

# VICTORIOUS LSA LIVED During Our Lifetimes!

## 2nd King & Queen Arrive in Korea!

*That which was from the beginning, which we have heard, which we have seen with our eyes, which we looked upon and have touched with our hands, concerning the word of life— the life was made manifest, and we have seen it, and testify to it and proclaim to you the eternal life, which was with the Father and was made manifest to us— that which we have seen and heard we proclaim also to you, so that you too may have fellowship with us; and indeed our fellowship is with the Father and with his Son Jesus Christ. And we are writing these things so that our[a] joy may be complete. 1 John 1:1-4*

If you really know your own position, you know you have nothing to say about God, no complaint to make. That has been man's position. All men have been living in the dungeon of hell in complete darkness, but a ray of light is coming down from heaven so that we can be restored into the highest part of heaven. It is indeed the most unbelievable grace that we can imagine. We must grab it at any price. SMM, The Dignity of God and Man 4-1-77

Greetings!

**The first BREAKING NEWS is that the VICTORIOUS LORD OF THE SECOND ADVENT lived during our lifetimes!** What an incredible gift we have been given!

The **second breaking news** is that Hyung Jin Nim and Yeonah Nim, whom True Father anointed in 2009, have arrived in Korea to begin their speaking tour and where they will be attending the inauguration of President Yoon, who ran on a pro-freedom platform.

The Sunday Service started with a pre-recorded video of Hyung Jin Nim explaining that their trip to meet with brothers and sisters in Korea comes on the foundation of Sanctuary's victory in the Family Fed lawsuit seeking to bar us from using the Tongil symbol and the term "Cheon Il Guk" (Kingdom of Heaven or Heavenly Nation). Faithful Unificationists may want to ask themselves why Hak Ja Han's predictions of an era of world peace have not been fulfilled? (See the text of her speech on April 17, below, for answers.)

The federal judge has now ruled that we are free to use the symbol and all of True Father's words. Since the Only Begotten Daughter's church no longer sells the original Cheon Seong Gyeong collection of True Father's teachings, we will be printing this, the original Divine Principle, and the rest of the [Eight Great textbooks](#).

### [Unification Sanctuary Service 5/1/2022](#)

I (Richard Panzer) was asked to give the rest of the Sunday Service, and started with a discussion of the scripture in John 11:45-50:

*Many of the Jews therefore, who had come with Mary and had seen what he did, believed in him, but some of them went to the Pharisees and told them what Jesus had done. So the chief priests and the Pharisees gathered the council and said, "What are we to do? For this man performs many signs. If we let him go on like this, everyone will believe in him, and the Romans will come and take away both our place and our nation." But one of them, Caiaphas, who was high priest that year, said to them, "You know nothing at all. Nor do you understand that it is better for you that one man should die for the people, not that the whole nation should perish."*

Instead of celebrating the fact that Jesus was healing the sick and giving people rebirth through his words and teachings, the high priest, Caiaphas, saw everything through a political lens. This is the characteristic of fallen leaders, who think mainly of their own political power, position and wealth instead of serving the people and building a Godly world.

Next we watched True Father's speech at Washington Monument in 1976, the 200th anniversary of America's Declaration of Independence, where he called on America to return to the God-centered spirit of those who came to America for religious freedom. Father spoke about the need for the USA to embrace Godism, an absolutely God-centered ideology, and to liberate the enslaved people living in the Communist world. Fifteen years later, the Soviet Union was disbanded and the Eastern Bloc nations were allowed to choose their own leaders and form of government.

### [Rev. S.M. Moon speech at "God Bless America" Festival 9/18/1976](#)

Afterwards, I discussed--why is it important to embrace a God-centered perspective? Believing in the God of the Bible impacts our lives in many ways. It

- **Affects our view of truth-** faithful Jews and Christians affirm that truth exists, unlike the postmodern view that there is no truth, just self-interested claims about it. People who reject God often think that they are gods who have the right to control what others are allowed to say and do. They have contempt for the idea of "God-given" rights, as inconvenient road blocks which stand in the way of their "progressive" state-centered agenda.
- **Affects our choices,** guiding us to choose what is right instead of what is expedient.
- **Affects how we look at and treat others,** since instead of seeing others as either part of or not part of our "group" we see them as the children of God. Jesus embraced the hated Samaritans, prostitutes, lepers and the disadvantaged and challenged the powerful when they ruled unjustly.
- **Affects our view of history** since Jews and Christians do not have a fatalistic view of history as never-ending cycles, but see history as the unfolding of God's providence to achieve His purpose on earth.

There are deep reasons why **modern science, free enterprise and political freedom** as we know them developed in the Christian nations in Europe, not in the Buddhist, Confucian, or Hindu nations in Asia, or in the Islamic nations of the Middle East. For more information, see Rodney Stark's book, *The Victory of Reason: How Christianity Led to Freedom, Capitalism and Western Success*.

While the mainstream media emphasizes bad news, we should not neglect to learn about how God is working behind the scenes. For instance, more than 100 million Chinese living in Communist China have embraced Christianity, with many praying for 2 hours early in the morning before going to work. (see video above)

Then, two videos were shown of people who had experienced "going to Hell." In the first, Howard Storm explained how he watched his own dying body in a French hospital. At first he was relieved to feel no pain, but then alarmed when he found himself being dragged away and abused by dark spirits.

In the other video a committed Christian describes her experience of being sent to Hell for her sin of "unforgiveness."

The sermon concluded with a reading of a statement by researchers at the Chinese Academy of Social Service in Communist China.

*One of the things we were asked to look into was what accounted for the success, in fact, the pre-eminence of the West all over the world. We studied everything we could from the historical, political, economic, and cultural perspective. At first, we thought it was because you had more powerful guns than we had. Then we thought it was because it was because you had the best political system. Next we focused on your economic system. But in the past twenty years, we have realized that the heart of your culture is your religion: Christianity. That is why the West is so powerful. The Christian moral foundation of social and cultural life was what made possible the emergence of capitalism and then the successful transition to democratic politics. We don't have any doubt about this.*

Unfortunately, instead of embracing and affirming the Christian foundation that has led to America's freedoms, prosperity and success, the Chinese Communists, like the high priests and Roman rulers of Jesus' time only see faith in God as a threat to their own positions and power.

## Hak Ja Han: “FATHER FAILED!”

We have received multiple reports that in recent weeks Hak Ja Han is asserting more widely her belief that True Father failed to fulfill his mission.

Here is the English translation of Hak Ja Han's luncheon speech to FFWPU International leaders on April 17, where she states that Father need to be liberated because he is being "accused by Satan."

*Now that we are about to dedicate the Cheon Il palace to Heaven next year, I cannot hold my head up high in front of Heaven knowing the things that had happened in the True Parents' family, the things that should not happen even in regular families. Why did such*

things happen, things that continue to come back to haunt us, to True Parents who are in the position of giving birth to many Blessed Families?

**Let us spend this 2-day special condition period to liberate Father.** (Aju) Only then, we will be able to shake off these things. Only then, these things will not stand in our way as obstacles, in our way towards the establishment of Cheon Il Guk, national restoration, and world restoration. **Your devotion on earth will set up a condition in the spirit world through which True Father can stand in the position where he can fulfill Heavenly Parent's original vision of Creation, the position where True Father will no longer be accused by Satan.** I ask you to set such conditions as much as possible. (Applauds)

There was something I said immediately after the Sunghwa [of True Father]. I started using the expression "Heavenly Parent" instead of "Heavenly Father" and I said that I will fix the course of the Providence that got off on the wrong foot, the truth about the Providence. Now is the age of harvest. It's the end of days. In the end of days, a new history must begin, and as you know there's a saying among the farmers: workers ask the farmer what to do with all the weeds? The farmer says let's wait until the time of harvest because getting rid of the weeds now may harm the grains. Now is that time. This is the end. Those who have become weeds instead of good grains will now have to be removed.

Heavenly Parent's ideal of Creation must be perfect. There's no room for imperfection. It has to be clean. In that sense, those of you who have followed the course of the Providence must have many questions that you buried in your heart. **I now want you to be good sons and daughters who liberate True Father completely** during the two-day period in Cheon Shim Won! (Applauds) Attend the education sincerely for those two days. Everyone in the International Headquarters should also be mobilized and receive this education. Luckily and thankfully, there won't be any restriction starting from Monday. Do you understand? (Yes)

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
