

On the Road - 8 Stages of Genocide?

And you will hear of wars and rumors of wars; see that you are not alarmed; for this must take place, but the end is not yet. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places: all this is but the beginning of the birth pangs.
Matthew 24: 6-8

There is no other way I can explain why we must do home church and what the result will be. Now it is up to you to digest and carry out. Your success will be America's success and God's success. If the Unification Church fails, you can imagine the future of America in a few years. Maybe you can say that America will fade away just as it was suddenly born 200 years ago, but the world will die also if America fails. At least be responsible for the world. Where will God go, where will Christians and religious people go in the face of communism? SMM, Eternal Happiness, 2.25.79

Greetings!

Hyung Jin Nim started the service by discussing the Jesus' Parable of the Dishonest Manager passage in Luke 16. Tax collectors in Jesus' time would add additional tax to benefit themselves so he was cutting his commission on the debts owed to his master. In the battle with Satan's world, believers need to be wise even as worldly people are. President Trump is known as the king of the deal. Jesus was saying that it's important to be shrewd in affairs of the world and in affairs of heaven. Don't let Satan (and the Left) steal all away.

The Scofield Commentary Bible taught the pre-tribulation doctrine that all saints would be raptured before the tribulation spoken about in the Book of Revelation. The Scofield Bible was promoted in the late 1800s, funded by Rockefeller Foundation socialists. Such a view leads to passive Christianity because it takes away all of our responsibility.

Preparing is important in this tumultuous time. We see the riots in South Africa, killing of protesters in Cuba, military-enforced lockdowns in Australia, etc. Covid 19 decrees are training the population to believe and act in ways we couldn't imagine even a few years ago. Recently the CDC reported that even the vaccinated can spread the virus.

The news investigator Jon Rappoport, who was blaming Trump before, now feels deceived by the CDC about Covid vaccines. In Cuba, Fidel Castro denied he was spreading Communism and insisted that he wanted to preserve "representative democracy."

Communism killed 200 million civilians. We fought wars against National Socialists and Communists, but [one in five college professors teaching in the Social Sciences say they are Marxists](#). The enemy doctrine is being taught to our youth. It's important to know the modus operandi of that ideology and how it undermines pillars of our civilization: freedom, faith, family, and private property. As we know, True Father spent decades to warn the western world that Communism was "political satanism."

[8/1/2021 Sanctuary Service](#)

Hyung Jin Nim then spoke about [Dr. Gregory Stanton's research about the 8 stages of genocide](#) in countries where it has been implemented. There are indications that our nation is going down this road as well.

Classification – of people into “us and them.” Classification by family, race, religion, etc. is a natural self-defense mechanism, but in this case there is manipulation of such mechanisms to increase feelings of suspicion and division. Bipolar societies that lack mixed categories, such as Rwanda and Burundi, are the most likely to have genocide of the target group.

In Mao's China, there was decades of propaganda to divide society between landowners vs peasants. If the military becomes politicized, then it can become like the Nazi SS or Communist Stasi in East Germany.

There have been reports that FBI informants were involved in organizing the Jan. 6 entry into the U.S. Capitol. Tucker Carlson has been calling out the FBI for incitement on Jan. 6. It was a “false flag” event with innocent, though perhaps foolish, people participating, but it is part of a story being told over and over again that “white supremacists” (Trump supporters) are the most serious threat to our nation. The media is a critical tool for such slander.

Our military and police are supposed to protect the Constitution. They must not be political. Many soldiers are leaving the military because they are tired of hearing about “white privilege” and “systemic racism,” which is creating more division and tension.

Discrimination- a dominant group uses law, custom, and political power to deny the rights of other groups and prevent employment, leading to food scarcity. For example, persecution in Germany started with the Nuremberg laws of 1935 which stripped Jews of their German citizenship.

In our time, leftists use schools to indoctrinate and sexualize our children. Macron declared that all French government workers must be vaccinated. In China you can't use mass transportation or leave the country if you are not vaccinated.

He then showed a chart of membership in the American Communist party. After the stock market crash, it grew rapidly. Economic chaos of the U.S. dollar crashing as a result of uncontrolled federal spending will increase support for socialist/communist policies.

We the People Rally in Milford PA

Dehumanization- calling the non-vaccinated “super-spreaders” and making statements like “you are the virus, you are a domestic terrorist” are intended to dehumanize those who refuse vaccination or voted for Donald Trump.

Organization- Genocide is always organized, usually by the state, often using militias to provide deniability of state responsibility.

Polarization- Extremists drive the groups apart and broadcast polarizing propaganda using mass media. Moderates are driven out, or incentivized/bullied to support radical policies. The dominant group uses emergency laws and disarming of the population.

Preparation- plans are made for “ethnic cleansing,” “purification,” or “counter-terrorism.” The populace must be indoctrinated to increase fear of the victim group. Statements like “If we don’t kill them, they will kill us,” disguise genocide as self-defense or counter-insurgency.

Persecution- victims are identified and separated out. Death lists are drawn up. Members of “dangerous” groups are forced to wear identifying symbols. Their property is often expropriated. They may even be segregated into ghettos and deprived of resources such as food and water.

Blessing of Shingoong Nim and Hong Jic Nim

Extermination- armed forces often work with militias to do the killing of all men of fighting age, with mass rape of women and girls as another tool of war. Cultural and religious property is destroyed to annihilate the group's existence from history. Such destruction is already happening in the U.S. One example is the destruction of Jesus statues in front of churches by Black Lives Matter and Antifa.

Denial- in final stage, dig up mass graves, burn the bodies, cover up the evidence and intimidate the witnesses. Deny that any crimes were committed and blame the victims. Block investigation of the crimes.

ONLY by the power of God can this be avoided. Don't be consumed by fear. When we feel powerless, we are tempted to give up. Satan comes to kill and destroy. There are so many heads of anti-Christ systems internationally. They are openly stating that they are coming for our children and grandchildren.

But scripture tells us to resist the devil and he will flee. With God all things are possible. If you are going through a hell, keep going!

Reflections on Hak Ja Han's 3/25/2019 Deposition- part 1

"For those who exalt **themselves** will be **humbled**, and those who **humble themselves** will be exalted,"
Matthew 23:12

by Joseph M. Gaval

Pg. 17: She states that the founders of the UC, i.e. True Parents, control the UC, thereby inferring that she was a founder. She was 11 years old and in pigtails when True Father founded HSAUWC.

Pg. 19: She states that True Father became a True Parent only after he met the “Only Begotten Daughter,” when in fact True Father was “born as the King of the World on the Heavenly side” (DP, 1973, pg. 482).

Pg. 23: When asked, “So it’s your belief that the Reverend Moon did not start the Unification Church first. It wasn’t started until he married you;” she responds, “Yes, that is the providence.”

She states [the UC] as having been founded in 1960 centered on the True Parents when True Father himself was fully qualified as containing the authority of True Parents when he founded it in 1954, nine years after he began his ministry in 1945.

Pg. 35-36: She admits that her meeting with Rev. Moon at age 17 was “for [her] selection to become a True Parent,” which contradicts her claim that she was already in that position and thereby able to forgive Father’s “sin.”

Pg. 39: She violates God’s (and Father’s) shimjung by giving no credence to His involvement in True Father’s course prior to 1960.

Pg. 40: She states that Father “was not able to complete the work by himself. Only after meeting me was it completed.” God’s providence is to separate mankind from Satan and to establish God’s originally intended ideal in heaven and on earth by transforming His lost children into true sons and daughters who would establish His Heavenly Kingdom. It was by no means completed by Father having what proved to be the mixed fortune of meeting Hak Ja Han.

Pg. 43, 45: She refers to herself as “True Parent” when God never assigned her that title.

Pg. 49: She claims that Father could not have been the “heavenly father” [meaning “True Father”] if he had married anyone else other than her. Although the term “True Father” was not applied until the 1970s, Father qualified for that title long before he met HJH. **Then she states that without her, the Blessing ceremony would not exist. This is not true because Father has stated on numerous occasions that if the Choi mother had fulfilled her portion of responsibility, she would have been the True Mother and their marriage would have been considered the first Holy Blessing, leading to future growth-stage and completion-stage Blessings.**

Pg. 64: She claims that “if there were one [successor], it would be [HJH]” and that Hyung Jin Nim “can be a leader; however, there has to be an agreement between [HJH] and True Father. True Father alone cannot decide.” This suggests that she did not agree with Father’s appointing Hyung Jin Nim in 2009 even though she participated in the anointing ceremony. She was not internally united

with Father, while pretending externally that she was!

Pg. 65: She slanders and willfully misrepresents the Second King, stating that he “was acting in his greed” when his actions after True Father’s ascension and his relationship with her exemplified the highest standard of faith, trust, and filial piety towards True Father. Had he gone along with his mother’s agenda he could have inherited control of billions of dollars of assets. Instead, he honestly expressed his opposition to her changing Father’s words and her claiming to have forgiven Father’s “sin,” showing his unselfish willingness to receive her disapproval and later her firing him from all of his appointed positions as World President of the church, President of HSAUWC in Korea, etc.

Pg. 67: She states that the Second King should “not persist in walking along what is not the path” when she herself veered away and causes others to veer away from God and the path of absolute obedience, absolute faith, and absolute love for God and for God’s True Son. This demonstrates that she has no understanding for what walking the heavenly path means. **She then cites the Biblical verse stating that “he who speaks against the Holy Spirit cannot be forgiven,” as if she is the Holy Spirit, when it is she who continues to violate the Holy Spirit by rejecting and attempting to reverse Heavenly Father’s providential directives.**

Pg. 88: She states, “[he] ran away to the United States. I didn’t send him away. He voluntarily went.” In fact, Hak Ja Han had him fired from five different church positions in Korea and then directed him to go to America to serve as the President of the American church, and soon firing him from that. Her unwillingness to honestly describe her own actions speaks volumes.

Pg. 89: She states: “A Creation cannot occur with just father alone. There has to be mother. It’s imperative.” But the creation described in the Bible is through the Word (logos) of God (implementing God’s plan as described in Unification Thought), not through sexual intercourse of male and female as taught in pagan religions that the God of the Bible rejected and judged.

Pg. 94: In response to the attorney’s inquiry as to whether True Father ever discussed with her the need for a successor, she said, “There was no mention of a successor.” **This is simply not true and it is shameful that she would mislead those listening.** First, in the 1980s True Father clearly explained that he would appoint a successor. In the early 1990s, Father initially cited her to lead the movement if something should happen to him. At the time, Hyung Jin Nim was in his early teens, perhaps 13 years old. But later, **after the Second King had grown, matured, and established himself before God, True Father publicly declared Hyung Jin Nim to be his successor and heir with Hak Ja Han standing right next to him!** This occurred when the Second King received the Eight Great Textbooks from God and True Father.

Pg. 100: She states, “**And before he met me, I cannot say that he (True Father) was without the original sin.**”

Pg. 101: She states,
“Because I was born without the original sin, that’s why I am the only begotten daughter.”

Both statements have no relationship to Divine Principle teachings, which is why Family Fed theologians are re-writing the Divine Principle at this very moment.

7	Q Were you born with original sin?
8	A Because I was born without the

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
