

WHY have you disturbed me by bringing me up?

Then Samuel said to Saul, “Why have you disturbed me by bringing me up?” Saul answered, “I am in great distress, for the Philistines are warring against me, and God has turned away from me and answers me no more, either by prophets or by dreams. Therefore I have summoned you to tell me what I shall do.” And Samuel said, “Why then do you ask me, since the Lord has turned from you and become your

enemy? The Lord has done to you as he spoke by me, for the Lord has torn the kingdom out of your hand and given it to your neighbor, David. 1 Samuel 28:15-17

In order to restore this through indemnity, you must do the opposite things. That is where the term “absolute faith” came from. Since the first ancestors of humankind fell due to their disbelief, we must overcome this and move up. We must move above the line where our ancestors fell. We must have absolute faith. Absolute faith goes forward until we die, or even beyond death. It wants to go forward even when a person is dying.

*You do not understand absolute faith, do you? Where is the limit of absolute faith? If I were to compare it with the living person, it is a person who is willing to go forward even if he is dying. And even when this person dies, he falls not sideways, but straight forward. In this sense, if I deny my faith, I choose the way of death. **SMM, CSG Book 8 * Sin and Restoration Through Indemnity, p. 1216***

Greetings!

At the beginning of the service Hyung Jin Nim explained that he is preparing to travel to Korea and Japan. He hopes to meet with the incoming leaders of South Korea to discuss the need for the 2nd Amendment and culture of self-defense.

The root of word for sin means “missing the mark.” The passage in Samuel 28 recounts how, because he has rebelled against God, King Saul no longer feels His presence and guidance. He sees David, the person God has anointed as the new king, as his enemy. He is seeking a prophecy from one of the mediums he had banned nationwide, but the one he receives from the deceased prophet Samuel is that, because of his rebellion, Saul and his sons will all be killed in battle the next day.

Hak Ja Han saw her anointed youngest son as an enemy as well. She often sought guidance from mediums. Interesting that Hilary Clinton was also into mediums and seances. They wanted to hear messages from spirits, instead of repenting and talking to the highest in the spirit world, God.

Many Christians don’t want to see the ugly realities of this world, but that allows Satan to work in the dark.

An interview with army veteran Christopher Thompson, who has had 10 deployments in Afghanistan, will be aired on Tuesday's King's Report. In order to defeat the enemy he had to identify the "good" bad guys to fight against the "bad" bad guys.

In 2008, True Father asked Kook Jin Nim and Hyung Jin Nim to clean up church practices in Korea. Many UC pastors were like a den of bureaucrats. That's when they began the practice of members electing their pastors. So, of course, the two brothers were hated and church leaders began to collaborate with the Han mother to have them removed.

Trump tried to work with Putin to draw away Russia from China. But now under Biden we have the Ukraine war. The ban on trade with Russia will lead to the crash of the U.S. dollar as more countries buy Russian oil and gas in other currencies. Many elites are trying to push the CCP model of mass surveillance and a new digital currency in the U.S. which allow control of those with low "social credit scores."

A [2021 study in the UK](#) that found that after one year of puberty blockers, kids suffer stunted growth and no alleviation in their feelings of gender dysphoria. The transgender agenda is to convince children they can be gods and ignore nature.

Russia is by no means an ideal country, but at least they do not allow teaching children to change their gender.

We need to get right with God. We should not work with the UN and other institutions that have anti-God and anti-human agendas.

Fed Judge Dismisses Family Fed's lawsuit Against Sanctuary

On March 30, 2022, Judge Jennifer P. Wilson dismissed the HSAUWC lawsuit (filed on July 30, 2018) that sought to prevent Sanctuary Church from using the Tongil symbol and the term "Cheon Il Guk" in any of its events, broadcasts or publications.

In effect, the Federal District Court for the Middle District of Pennsylvania agreed with Sanctuary's argument that "the court should abstain

from resolving any of the disputes raised in this litigation on the basis of the ecclesiastical abstention doctrine because its affirmative defenses, which the court is required to resolve in order to determine whether summary judgment should be granted in this case, involve court inquiry into the operations of the Unification church—an inquiry prohibited by the First Amendment."

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
