
Kim Jin-chun: 1st Coming Only Begotten Daughter

36 Blessed Couples alarmed at OBD Theology

Greetings!

As Young Hwi Kim explains below, Kim Jin-chun gave a lecture tour in five major regions of Korea from March 21 to April 7, 2022, at the special order of Hak Ja Han. The participants included a pastor and his wife, public officials working for an institution, and former pastor members. The lecture was not open to the general church membership. Here is video of the lecture that he gave at the Jeonju Church on March 22, 2022.

Young Hwi Kim: 36 Blessed Couples alarmed at OBD Theology

I heard that a man named Kim Jin-chun gave a lecture tour in five major regions (of Korea) from March 21 to April 7, 2022, at the special order of Mother Han. The participants included a pastor and his wife, public officials working for an institution, and former pastor members. The lecture was not open to the general church membership. Fortunately, I was able to catch a glimpse of the lecture that was given at Jeonju Church on March 22nd through a YouTube video. The video was taken down a few days later, but I am sure it is still there somewhere.

On April 17, ten days after the lecture tour, about 500 representatives from all over the world and leaders of domestic Korean Church Leaders who participated in the "10th Year of Heaven and Earth Leaders' Meeting," canceled all other scheduled events under Mother's special instructions and went to the "All-Night Seminar" for two days from April 19 to attend Kim Jin-chun's special lecture and receive education.

The theme of his education and prayer was "to take away the shameful tail attached to Father and free Father," and "to reveal the truth of Only Begotten Daughter and to explain the phase and value of the Immaculate Conception's "Only Begotten Daughter."

The content of Kim's lecture, which was closed to the public, was probably based on his lecture given during his tour of the five major regions but was probably more verbose than the original. Fortunately, however, the lecture is available to the public in the form of a 15-minute, firsthand account of what he intended to say in his lecture.

What was shocking was that Kim Jin-chun remained consistent throughout his presentation in his efforts to represent and convey Han mother's intentions. **There is no reason for me to go so far as to mention all the unprincipled, anti-Providential ramblings that he confessed in his personal confession of faith. When I heard and saw the recording, I could not suppress the harsh voice of True Father crying out inside me, which led me to write this statement.**

Of course, before I wrote this, I was told that on June 16th, Mission Director Yoon Young-Ho of the World Headquarters and Secretary General Chung Won-Joo of the President's Office invited members of the 36 families to have lunch together, at which time I expressed my opposition in a clear and decisive tone against the anti-providential, anti-principle content of Kim Jin-Chun's lectures and made a big deal out of such lectures by the church. I was very concerned about the serious after-effects this would have on the church.

In the content of Kim Jin-chun's lecture, **none of the references to True Parents are consistent with the principles and teachings revealed by True Father**, and the content is a distortion and manipulation of facts and truth. I do not feel it worthwhile to refute all of them, but I will mention only three or four that are the most serious distortions. Please note that the quoted text is from Kim Jin-chun's lecture, and the text in parentheses is my interpretation.

Kim Jin-choon: "It is really a pity that the position of the Father, who inherited the mission of the Second Coming Messiah, has to proceed according to the principle when the Mother sees it. Therefore, it is not the position of the Father to decide on the bride at the time of the 1960 Holy Matrimony in such a tail-wagging position."

(**Young Hwi Kim** : Kim Jin-choon is saying that Father, whom Jesus established as His successor, but not the Father whom God indemnified as the Second Coming Messiah, did not go in a way that suited the principle. Such an unprincipled "tail-wearing" Father was not qualified to choose and decide on the bride at the 1960 Holy Matrimony.)

Kim Jin Chun: "Until now we have thought that Father would choose a girl from among fallen women and that the Second Coming Lord would educate the mother and re-create her for seven years. But when you look at what I have just said, you

will realize that this is not true."

Young Hwi Kim: (This is an "open mouth" remark, following the reference in the paragraph above. So, although Father was "not qualified" to choose a 17-year-old woman named Han Hak-ja as the bride of the Second Coming Messiah in 1960, the historical fact is that the Holy Wedding Ceremony was held in that way. He also professes that the history of the Providence of Restoration through Indemnity, which proclaimed God's Day on January 1, 1968, after a seven-year course of consummating Eve, or the Bride, after the Holy Marriage, was completely nonsense and invalid.)

How do you take the fact that such a lecture was officially enforced as an education at the World Leaders' Assembly? It is a tragic and disastrous act, as if they were trying to support Mother while denigrating and slandering Father but at same time kicking in an own-goal to ruin Mother's existence. In a word, **this must be a satanic act that destroys the ideal of True Parents.** At this point, I cannot confirm if this is the will of the Mother as stated by Kim Jin chun, but since it came from his mouth, he will surely be held accountable for his words.

Receiving the will of God who has been proceeding with the creation-fall-restoration providence according to the Principle, True Father, Sun Myung Moon, the Second Coming of Messiah and the Bridegroom, has gone beyond and clarified the cross of indemnity for the salvation of mankind, which is unspeakable and tragic, and has been living in the history of providence! **We, the 36 Blessed Families, who have participated in this providence since its pioneering period and are living witnesses who have seen and heard the truth, will never tolerate such actions that seek to annihilate True Parents' Holy Matrimony.** I will only mention a few words about such unprincipled anti-providential rebellion, without daring to quote from the Principle, the Word, and the Bible again.
