*The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; he has sent me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound.*  
*Isaiah 61:1*

*Without religious freedom, however, God cannot fulfill His ideal. The Pilgrim Fathers understood that if you do not have religious freedom, you have no freedom at all. They risked their very lives to secure freedom of worship.*

*Now, that freedom of worship is in danger. A dark spirit of atheism and religious intolerance is found in America today, and this time there is not another "New World" to receive us as refugees. We have no choice but to restore America as the land of religious freedom. If not, this nation will perish and the world will perish.*  
*SMM, Hearing on Religious Freedom, June 26, 1984, Dirksen Senate Office Building, U.S. Congress*

### [Message to UPF/FFWPU re President Trump's Speech](#)

Last Sunday Richard Panzer, President of the Unification Sanctuary USA, gave a statement regarding President Trump's video message at the Universal Peace Federation Think Tank 2021, where he spoke about his efforts to promote peace in the Korean peninsula and congratulated UPF and The Washington Times and their founders, Rev. Sun Myung Moon and his wife, in their decades of efforts to bring peace to the world centered on God-given freedoms.

Richard congratulated UPF for inviting President Trump to speak, but warned against continuing past Unification Movement practices of "photo op" events. Those who supported and voted for President Trump did so because he stood for "peace through strength" and freedoms of speech, of religion, and self-defense. More than being proud of inviting this important world leader, UPF should LEARN FROM President Trump and his courageous defense of American ideals and liberties.

Hak Ja Han, the current leader of the FFWPU, has given speeches in America questioning the right of law-abiding Americans to own firearms and affirming the view that the Fall was caused by human “greed,” which has more in common with Liberation Theology than with the Divine Principle. If FFWPU wants to bring about unification of the Korean peninsula and world peace it must do so based on the ideal of God-given freedoms, not pandering to a leftist agenda that undermines sacred liberties.

Richard gave the first of a series of presentations on *Victory Over Communism*, explaining that dedicated Marxists have successfully taken over major institutions of American government and society, including mainstream media, the U.S. House of Representatives, the U.S. Military, etc. This presentation included the showing of a documentary, "Congress Infiltrated?" narrated by journalist Trevor Louden, explaining the Communist ties of the Democrat Representatives serving on the House Judiciary committee.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
