

Young Hwi Kim: HARSH VOICE of True Father CRYING OUT!

Victorious Rallies in Kyushu and Osaka!

Philip said to him, "Lord, show us the Father, and it is enough for us." Jesus said to him, "Have I been with you so long, and you still do not know me, Philip? Whoever has seen me has seen the Father. How can you say, 'Show us the Father'? Do you not believe that I am in the Father and the Father is in me? The words that I say to you I do not speak on my own authority, but the Father who dwells in me does his works. Believe me that I am in the Father and the Father is in me, or else believe on account of the works themselves.

"Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father. Whatever you ask in my name, this I will do, that the Father may be glorified in the Son. If you ask

me anything in my name, I will do it. John 14:8-14

God cannot tell us what the fundamentals of the universe are, even if we pray and beseech Him with great clamor. You need to understand that it is something that cannot be disclosed to just anyone. Isn't that strange? If God were to enlighten us on this, the world would be united in a day; however, because it is human beings who have erred and sinned, it is for them to liquidate their sins. Greetings!

Last week Hyung Jin Nim and Yeonah Nim completed successful rallies in Kyushu and Osaka, and visited Hiroshima, Nara and Kyoto.

Assistant Pastor Kyle Toffey started the Sunday service by showing a video of the previous Sunday's ProLife Rally at Milford Courthouse, where nearly 150 ralliers expressed gratitude for the Supreme Court ruling and determination to fight for prolife policies and laws on the state level.

Last Friday, those who were blessed in marriage at Madison Square Garden in 1982 celebrated their 40th wedding anniversary. Mass weddings send a message that the Kingdom of Heaven starts with couples dedicating their marriages to God.

True Father has gone to the spirit world, but now we have the 2nd King who embodies many aspects of True Father's heart and character. He has made it even more clear how to strengthen our marriages, guide our children, and the real nature of our identities in Christ.

Jesus was working to raise up his disciples to inherit his heart and convictions so that they could spread those throughout the world.

Kyle confessed that there were so many things he did not understand until the 2nd King made them clear.

Jesus said we must love God and love our neighbors. We should be willing to protect them at the cost of our own lives. That is why we have to reach out beyond our faith community and save our nation.

The final question we will be asked in the spirit world, will be “did you love my son?” It’s a question of relationship.

We wear crowns as lords of creation because that is the original birthright given to Adam and Eve. We are kings and priests, queens and evangelists.

Human history has been one of enslavement and suffering. The 4 fallen natures are not seeing from

God's point of view, leaving our proper position, reversing dominion and multiplying evil.

It's often difficult to see ourselves from God's viewpoint. We should see each other as unique aspects of God. We all have to grow up in our faith. Hyung Jin Nim was a young man trying to understand the truth. He did not seek the position of 2nd King, but Father said, “you must do this.” As each of us takes responsibility, we

Young Hwi Kim: HARSH VOICE of True Father CRYING OUT!

I heard that a man named Kim Jin-chun gave a lecture tour in five major regions (of Korea) from March 21 to April 7, 2022, at the special order of Mother Han. The participants included a pastor and his wife, public officials working for an institution, and former pastor members. The lecture was not open to the general church membership. Fortunately, I was able to catch a glimpse of the lecture that was given at Jeonju Church on March 22nd through a YouTube video. The video was taken down a few days later, but I am sure it is still there somewhere.

On April 17, ten days after the lecture tour, about 500 representatives from all

over the world and leaders of domestic Korean Church Leaders who participated in the "10th Year of Heaven and Earth Leaders' Meeting," canceled all other scheduled events under Mother's special instructions and went to the "All-Night Seminar" for two days from April 19 to attend Kim Jin-chun's special lecture and receive education.

The theme of his education and prayer was "to take away the shameful tail attached to Father and free Father," and "to reveal the truth of Only Begotten Daughter and to explain the phase and value of the Immaculate Conception's "Only Begotten Daughter."

The content of Kim's lecture, which was closed to the public, was probably based on his lecture given during his tour of the five major regions but was probably more verbose than the original. Fortunately, however, the lecture is available to the public in the form of a 15-minute, firsthand account of what he intended to say in his lecture.

What was shocking was that Kim Jin-chun remained consistent throughout his presentation in his efforts to represent and convey Han mother's intentions. **There is no reason for me to go so far as to mention all the unprincipled, anti-Providential ramblings that he confessed in his personal confession of faith. When I heard and saw the recording, I could not suppress the harsh voice of True Father crying out inside me, which led me to write this statement.**

Jesus and True Father are One

by Kerry Williams

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
