

# The MOST EPIC TIME in History!

---

For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery. Galatians 5:1

And how we burned in the camps later, thinking: What would things have been like if every Security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive

and had to say good-bye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the city, people had not simply sat there in their lairs, paling with terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand? After all, you knew ahead of time that those bluecaps were out at night for no good purpose. And you could be sure ahead of time that you'd be cracking the skull of a cutthroat.

Or what about the Black Maria sitting out there on the street with one lonely chauffeur. What if it had been driven off or its tires spiked? The Organs would very quickly have suffered a shortage of officers and transport and notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt! If...if... We didn't love freedom enough.

Aleksander Solzhenitsyn, *The Gulag Archipelago*, 1974 English edition

My decision to launch The Washington Times came while I was facing trial in New York City on federal tax charges. I could have felt resentment and anger toward the United States for bringing malicious charges against me. But instead, I endeavored to serve and love this nation. Instead of seeking revenge, I turned around and tried to help save the destiny of this nation. I founded The Washington Times as an expression of my love for America and to fulfill the Will of God, who seeks to establish America in His Providence.

Greetings!

Hyung Jin Nim started the Service by discussing a "Worship the Devil" [music video by Rapper Lil Nas X](#).

The devil knows that if you keep on repeating a phrase over and over again, you will start to believe it. Be careful about what kind of music. Satan has "evangelists" and "praise team" and his "hands" and "feet" who spread his lies. A big avenue of brainwashing. A form of psychological trauma

The Special Operations Command of the Usurper administration is purging the military to get rid of Christian patriots. They also appointed a new “diversity chief.” Soldiers can be punished if they disagree. The ultimate goal is to reduce the age of sexual consent. Sex with children is their pagan religion.

Children don’t want physical things as much as they want time with us. The secular world tells young people to play your youth away with alcohol, drugs and sex. You become a slave, learning bad habits that will prevent or damage a future marriage. But it’s best to invest in your future.

Many Christians want to avoid politics, and just acquiesce to government policies. That is the implicit message of “Diet Coke” prosperity preachers. America would not exist if we had the same attitude back during the Revolution. Paul Revere stopped off at a church during his midnight ride. They were putting their “lives, our fortunes and our sacred honor” on the line, but 2 out of 3 people did not agree

or support the revolution. Some even viewed George Washington and the revolutionaries as troublemakers.

Solzhenitsyn said you can only stop the “cursed machine” at the beginning. Later, it’s too late. That “cursed machine” is now being built here in the USA.

I’ll give my life, and my love,  
Unto the one God of love.

Governments, like beasts, can kill you, and are worshipped by many who look to it for their salvation. In China they vilified landowners. The Communist government funded brothels to addict young people and to degrade the morals of society. Similarly, in the USA government promotes transgenderism to demoralize society. It’s easier to destroy than to build. That is why it takes effort and investment to build a strong marriage.

Fox News host Tucker Carlson urged young people to get married young and to have children. What matters the most is relationships.

Remarks by Jim Stephens

Government poses the greatest threat to our freedoms and relationships. To give one example, New Jersey Governor Phil Murphy seized the \$165,000 bank account of the owner of the gym that opened during extended small business lockdown.

God wants to raise up a nation of Kings and Priests. That is why the Bible speaks about the “perfect man,” who is Christ, which is critical for a free society to pursue.

If one “sheepdog” had been there in the Boulder, Colorado grocery store, 10 people would not have died.

If we stand up to demand freedom in our nation and world, this could be the most epic time in history.

# Concerns about Covid 19 Vaccines

by Chantal Robertson, MD

The coronavirus or crown virus has been known since 1960. Flu, cold sore, chicken pox, shingles are all due to coronavirus. It is a real invader. It cannot reproduce by itself, only inside the cell of a host.

The coronavirus we have now is a potential biological weapon produced in Wuhan, China, originally as a bat SARS type coronavirus. It was then manipulated in a laboratory to become virulent through segments of HIV and malaria incorporated in the spike proteins on the surface of the virus, and contagious through the spike proteins able to integrate with human cell receptors and penetrate into the cells, with the capacity of transmission across species.

According to reports in the Epoch Times magazine, in mid-January 2020, the Chinese laboratory team released and publicized the genome sequence (DNA sequence) of SARS-Cov-2 (Covid-19) on virological.org, because the virus started spreading in China and the world, and no one knew the sequence nor could take prevention measures against it. Then it was prohibited and the information about

samples, related papers and data were all censored by the Chinese government.

The Covid-19 virus is a strand of DNA (deoxyribonucleic acid) and messenger RNA (ribonucleic acid) carrying genetic material and wrapped around a string of protein. Both RNA and DNA are nucleic acids, essential molecules in the cells, carrying genetic information. DNA is for storage and transfer of information, RNA acts as a messenger between DNA and ribosomes to make proteins.

Anti-viral vaccines until now have been the traditional protein-based vaccines, as in polio and flu, which consist in injecting viral proteins from dead or attenuated viruses, to create an immune response from the body.

The main Covid vaccines, also called gene therapy, include mRNA vaccines such as those created by Moderna (USA) and Pfizer/BioNTech, (USA/Germany), and DNA vaccines, such as those from Oxford/AstraZeneca (UK-Swedish) and Johnson and Johnson (USA).

## **9 STEPS to SAVE AMERICA from Socialism!**

All Americans who love America and want to preserve it as a free nation watch in dread as they see the aftermath of the stolen presidential election and the takeover of our federal government by hardcore Leftists. Many of us are praying for God to work, but *beyond just having blind faith*, what can we do to be used by God as His hands and feet to restore this nation?

Author/filmmaker Trevor Loudon from New Zealand has researched radical left, Marxist, and terrorist movements and their covert influence on mainstream politics. Earlier this month his commentary [“A New Zealander’s 9 ‘Starter Steps’ to Save America from Socialism,”](#) which struck me as valuable because of its specific, doable steps. Here are Loudon’s 9 steps for your consideration:

### **1) Face Reality**

Loudon writes, “Millions of Americans are still in complete denial. Many think the military is secretly in control—that it’s only a matter of time until justice is done and President Donald Trump is restored. There’s a “secret plan”—just “have faith.” The truth is that Trump was outmaneuvered by an alliance of communists, globalists, and even traitors in his own party. The “deep state” is now almost fully in control.”
