

America's CRISIS and Our Responsibility!

“No one after lighting a lamp covers it with a jar or puts it under a bed, but puts it on a stand, so that those who enter may see the light. For nothing is hidden that will not be made manifest, nor is anything secret that will not be known and come to light. Take care then how you hear, for to the one who has, more will be

given, and from the one who has not, even what he thinks that he has will be taken away.”

Then his mother and his brothers came to him, but they could not reach him because of the crowd. And he was told, “Your mother and your brothers are standing outside, desiring to see you.” But he answered them, “My mother and my brothers are those who hear the word of God and do it.” Luke 8:16- 21

Have you already crossed the boundary completely and become situated 100 percent on God’s side? Are you still in the process of crossing the boundary, or is your weight still on the satanic side, with your right foot just barely touching the ground of heaven? Many of you are still in this process and not even touching the ground of heaven yet. You are still mulling over whether you should even go. I want you to know absolutely, clearly what hell and heaven are, and what is the true way of good and evil.

If you can look at yourself and know that you are absolutely God-centered and that you absolutely love God more than anybody else then you are indeed in heaven, and are a good man in the sight of God. If you are the other way around, you are in the satanic world and destined to hell. Man is always fluid, constantly moving back and forth, back and forth.

Greetings!

Since the 2nd King was still in Texas, we were glad to be able to watch a message he recorded at the new Liberty Rock facility. Hyung Jin Nim started by discussing how the sun is often used as an analogy to explain the relationship between Heavenly Father, Jesus and the Holy Spirit. Light (Son) and warmth (Holy Spirit) comes to us from the Sun (Father). Lucifer also means angel of light, but he is a false light. False cults promise to give you power and magic, but Jesus comes with the true light. Our own light can be corrupted, but not His.

The purpose of loving the Father is not to gain power, but for relationship. Living for His purpose. We feel joy and God also feels joy when we do that.

As described in Jesus’ words in Matthew 5:14, America should be a light on the

hill setting an example for the whole world, protecting freedom and Biblical teachings. That would be the opposite of the cultural relativism taught in many schools.

Communism is based on theft, deceit, coercion. It seeks to centralize power in government over people's lives.

The Milgram studies at Yale University found that most people will obey orders from “authorities” to harm others. This is similar to how people are obeying random orders from CDC about Covid 19 to wear masks that provide little if any protection. In several states the authorities encourage people to report on each other if they see someone not wearing a mask.

We are now living in a time where international leaders can install the U.S. President. We can now see the end of our constitutional republic and the birth of Imperial America. Like Lucifer, Communists seek the “vote” of Eve by promising to take care of them, to trick women for their support. When they realize they have lost their freedom, it's already too late.

Thomas Jefferson and America's founders put in the Declaration of Independence the “code” to eradicate slavery in the coming decades. They risked their lives to establish liberty.

Communists are trying to divide the races, but in Christ we transcend any divisions. It's important, as Jesus taught in Luke 8:21 not just to hear the word of God, but to DO it. That is why training is important. Training the body is good, but most important to give glory to God by training our spirit.

True Father emphasized physical training such as Martial Arts, fishing, hunting, etc. in order to make us capable of dealing with many situations, even challenging ones.

Pray for President. Trump and that the military will not obey unconstitutional orders.

PREPARE for the Victory to Come!

by Miho Panzer

We had a huge blizzard yesterday! The Pocono Mountains where we live had more than 3 feet of snow! It is so beautiful. I felt that God blessed everything to be a pure white holy ground!

The last 4 months have been like a war. We prayed every day with tears for this nation. The J-team and K-team went out three times a day even in the bitter cold to wave flags and call for victory in the Presidential Election. Recently the J-team came to our house and shared many testimonies. Several said they pledged they were willing to give their lives if needed.

We were asking Heavenly Father to please forgive this country, saying “America is Your promised land. You blessed this nation from its beginning as Your nation.”

Last Sunday the 2nd King gave a sermon based on Hebrews 3:7-14. In verse 14 it says, “we share in Christ, if only we hold our first confidence firm to the end.”

It reminded me of True Mother Kang’s words where she said, “from the beginning I sought to live in Jesus and to live in True Father. This was my life.”

She told us that we should believe that God is working, even in the last moment. God has His own way. He does not work in the way that we would expect through our own thinking. God’s victory is coming.

God anointed each one of us. Christ is in me and in you. We are the bodies and the brides of Christ. That is why we should speak out the Truth that God has shown to us.

Absolute Good Sex

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world. Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
