Rally on the Ellipse and Capitol Hill, Jan. 6, 2021

by David Kanagy

Trump supporters are just regular people who work and run all the different businesses in this country, raise their kids and protect their homes. People came to the rally from every state of the union. People on the train or at the rally would be talking to each other and I thought they were long-time friends, then one would ask the other, “where are you from?” The other person answered “I’m from such-and-such state.” Then the first person said, “Oh, we’re neighbors; I’m from so-and-so state, right beside you.” From every

state from Hawaii to Florida – all peacefully gathered in love for country, God, and President Trump.

When I got on the shuttle from my hotel to Dulles airport at 5:00am (to catch the bus to Metrorail), a middle-aged lady on the shuttle right away asked if I was going to the Trump rally. I said “yes”. She said, “Oh, good. Can I go with you? I’m all alone.” I said, “OK, I’m going to meet my church group if that’s OK with you.” She said she was somewhat afraid of traveling alone and was really relieved to meet someone else going to the rally.

While waiting for the bus at Dulles Airport, she told me that she kept feeling that she had to come to the rally, even though she was afraid of what might happen. Her friend told her that God would guide her each step of the way, so she came on faith. She was from Nebraska and started driving east and got as far as St. Louis, but because of the rain, fog and snow she decided to fly from there.

We met another man while waiting at the airport who had arrived the night before and had passed the whole night in the airport waiting to go to the rally in the morning. He said none of his family, parents, siblings understand him. They all think he’s crazy for supporting Trump and coming to the rally. He’s not religious, but talked of following his gut feelings about what he felt was right.

Absolute Good Sex

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
