

LAWFUL Violence vs IMMORAL Violence

[Cheon Il Guk State of the Union Address 2021](#)

The Lord said to Moses, "Why do you cry to me? Tell the people of Israel to go forward. Lift up your staff, and stretch out your hand over the sea and divide it, that the people of Israel may go through the sea on dry ground. And I will harden the hearts of the Egyptians so that they shall go in after them, and I will get glory over Pharaoh and

all his host, his chariots, and his horsemen. And the Egyptians shall know that I am the Lord, when I have gotten glory over Pharaoh, his chariots, and his horsemen." Exodus 14:15-18

Freedom has been retreating for the past decade. In 1975, freedom retreated from Southeast Asia. Millions of people perished. Nation after nation in Africa and Latin America has been communized. One-and-a-half billion people have fallen under communist tyranny. Now Central America, the backyard of the United States, is the front line of battle. I know that the enemies of freedom will not stop until they achieve their final goal: the conquest of this very nation, the United States of America. Testimony of Rev. Sun Myung Moon at the Hearing on Religious Freedom, June 26, 1984, Senate Hearing Room, Dirksen Senate Office Building, U.S. Congress, Washington DC

Greetings!

After a moving reporting prayer by Kerry Williams, Hyung Jin Nim explained that [Rev. Dan Fisher](#), author of *Bringing Back the Black Robed Regiment*, will speak at the *Save the Nation* conference. The tradition of the pastors before and during the Revolutionary times. They were willing to risk their lives and lead the charge into battle. They were mocked and ridiculed. They were not fighting for stolen goods or assets, they were fighting for freedom.

John Locke wrote about the effort needed to transform a natural forest into a field that can be planted to raise crops. The person who puts in his labor and time into such a venture is creating an extension of himself. He has the right to the fruits of his labor since it would not have existed otherwise.

The Castle doctrine that we have the right to defend our lives with lethal force when an uninvited intruder comes into our home is linked to Biblical passages that say we are kings and priests. This has been incorporated into USA jurisprudence.

Abraham, a wealthy landowner, trained up more than 300 armed men. He led these fighters into battle to rescue his nephew, Lot, and the royalty of Sodom who had been taken captive. Righteous people do not rejoice in violence, but are prepared to do so if needed.

Some environmentalists worship nature and believe human beings are a “virus” to be destroyed or sharply reduced. But the Biblical view is the opposite of beliefs that nature is always peaceful and pure. The truth is that nature can be chaotic and vicious. Proper stewarding is needed to bring nature to a level beyond chaos. Take the example of a garden, which is midway between a jungle and a city.

In centralized nations, you need harsh punishments to keep lawless people in check. But people who are owners take care of their homes and property naturally. They feel personally invested in that land.

In a communist country you can't own anything. In the capitol city of North Korea, Pyongyang, it looks clean but if you drive even one block over from the “officially-approved” area, you'll see a group of poor and ragged people just digging in a park that has no grass.

Creation of fear through propaganda about Covid 19 is leading to centralized tyranny. Many small businesses have been destroyed in South Korea due to the lockdowns. Anti-American rhetoric about South Korea being an occupied nation is heard more and more often.

40,000 allies of America, their families and Christians are stranded in Afghanistan. Violation of standard military procedure has left \$80 billion in military weapons there. China now has a route to Iran. China controls infrastructure in much of Africa. Corrupt, centralized government in many African countries suppress those wishing to start new businesses with countless regulations and permits that are often required along with several bribes.

Three days from now all US military will be enforced to take the mRNA vaccine. When Trump left office, his supporters labeled as “domestic terrorists.” Trump was and is the legitimate President.

For God’s will to be done, we have our 5% responsibility. Political Satanists have taken over key elements of government, media, etc.

American soldiers are being threatened with court martial if they don’t take the vaccine. If we all stand up, the autocrats couldn’t control or intimidate us. At a certain point, the tyrants must clearly be identified and a consensus formed to oppose them, if necessary with arms. But if a few people decide on their own to attack government officials, that gives a pretext for repression of patriots. That is why the FBI tries to infiltrate patriot groups to provoke aggressive actions, thereby creating “false flags” to justify more repression.

FBI collaborators instigating violence at U.S. Capitol on January 6 were freed because their purpose fit the government agenda to vilify the “insurrectionists.” Don’t let someone come to you saying “let’s commit violence.” Righteous people engage only in LAWFUL violence. We must stay righteous in His eyes for God to work.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
