

HALT the CURSED MACHINE!

And do not fear those who kill the body but cannot kill the soul. Rather fear him who can destroy both soul and body in hell. Matthew 10:28

Those who are ardently in love with God can easily overcome unhappiness, because the way of unhappiness will lead them to happiness. When I was in prison in North Korea, I went through severe torture; the more severe the torture was, the stronger I would become. Every cell of mine was mobilized to fight against the pain. I would

fancy that with every blow God's blessing would be multiplied. Because of this, I was not afraid of the torture, and I could easily endure it. If we have this attitude, we can make the crooked way straight and the bumpy road smooth. Even though our path of life may be an uneasy, insecure, ephemeral one, full of misery which is more than death, we know that through God's love for us and our love of God, we can go through the path without difficulty. When we are ready to live and die in the love of God, we deserve God's protection. This is the way every human being has to go. SMM, May God Protect Us on Our Way of Destiny, 6/3/73

Greetings!

Hyung Jin Nim started the service by praising Pres. Trump's speech on Saturday night in Arizona in which he described the Democrat takeover as a "Communist Revolution."

The Supreme Court's Roe v Wade ruling in 1973 enforced the legalization of abortion in all 50 states. It was preceded by the Sexual Revolution, which promoted the idea that having sex outside of marriage was "liberated." But this was not new or liberated. The ancient world was rampant with sex with children, animals, etc. Leftists say that marriage is slavery, but single mothers have hard lives with no reliable male support.

Thousands of years ago, God worked through the Jews to de-sexualize relationships outside of marriage. If parents create a high-level "black belt" marriage, children will want to follow the same way. As the Bible says, man and woman are not meant to live alone.

Women are encouraged to pursue education and careers as their top priority, but 10-20 years later those who did so are more unhappy. [Research has shown](#) that unmarried, childless career women in their 40s are lonely and the least happy.

Our civilization focuses on materialism and the pursuit of money. The teaching of Darwinian evolution promotes the idea that since human beings are just highly evolved matter, you don't have a noble purpose, which leads to nihilism and despair. Demoralized people will not have the fortitude to fight against tyranny. Did you know that there are [textbooks for elementary school children teaching about anal sex](#)?

He spoke about Yeonmi Park, who defected from North Korea and now lives in NYC. In her Columbia U music history class, the professor asked the students, “how many of you are triggered by studying western music?” All the students raised their hands, except for her.

North Korean schools have posters depicting the killing of Americans as a righteous act. [But Yeonmi thinks American schools are worse than North Korea in its propaganda](#) against European civilization and against white, heterosexual males.

Forced vaccination mandates are now beginning in Germany and France. In the USA, people are being fired from businesses, hospitals or the military if not vaccinated. Why does the [Department of Agriculture have SWAT teams](#)? We see the pushing of Critical Race Theory indoctrination into the U.S. military.

There are real threats against the United States around the world. How do such indoctrination strengthen our readiness to face those threats? They don't. This is all the process of indoctrination and demoralization of our nation's young adults and institutions. [Biden, the Usurper in Chief, said “the most lethal terrorist threat to our nation is white supremacy.”](#)

Even in local schools here in northeast PA there are efforts to bring Critical Race Theory into the curriculum. The best solution would be to ban the U.S. Department of Education. It would be better to have competition in education and school choice.

Most Western nations have absorbed Christian values about human rights, but they are not impermeable to social pressure. Covid panic led the majority of the population to acceptance of lockdown restrictions and taking untested vaccines. The former EU health commissioner spoke out against it. A temporary 2 week lockdown became a 2 year lockdown. [39% of American universities do not have even one Republican professor.](#) Universities have become indoctrination camps and sex clubs.

In the 1950s only 20% of young people said they didn't believe in God, but now 43% say they do not believe. Early feminist advocates were funded by the Rockefeller and Carnegie foundations. Children are now taught they can choose their gender. It is a rebellion against God who created men and women in His own image. Lucifer taught that "you are the author of your own identity."

Veterans who are ready to die for the nation have a similar heart to Jesus who voluntarily laid down his life for mankind. In Roman times if soldiers fell asleep during watch duty, they were executed. Jesus' disciples fell asleep, even though he was and is the King of Kings. Later they repented and God used them in a powerful way.

The entering of protesters on January 6 at the U.S. Capitol was called an "insurrection," but how do you have an insurrection with no guns? Many of those who entered were taking selfies with their smart phones. It was foolish, but not an insurrection. [591 Americans have been charged, many in solitary confinement.](#)

From the dark of death I awaken
and rejoice to live in grace
When the one who came to save me
holds me tenderly in His embrace
I rejoice to feel the comfort of the
love He has for me
What a blessing of glory to rejoice
eternally

The founders of the USA faced the trained, expert military forces of Great Britain, which had the biggest empire in the world. Even at this dark time, there are patriots rising up in USA and in other countries. Even some Leftists are waking up to vaccine tyranny.

In a forced labor camp in Siberia the author Solzhenitsyn spoke about the need to resist evil. He asked:

“And how we burned in the camps later, thinking: What would things have been like if every Security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say good-bye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling with terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand?...

*The Organs would very quickly have suffered a shortage of officers and transport and, notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt! If...if... We didn't love freedom enough. And even more – we had no awareness of the real situation.... We purely and simply deserved everything that happened afterward.” Aleksandr Solzhenitsyn, *The Gulag Archipelago 1918–1956**

The power of those who live in Christ is that we know that our physical body is not the end. We have a spirit and soul that survive death. St. Paul – fear not the one who can kill the body, fear the one who can send you to hell.

That power of faith cannot be defeated. Even executioners could not continue to kill Christian martyrs without becoming sickened and convicted of their sin. The citizen soldiers who fought in the Revolutionary War were not professionals, but they had the power of committed faith.

We can have the same attitude they had: “I am happy that this conflict is happening in my generation, not my grandchildren’s. Even if we lose our lives, His Kingdom will come.”

Reflections on Hak Ja Han’s 3/25/2019 Deposition- part 1

“For those who exalt **themselves will be humbled,**
and those who **humble themselves will be exalted,**”

Matthew 23:12

by Joseph M. Gaval

Pg. 17: She states that the founders of the UC, i.e. True Parents, control the UC, thereby inferring that she was a founder. She was 11 years old and in pigtails when True Father founded HSAUWC.

Pg. 19: She states that True Father became a True Parent only after he met the “Only Begotten Daughter,” when in fact True Father was “born as the King of the World on the Heavenly side” (DP, 1973, pg. 482).

Pg. 23: When asked, “So it’s your belief that the Reverend Moon did not start the Unification Church first. It wasn’t started until he married you;” she responds, “Yes, that is the providence.”

She states [the UC] as having been founded in 1960 centered on the True Parents when True Father himself was fully qualified as containing the authority of True Parents when he founded it in 1954, nine years after he began his ministry in 1945.

Pg. 35-36: She admits that her meeting with Rev. Moon at age 17 was “for [her] selection to become a True Parent,” which contradicts her claim that she was already in that position and thereby able to forgive Father’s “sin.”

Pg. 39: She violates God’s (and Father’s) shimjung by giving no credence to His involvement in True Father’s course prior to 1960.

Pg. 40: She states that Father “was not able to complete the work by himself. Only after meeting me was it completed.” God’s providence is to separate mankind from Satan and to establish God’s originally intended ideal in heaven and on earth by transforming His lost children into true sons and daughters who would establish His Heavenly Kingdom. It was by no means completed by Father having what proved to be the mixed fortune of meeting Hak Ja Han.

Pg. 43, 45: She refers to herself as “True Parent” when God never assigned her that title.

Pg. 49: She claims that Father could not have been the “heavenly father” [meaning “True Father”] if he had married anyone else other than her. Although the term “True Father” was not applied until the 1970s, Father qualified for that title long before he met HJH. **Then she states that without her, the Blessing ceremony would not exist. This is not true because Father has stated on numerous occasions that if the Choi mother had fulfilled her portion of responsibility, she would have been the True Mother and their marriage would have been considered the first Holy Blessing, leading to future growth-stage and completion-stage Blessings.**

Pg. 64: **She claims that “if there were one [successor], it would be [HJH]” and that Hyung Jin Nim “can be a leader; however, there has to be an agreement between [HJH] and True Father. True Father alone cannot decide.” This suggests that she did not agree with Father’s appointing Hyung Jin Nim in 2009 even though she**

participated in the anointing ceremony. She was not internally united with Father, while pretending externally that she was!

Pg. 65: She slanders and willfully misrepresents the Second King, stating that he “was acting in his greed” when his actions after True Father’s ascension and his relationship with her exemplified the highest standard of faith, trust, and filial piety towards True Father. Had he gone along with his mother’s agenda he could have inherited control of billions of dollars of assets. Instead, he honestly expressed his opposition to her changing Father’s words and her claiming to have forgiven Father’s “sin,” showing his unselfish willingness to receive her disapproval and later her firing him from all of his appointed positions as World President of the church, President of HSAUWC in Korea, etc.

Pg. 67: She states that the Second King should “not persist in walking along what is not the path” when she herself veered away and causes others to veer away from God and the path of absolute obedience, absolute faith, and absolute love for God and for God’s True Son. This demonstrates that she has no understanding for what walking the heavenly path means. **She then cites the Biblical verse stating that “he who speaks against the Holy Spirit cannot be forgiven,” as if she is the Holy Spirit, when it is she who continues to violate the Holy Spirit by rejecting and attempting to reverse Heavenly Father’s providential directives.**

Pg. 88: She states, “[he] ran away to the United States. I didn’t send him away. He voluntarily went.” In fact, Hak Ja Han had him fired from five different church positions in Korea and then directed him to go to America to serve as the President of the American church, and soon firing him from that. Her unwillingness to honestly describe her own actions speaks volumes.

Pg. 89: She states: “A Creation cannot occur with just father alone. There has to be mother. It’s imperative.” But the creation described in the Bible is through the Word (logos) of God (implementing God’s plan as described in Unification Thought), not through sexual intercourse of male and female as taught in pagan religions that the God of the Bible rejected and judged.

Pg. 94: In response to the attorney’s inquiry as to whether True Father ever discussed with her the need for a successor, she said, “There was no mention of a successor.” **This is simply not true and it is shameful that she would mislead those listening.** First, in the 1980s True Father clearly explained that he would appoint a successor. In the early 1990s, Father initially cited her to lead the movement if something should happen to him. At the time, Hyung Jin Nim was in his early teens, perhaps 13 years old. But later, **after the Second King had grown, matured, and established himself before God, True Father publicly declared Hyung Jin Nim to be his successor and heir with Hak Ja Han standing right next to him!** This occurred when the Second King received the Eight Great Textbooks from God and True Father.

Pg. 100: She states, “**And before he met me, I cannot say that he (True Father) was without the**

original sin.”

Pg. 101: She states,
“Because I was born without the original sin, that’s why I am the only begotten daughter.”

Both statements have no relationship to Divine Principle teachings, which is why Family Fed theologians are re-writing the Divine Principle at this very moment.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
