

## ESTABLISHING the TEXAS PROVIDENCE!

---

When hard pressed, I cried to the LORD; he brought me into a spacious place. The LORD is with me; I will not be afraid. What can mere mortals do to me? The LORD is with me; he is my helper. I look in triumph on my enemies. It is better to take refuge in the LORD than to trust in humans. It is better to take refuge in the LORD than to trust in princes. All the nations surrounded me, but in the name of the LORD I cut them down. They surrounded me on every side, but in the name of the LORD I cut them

down. They swarmed around me like bees, but they were consumed as quickly as burning thorns; in the name of the LORD I cut them down. I was pushed back and about to fall, but the LORD helped me. Psalm 118:5-13

Between you and me, who is superior? In what respect? Why would one be superior to another when all of us are of the same mind? The only difference between us is to what extent we put into action what our mind tells us to do; otherwise we are no different at all. Our minds are all the same. The basis of the person and of the mind is the same; the only difference lies in the degree to which we follow the instructions of our minds, how much we convert our thoughts into action, and how much we cultivate our environment.

Greetings!

Hyung Jin Nim just returned last night to Newfoundland from his 2 week visit to establish a new providence in Texas. ## Concerns about Covid 19 Vaccines

by Chantal Robertson, MD

The coronavirus or crown virus has been known since 1960. Flu, cold sore, chicken pox, shingles are all due to coronavirus. It is a real invader. It cannot reproduce by itself, only inside the cell of a host.

The coronavirus we have now is a potential biological weapon produced in Wuhan, China, originally as a bat SARS type coronavirus. It was then manipulated in a laboratory to become virulent through segments of HIV and malaria incorporated in the spike proteins on the surface of the virus, and contagious through the spike proteins able to integrate with human cell receptors and penetrate into the cells, with the capacity of transmission across species.

According to reports in the Epoch Times magazine, in mid-January 2020, the Chinese laboratory team released and publicized the genome sequence (DNA sequence) of SARS-Cov-2 (Covid-19) on virological.org, because the virus started spreading in China and the world, and no one knew the sequence nor could take prevention measures against it. Then it was prohibited and the information about samples, related papers and data were all censored by the Chinese government.

The Covid-19 virus is a strand of DNA (deoxyribonucleic acid) and messenger RNA (ribonucleic acid) carrying genetic material and wrapped around a string of protein. Both RNA and DNA are nucleic acids, essential molecules in the cells, carrying genetic information. DNA is for storage and transfer of information, RNA acts as a messenger between DNA and ribosomes to make proteins.

Anti-viral vaccines until now have been the traditional protein-based vaccines, as

in polio and flu, which consist in injecting viral proteins from dead or attenuated viruses, to create an immune response from the body.

The main Covid vaccines, also called gene therapy, include mRNA vaccines such as those created by Moderna (USA) and Pfizer/BioNTech, (USA/Germany), and DNA vaccines, such as those from Oxford/AstraZeneca (UK-Swedish) and Johnson and Johnson (USA).

## **9 STEPS to SAVE AMERICA from Socialism!**

All Americans who love America and want to preserve it as a free nation watch in dread as they see the aftermath of the stolen presidential election and the takeover of our federal government by hardcore Leftists. Many of us are praying for God to work, but *beyond just having blind faith*, what can we do to be used by God as His hands and feet to restore this nation?

Author/filmmaker Trevor Loudon from New Zealand has researched radical left, Marxist, and terrorist movements and their covert influence on mainstream politics. Earlier this month his commentary [\*\*"A New Zealander's 9 'Starter Steps' to Save America from Socialism,"\*\*](#) which struck me as valuable because of its specific, doable steps. Here are Loudon's 9 steps for your consideration:

### **1) Face Reality**

Loudon writes, "Millions of Americans are still in complete denial. Many think the military is secretly in control—that it's only a matter of time until justice is done and President Donald Trump is restored. There's a "secret plan"—just "have faith." The truth is that Trump was outmaneuvered by an alliance of communists, globalists, and even traitors in his own party. The "deep state" is now almost fully in control."

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must

accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
