

## RESIST the SILENCING of Those Standing for the Kingdom!

---

*And he said to all, "If anyone would come after me, let him deny himself and take up his cross daily and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will save it. For what does it profit a man if he gains the whole world and loses or forfeits himself? For whoever is ashamed of me and of my words, of him will the Son of Man be ashamed when he comes in his glory and the glory of the Father and of the holy angels. But I tell you truly, there are some standing here who will not taste death until they see the kingdom of God." Luke 9:23-27*

*Our purpose is to liberate and save God, humankind and everything under the satanic dominion. This is our goal. This is True Parents' purpose. We are declaring the heart of such parents as we march on. Satan cannot survive in such a place. This is the Principle view. It is the same with all things. They will shout Mansei as they see you being saved. You have to be able to hear this kind of sound.*

*Wherever you go, all the things of creation will welcome you and all people will welcome you. The original world, centered on true love, is filled with the true-love sound of everything in creation. In the world of true love, you can understand everything as God does. It is there that you will inherit everything and have the right of participation, enabling you to join in wherever you are. True love provides these three privileges. This means that we can grab hold of true love automatically. We inherit God. God becomes mine. We can be with God wherever He is. How great this is! How happy we are! Nobody can deny this. We have such an amazing thing. How can we worry in our hearts? There can be no shadow. It is bright like broad daylight. This is the pride of Unification Church members.*

Greetings!

At the beginning of the service, Hyung Jin Nim discussed how Satan's Kingdom tries to silence those standing up for Kingdom values. Jesus Christ shared the essence of God the Creator. He was not just another prophet or messenger. The "Son of Man" or "Good News" was an Imperial term, offensive to religious Jews. The Left appropriates the quest for justice, claiming that overturning the ruling "oppressor" class is the revolutionary task those seeking justice must accomplish. Christianity has lost the hero's quest, filled with adventure. Instead it often frames faith as primarily a way to secure personal benefits.

We have a hole that only God can fill. Many try to fill it with money, sex, drugs, career, etc. The materialistic worldview says there is no purpose, just pleasure. In Mao's China, the government funded sex clubs, etc. to degrade the strong family culture.

Strong 2 parent families are the safest. But universities ignore these facts and promote a destructive lifestyle, separate from traditional values. The dating culture is not the same as a real Judeo-Christian culture. The average male homosexual has had [hundreds of different sex partners](#). A normal parent would warn their children to stay away from that kind of person, but instead moral standards degrade, with groups at the UN even [advocating giving children "adult rights" to choose to have sex](#).

### Sanctuary Service 5/16/2021

The Corona virus revealed world level corruption by Communist China and governments willing to use the pandemic as an excuse for nearly total lockdowns of their nations. Vaccine passports requiring proof of Covid 19 vaccination are already happening in Europe.

You may not be interested in politics but politics is interested in you. Conservatives need to leave behind their individualistic, isolated stance and work together. Disarming of the population in Turkey, in Nazi Germany, in Soviet Union, in Cambodia, in China, etc. predated government-engineered mass murders in those countries.

A species cannot “evolve” to a new or different genus. Belief in Darwinian evolution often leads to a hedonistic lifestyle. If a male is rejected by women so that he cannot reproduce he faces “gene death.” Those who seek political office can get access to sexual resources. They also experience the “high” of political power. Satan is the ruler of leftist ideology.

We are meant to be co-rulers with Christ, shepherds with the ability and responsibility to defend our families and communities. In Rev 2:26-27 the root Greek word for “rule” is Poimano, which means to protect like a shepherd. In John 10, Jesus refers to himself as “the good shepherd.”

---

Satan's Kingdom seeks a top-down ruling system, but God's Kingdom is the opposite. A Christian co-heir is a servant protector. The preamble for the U.S. Constitution refers to "we the people." Government officials are not "above," and most of their policies not only are unable to solve problems, but actually make them worse. For instance, [94% of mass shootings in the U.S. are in "gun-free" zones](#) declared by virtual-signaling governmental bodies [such as the U.S. Congress](#).

There's a difference between a harmless man and a peaceful man, who has the ability to commit violence but chooses not to. A jihadi fights to accumulate power, but a Christian shepherd/warrior fights out of love to protect those he loves and neighbors he may not even like.

There's a difference between selfish love and unselfish love, between relativism and truth. Pray for enemies to repent, believe, and to get right with God.

Society becomes safer when we protect each other. The Black Lives Matter foundation wants us to be divided. In a shooting situation if there are individuals who are prepared to be a defender the situation could turn out better, with less loss of life.

## **Arrested after Church Service, Pastor STANDS UP Against Police State**

In Monday's King's Report interview with Pastor Artur Pawlowski, who was arrested on Saturday by Calgary police in Alberta, Canada for refusing to shut down church services. SWAT teams had been demanding to enter his church during worship services. A local judge issued a ruling that police could do "anything necessary" to arrest the pastor, without a warrant.

They are creating rules and laws without regarding human rights, a sort of alliance between fascism, communism and a medical tyranny pretending to be based on science. In the city of Calgary there were less people hospitalized in 2020 than in 2018 or 2019, so there is no need for these severe lockdowns, which are destroying countless small businesses. Meanwhile hundreds of people can shop in a Walmart or in a COSTCO warehouse. 99% of churches are closed down by government orders with no objection by the Christian leaders, but recently the mosque in Calgary had hundreds of cars parked outside it with perhaps thousands worshipping inside. The politicians have betrayed and enslaved the people. They are targeting Judeo-Christian values. We are seeing what happened in Germany in the 1930s.

When Pastor Artur was a teenager in Poland he grew up in a communist "hell on earth." There was no hope, and much alcoholism. You could be arrested, even tortured, for any reason, such as listening to a radio station broadcasting from West European countries. There was no free press or independent judiciary. The country was run by lawless people who required bribes to get anything done, including bribes to teachers, nurses, judges, etc. in 1981 the Polish people went to the streets. Tens of thousands were arrested, and many killed, but after 2 years Poland was liberated. It shows the power when the people stand up.

You have to say to them “no” and “get out.” “We will not comply. We will resist.” When this is over we will try you corrupt leaders criminally for treason. Bullies need to be stopped. The police came last Saturday accompanied by their Antifa and BLM collaborators.

Pastor Artur received 11 Covid tickets for not wearing a mask when he was serving food outdoors to the homeless on Christmas Day. Government leaders said you were not allowed to meet in churches or even have a meal with parents or relatives, but meanwhile they were vacationing in Hawaii, Florida and Europe. A hundred police showed up to stop the Christmas celebration. Next the police showed up at the church taking photos of parishioners. The church was vandalized by a local homosexual activist, assisted by Antifa and BLM. The local paper, the Calgary Herald, did a hit piece, portraying him and the church as dangerous instigators. Law enforcement in Canada doesn't care about morals, just about enforcing orders from their “fuhrers.”

Hundreds of people are now showing up in solidarity. Tens of thousands of texts and emails to Pastor Artur say they have hope again to see him standing up against the madness. Thousands of atheists are writing him to say they are considering going back to church. A pastor is a shepherd with a staff to keep the flock safe from wolves. Millions are around the world are being encouraged. I am not bowing down. I will not be blackmailed to give up my faith.

Most churches are complying with government orders to shut down. They are worshipping government, not God, but the remnant is getting stronger, like Daniel who refused to obey the order of the King to not worship God. We are seeing separation between the sheep and the goats.

## Concerns about Covid 19 Vaccines

by Chantal Robertson, MD

The coronavirus or crown virus has been known since 1960. Flu, cold sore, chicken pox, shingles are all due to coronavirus. It is a real invader. It cannot reproduce by itself, only inside the cell of a host.

The coronavirus we have now is a potential biological weapon produced in Wuhan, China, originally as a bat SARS type coronavirus. It was then manipulated in a laboratory to become virulent through segments of HIV and malaria incorporated in the spike proteins on the surface of the virus, and contagious through the spike proteins able to integrate with human cell receptors and penetrate into the cells, with the capacity of transmission across species.

According to reports in the Epoch Times magazine, in mid-January 2020, the Chinese laboratory team released and publicized the genome sequence (DNA sequence) of SARS-Cov-2 (Covid-19) on virological.org, because the virus started spreading in China and the world, and no one knew the sequence nor could take prevention measures against it. Then it was prohibited and the information about samples, related papers and data were all censored by the Chinese government.

The Covid-19 virus is a strand of DNA (deoxyribonucleic acid) and messenger RNA (ribonucleic acid) carrying genetic material and wrapped around a string of protein. Both RNA and DNA are nucleic acids, essential molecules in the cells, carrying genetic information. DNA is for storage and transfer of information, RNA acts as a messenger between DNA and ribosomes to make proteins.

Anti-viral vaccines until now have been the traditional protein-based vaccines, as in polio and flu, which consist in injecting viral proteins from dead or attenuated

viruses, to create an immune response from the body.

The main Covid vaccines, also called gene therapy, include mRNA vaccines such as those created by Moderna (USA) and Pfizer/BioNTech, (USA/Germany), and DNA vaccines, such as those from Oxford/AstraZeneca (UK-Swedish) and Johnson and Johnson (USA).

## **9 STEPS to SAVE AMERICA from Socialism!**

All Americans who love America and want to preserve it as a free nation watch in dread as they see the aftermath of the stolen presidential election and the takeover of our federal government by hardcore Leftists. Many of us are praying for God to work, but *beyond just having blind faith*, what can we do to be used by God as His hands and feet to restore this nation?

Author/filmmaker Trevor Loudon from New Zealand has researched radical left, Marxist, and terrorist movements and their covert influence on mainstream politics. Earlier this month his commentary ["A New Zealander's 9 'Starter Steps' to Save America from Socialism."](#) which struck me as valuable because of its specific, doable steps. Here are Loudon's 9 steps for your consideration:

### **1) Face Reality**

Loudon writes, "Millions of Americans are still in complete denial. Many think the military is secretly in control—that it's only a matter of time until justice is done and President Donald Trump is restored. There's a "secret plan"—just "have faith." The truth is that Trump was outmaneuvered by an alliance of communists, globalists, and even traitors in his own party. The "deep state" is now almost fully in control."
