

The United Nations versus Christianity!

Leftist Desperation to Silence Dissent

And I saw a beast rising out of the sea, with ten horns and seven heads, with ten diadems on its horns and blasphemous names on its heads. And the beast that I saw was like a leopard; its feet were like a bear's, and its mouth was like a lion's mouth. And to it the dragon gave his power and his throne and great authority. Revelation 13:1-2

Please allow this celebration today to be an opportunity to comfort the heart of Jesus who has been in anguish for 2,000 years. Please allow this

to become a time of reflecting on Christ, who was born in a position of anguish, offered his life of more than 30 years, and did not avoid the path of Golgotha; and to become a time of receiving his old battles as unfinished works. We know that it will not do unless at this time we inherit, as our mission, the great work that he left behind during his lifetime.

Oh Father! The people on the earth do not know that the enmity left behind by Jesus still remains on the earth. Please allow the minds and bodies of your sons and daughters who are gathered here now to be caught by your heart, and please allow us to know the heart of Jesus which was like that, and to be able to comfort him by understanding about the heart of Jesus who faced death.

Since this is an important day when it will not do unless we leave some evidence of victory before you by establishing a condition, even if it is by our honoring a new will on this precious day, please remember this day. SMM, Please Let Us Fathom The Heart Of Jesus This Day, January 3, 1959.

Greetings!

Hyung Jin Nim started the service by explaining that in the midst of the 90 day condition of prayer and fasting, which ends on Jan. 7, [Dr. Robert Malone appeared on Joe Rogan's podcast](#), which has a very large secular millennial audience. Dr. Malone had been banned from twitter for life the day before, even though he has 30 years experience in vaccine technology, because he is warning against taking the mRNA Covid vaccines and boosters. 50,000 scientists and doctors joined his coalition, but he is opposed by mass media reporters who have no scientific or medical experience. Satan is desperate to silence the voices of truth, but God provided a way to reach many millennials.

The "Guardian of Peace" statue of a beast with wings at the UN was erected 3 weeks ago atop of the United Nations building in NYC. It bears similarities to the one spoken about in Revelation 13. Revelation 13:5-8 speaks about giving the beast being given the seat and authority of nations. The dragon represents Satan and Communist China. The beast statue is painted in the rainbow colors of

LGBTQ Plus. The P= pedophile. They claim that these are the colors of Aztecs. The UN promotes “diverse” families instead of the natural family that science confirms is the best for children.

Did the Aztecs create liberty, God-given rights and the right to self-defense? No. They had slavery, sex trafficking and child sacrifice. The UN agenda is a recreation of the devil’s first religions.

Did the Aztecs create liberty, God-given rights and the right to self-defense? They had slavery, sex trafficking and child sacrifice. The UN agenda is a recreation of the devil’s first religions.

True Father denounced the United Nations many times and advocated instead the “Abel UN,” which should have included only nations that respected human rights and practiced real democracy.

God gave Adam and Eve total dominion over the earth. Hyung Jin Nim was a vegetarian for 6 years as a Buddhist monk. True Father gave him “dripping pork,” asking “do you love me more than your own concept of vegetarian holiness?” Hyung Jin Nim ate the pork, saying, “I love you more!”

The Media called True Father a conspiracy theorist and cult leader for 40 years, but he was warning about Communism before anyone else. Now many Americans are waking up to the need to “get away from your Covid 19 totalitarian death cult!”

He then showed the image of brain scans of men addicted to heroin and of men addicted to porn. The damage to brains from addiction to porn is similar to that from addiction to heroin. Porn destroys marriages. Psychology research has found that violation of expectations becomes imprinted on the brain. One starts watching porn and then seeks more shocking material to get stimulated. But the Biblical ideal teaches the opposite. As it says in Genesis 2:24: **“Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.”**

What about other cultures? Not all cultures are centered on Christ. Not all are ethical. People take the benefits of freedom grounded in Christian culture for granted. Remove the archetypal male, the Father God, who sacrifices for us, the benevolent father ready to die on the cross for his children and you lose the foundational element of Christianity, which came so we could be separated from the devil’s lures and deceptions.

Communism promises the “peace” of totalitarianism. 17 years ago Kook Jin Nim was teaching “Strong Korea, Strong America” lectures to top level generals in Korea, Japan and USA about the danger of China. Now the Chinese military threatens the USA and its East Asia neighbors.

Cultural Imperialism

The Sexual Rights Agenda

The UN does not have a problem with Confucianism. Confucius taught absolute obedience to the State. It has no problem with the Hindu Caste system which worshipped certain animals but looked down on “Untouchables” and sanctioned slavery. Buddhism teaches both meditation and political neutrality so in Thailand you will see Buddhist temples next to brothels. The UN also doesn’t have a problem with Islamic oppression of women and child marriage.

The [UN advocates sexual rights for young people](#) as early as 10. Christianity is the only religion the UN wars against because real Christianity creates guardians of children, guardians of the natural family, and of the nation. Research shows [committed Christians do the most giving](#). We are not saved by works, but give to make God happy. It was in the Christian nations that you saw the equality of men and women come forth.

Boys need a man, a father, who is a King, a Priest, and a protector as a role model. All men and women conform to God who is the Father of love, benevolence, magnanimity, power, and a sound mind. The Rod of Iron Kingdom leads to defense against all predators, foreign and domestic and to God’s Kingdom of freedom and responsibility.

Johann Hobl Eulogy

(read by Tim Elder at 12/19/2021 Sanctuary Service)

Forty days ago, on October 27, our dear brother King Johann Hobl from Vienna, Austria, suddenly and surprisingly transitioned to his eternal home in the spiritual world. His heart simply stopped beating.

Johann (age 71) was and is a very exemplary brother. With the strong

support of his wife, Queen Madeleine, he was and continues to be one of the most active and outgoing supporters of True Father and his heir and successor, the Second King Hyung Jin Moon.

He shared the Divine Principle every two weeks at their home in Vienna with guests and local brothers and sisters. He and Madeleine also regularly hosted seminars at their home, where they spoke on spirituality and physical health topics. As many as twenty people would attend these events. Johann also participated several times in anti-lockdown protests in Vienna's city center. When requested, he would take the microphone and share his views with the crowd of protesters.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
