

## PA JUDGE DISMISSES Family Fed's LAWSUIT Against Sanctuary

### Why I am the richest man in the world!

*After he had finished all his sayings in the hearing of the people, he entered Capernaum. Now a centurion had a servant who was sick and at the point of death, who was highly valued by him. When the centurion heard about Jesus, he sent to him elders of the Jews, asking him to come and heal his servant. And when they came to Jesus, they pleaded with him earnestly, saying, "He is worthy to have you do this for him, for he loves our nation, and he is the one who built us our synagogue." And Jesus went with them. When he was not far from the house, the centurion sent friends, saying to him, "Lord, do not trouble yourself, for I am not worthy to have you come under my roof. Therefore I did not presume to come to you. But say the word, and let my servant be healed. For I too am a man set under authority, with soldiers under me: and I say to one, 'Go,' and he goes; and to another, 'Come,' and he comes; and to my servant, 'Do this,' and he does it." When Jesus heard these things, he marveled at him, and turning to the crowd that followed him, said, "I tell you, not even in Israel have I found such faith." And when those who had been sent returned to the house, they found the servant well. Luke 7:1-10*

*Why can't we cut Satan away at once? Why can the almighty God not do it immediately? It is because this problem has to do with lineage. If God tried to remove this lineage all at once He would have to exterminate the entire human race. If the blood we inherited from Satan were to be extracted, human beings would disappear. Even Adam and Eve would disappear. Humankind would have to be totally crushed. Why could God not eliminate Adam and Eve and create new ones? He is not supposed to create people anew. Love is the alpha and the omega, the beginning and the end. This became the ideal standard. God therefore cannot strike human beings as the object partners of that love. You must understand this.*

Greetings!

Hyung Jin Nim started the Sunday sermon by reading from Luke 7:1-10. The Centurion who requested that Jesus heal his servant was in the Roman cultural sphere of polytheism, with many immoral gods. Yet Jesus was astonished by the faith of the Centurion, who stated his conviction that just one word from Christ would remotely heal the servant. This was another sign of the opening of salvation beyond the realm of the Jews, the chosen people, to the rest of the world. When those who are most prepared fail to respond to God's will, the blessing is taken and given to those you would least expect.

[Astrophysicist Michio Kaku](#) at SUNY Binghamton, formerly an atheist, is now a believer in the Intelligent Design of the universe. Also, there is the "fine tuning" of the universe. Thirty plus constants have been found that make life possible. If any of these were slightly off, the universe would collapse. It's like the odds of getting a

Full House in Poker or Royal Flush many times in a row. An experienced card player would know that this is not by accident.

In Japan, beta boys are marrying virtual “girls” on their cellphones. The “girls,” who are programmed to say nice things, are fake A.I. and so are these young men. Love requires free will.

Lucifer said to Eve “don’t worry, you won’t die, believe me. You’ll have power and be as gods.” Eve and Adam should have said “no,” gone to God and repented.

If Hak Ja Han had chosen to honor Father’s will and the lineage of True Father and of the 2<sup>nd</sup> King the consequences for the world would have been different. Hyung Jin Nim begged her not to exalt herself, not to change the scriptures and to choose the right thing, not power and wealth. He said to her, “I love you but I cannot be part of that.” So she had him removed from all the UC organizations boards of directors.

### [63rd True Parents' Day Holy Day Celebration](#)

Hak Ja Han predicted that by 2020 that the world would accept her as the Only Begotten Daughter who brings the advent of world peace. In contrast, Hyung Jin Nim predicted God's judgment coming in the form of tribulations. Which one has been more accurate? Do the war between Russia and Ukraine and the tyrannical Covid 19 lockdowns by governments all over the world look like "peace?"

When warned about a coming natural disaster, 70% of the population choose to remain in a danger zone. Only 30% choose to move to safer locations.

True Father trained Hyung Jin Nim and his brothers in the harsh environment of the Amazon jungle, where there are all kinds of dangerous microbes and animals as well as sub-standard 3<sup>rd</sup> world medical care. In our modern day we live such comfortable lives, with easily available clean water, electricity, entertainment, social media, etc., but isn't it important to be prepared in case disasters do come?

People are realizing that the Covid pandemic is a world judgment. After the God's Day observance in Las Vegas in 2020, the Covid pandemic exploded around the world. True Father warned about the danger of a satanic UN bringing tyranny on a worldwide level. There was massive collaboration by global elite to censor dissenting voices. Klaus Schwab, CEO of the World Economic Forum, was bragging about how Canadian Prime Minister Justin Trudeau and other national leaders were trained in the WEF Young Leaders Program.

Hak Ja Han chose to use millions of dollars to sue her own son and to destroy his foundation. The 666 Beast spoken of in the book of Revelation is not a literal monster. It is the centralized system of control that is in process of enslaving humanity. Government is supposed to be a servant, not a master. God's blessing was given to Adam and Eve, His children, not to the angels who were in the

position of public servants. The elites want to bring in social credit scores and digital currencies to enforce centralized control of people's lives. People are waking up in droves.

The founding of the USA is strongly tied to Christianity. Before the Revolution ministers were teaching their congregations they must proclaim loyalty to King Jesus, not to King George. America's ideals of God-given blessings of human liberty and responsibility were able to spread to much of the whole world. The Hand of God is moving now as well and we must rise to do our part.

An amazing victory came 2 days before True Parents' Day. The [Pennsylvania Court threw out the Family Fed lawsuit against Sanctuary's use of the Tongil symbol](#), designed by True Father. We can now print any of his words including the Divine Principle. On this foundation, Hyung Jin Nim is preparing for a speaking tour in Korea and in Japan.

Even though he was driven out from the Family Fed without a penny, he says, "I am the richest man in the world since I didn't throw out my Father!"

It has been 10 years since Hyung Jin Nim has been in Korea and Japan, so he will travel to both countries soon. The Rod of Iron Kingdom is not just about AR15's in the hands of the people, but rather about creating a culture of self-defense. We are at the edge of the sword. Pray for Korea and Japan to wake up.

## PA Judge Dismisses Family Fed's lawsuit Against Sanctuary

On March 30, 2022, Judge Jennifer P. Wilson dismissed the HSAUWC lawsuit (filed on July 30, 2018) that sought to prevent Sanctuary Church from using the Tongil symbol and the term "Cheon Il Guk" in any of its events, broadcasts or publications.

In effect, the Pennsylvania court agreed with Sanctuary's argument that "the court should abstain from resolving any of the disputes raised in this litigation on the basis of the ecclesiastical abstention doctrine because its affirmative defenses, which the court is required to resolve in order to determine whether summary judgment should be granted in this case, involve court inquiry into the operations of the Unification church—an inquiry prohibited by the First Amendment."

### MEMORANDUM

Before the court are cross-motions for summary judgment. (Docs. 200, 201.) Because the court finds that it cannot resolve the merits of the issues presented in either motion, **the court will dismiss this case for lack of subject matter jurisdiction on ecclesiastical abstention grounds.**

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
