

You are not fighting me, you're fighting Father!

Hak Ja Han's Beliefs as Revealed UNDER OATH

“Hear another parable. There was a master of a house who planted a vineyard and put a fence around it and dug a winepress in it and built a tower and leased it to tenants, and went into another country. When the season for fruit drew near, he sent his servants to the tenants to get his fruit. And the tenants took his servants and beat one, killed another, and stoned another. Again he sent other servants, more than the first. And they did the same to them. Finally he sent his son to them, saying, ‘They will respect my son.’ But when the tenants saw the son, they said to themselves, ‘This is the heir. Come, let us kill him and have his inheritance.’ And they took him and threw him out of the vineyard and killed him. When therefore the owner of the vineyard comes, what will he do to those tenants?”

They said to him, “He will put those wretches to a miserable death and let out the vineyard to other tenants who will give him the fruits in their seasons.”

Jesus said to them, “Have you never read in the Scriptures: “The stone that the builders rejected has become the cornerstone; this was the Lord’s doing, and it is marvelous in our eyes”? Therefore I tell you, the kingdom of God will be taken away from you and given to a people producing its fruits. And the one who falls on this stone will be broken to pieces; and when it falls on anyone, it will crush him.” When the chief priests and the Pharisees heard his parables, they perceived that he was speaking about them. And although they were seeking to arrest him, they feared the crowds, because they held him to be a prophet. Matt 21:33-47

No matter how difficult it seems, when you are absolutely centered upon God and humanity nothing can block you. Any opponent will be shattered in any confrontation. I know this through my own experience. SMM, God's Will and Christmas 12/25/76

Greetings!

It’s so incredible to be back in America. Traveling to other countries can make us realize how many freedoms we have here, that we take for granted! We are sitting on the precipice of the death of our Republic. Since we have eternal life in Christ we are not only focused on current events, but we also need to be aware.

In the Korea tour in June, the Family Fed and the Kwak group were mostly quiet, just watching what we were doing. They forget that I did not choose to be True Father’s heir. It was Father’s choice. The wealth and power meant nothing to me compared to the love between the Father and the son. That is the critical relationship which is the foundation for the Kingdom. The last service lasted 8.5 hours. Such a powerful spirit that day, so much joy and peace!

During the more recent Japan tour, it was different. There were Family Fed teams that took turns disrupting the service and

filming the “violence.” Hyung Jin Nim asked them, “why are you so scared that I have come to speak here in Japan? We have no wealth and no power.” They are afraid people would be able to see for themselves what the Han mother has been doing. The owl statues placed at the entrance to the Cheongpyeong grounds in Korea represent worship of knowledge. Satan promises you secret knowledge to give you power to control others. They also represent

Moloch, the pagan god who demanded child sacrifice. Not a very good choice!

But let us also reflect on what we can be grateful for! Through the work of our Father in Heaven, freedom-loving leaders like former White House advisor Sebastian Gorka are coming to speak at the Rod of Iron Freedom Festival.

At the 2nd event in Japan, 150 Family Fed disruptors came. After 15 minutes they stood up and started shouting. Hyung Jin Nim asked, “why are you following the Han mother, who is commanding you to worship her? You are not fighting me, you’re fighting Father!” After that event, they warned FFWPU members not to go to the third event in Osaka. They warned that young people especially may be confused (by hearing the truth). They did, however, send a few staff members to see who did choose to come.

Like in Jesus’ parable of the tenants in Matthew 21, they are there to kill the son. In the 4th event, a Christian pastor came and was moved to give a \$400 donation. One of the FFWPU staff said, “I’m coming back to True Father’s authority.” At the next event, 6 from the Family Fed came back to TF’s authority. When asked why, they said, “I felt True Father’s presence.”

Then the Abe assassination took place. When you leave God's will and protection, you are going out to demon territory and you will be destroyed. Some tried to accuse Sanctuary Church, but there was no evidence the shooter had any connection to Sanctuary. The Japanese media showed that the shooter did a drive-by shooting at the Nara Family Fed church the night before his attack on PM Shinzo Abe.

There were some threats against Sanctuary Church. In Japan you are completely defenseless, since you are not able to own a firearm. Even the leftist media reported that Hyung Jin Nim was crowned by True Father, and also that he has no control over the resources that Father developed during his lifetime.

Now the "hammer of judgment" is falling on the FFWPU with many government investigations. In Revelation 19 it states that "righteous and true are his judgments."

Hyung Jin Nim warned them for 7 years that a worldwide judgment was coming. At the time, it seemed that everything was fine. But Hyung Jin Nim knew that if Divine Principle is true and True Father is who he says he is, there would be a severe judgment for such a grand failure in the central providential family.

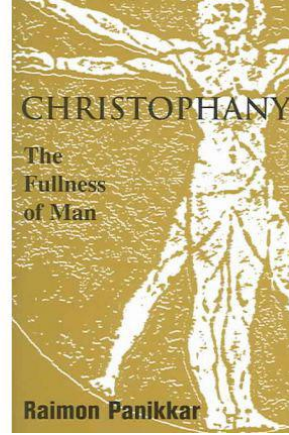

Hak Ja Han just had to honor True Father's will and supported the sons anointed by him. But now we see a war in Europe, and a potential war in East Asia, with the alliance of nuclear-armed Russia and China against the USA. Not a very peaceful world situation...

Hyung Jin Nim had to take 5 imodium treatments for diarrhea. Since he was less than an hour from where Shinzo Abe was murdered, was his sickness a protection from potential assassination as well?

He, Yeonah Nim and others from America were urged to leave Japan, but he refused.

Then Hyung Jin Nim spoke about "Christophany" in the Bible. The etymology is from the Greek Χριστός (*Christos*) and the ending "-phany", coming from the Greek verb φαίνειν *phainein* "bring to light, cause to appear, show."

Certain early Christian writers identified the Angel of the Lord as a pre-incarnate Christ. For example, Justin the Martyr claimed that the Angel was the Logos. He writes that "He who is called God and appeared to the patriarchs is called both Angel and Lord ...The word of God, therefore, recorded by Moses, when referring to Jacob the grandson of Abraham, speaks thus" and that "neither Abraham, nor Isaac, nor Jacob, nor any other man saw the Father ... but saw Him who was according to His will His Son, being God, and the Angel because He ministered to His will". Irenaeus also held to this view; he wrote that "when the Son speaks to Moses, He says, 'I have come down to deliver this people'."

Towards the end of his life, True Father explained that he as the returning Christ comes from the God of Night and that the rest of humanity comes from the God of Day. So it seems that, at the end of his life, Father revealed a higher Christology. Hyung Jin Nim read the scripture in Philippians 2:5-6: *Have this mind among yourselves, which is yours in Christ Jesus, who, though he was in the form of God, did not count equality with God a thing to be grasped.*

The Korean word for “form” is “ponche.” We know from the Original Substance of the Divine Principle that “ponche” means the lineage and the seed of God. When Christ returns he establishes his kingship, based on his own lineage and the Constitution of Freedom and Responsibility.

Prepare for a time of hardship. Don't be a burden on others. Be an asset to the Kingdom. In your neighborhood you should be the King and Queen of love. Be a blessing to others, not a liability. When things go south, you will be the judge. Base that on people's actions, not just a humanistic perspective.

Hak Ja Han's Beliefs as Revealed UNDER OATH

by Jim Stephens

These points are revealed in her deposition **under oath** in the Family Federation lawsuit against Sanctuary Church regarding the Tongil mark (12 gates symbol).

1. She has always had more authority in the church than True Father.

This is the most shocking of her statements to me, being in the church almost 49 years. She states that she has always had more authority than True Father and that he should never have done anything without her approval.

Even though she was there four times when True Father crowned Hyung Jin Sean Moon as his successor, she claims she never approved, so therefore the coronation is not valid. (Page 126, Lines 10-21, Page 127, Lines 5-15)

2. There is no successor.

(1.) Even though Rev. Moon spoke for years about God wanting to create love, life, and lineage, and (2.) even though the Principle of Creation asserts God wanted to create His Lineage on earth, and even though (3.) Rev. Moon crowned Sean Moon as his successor on at least four occasions, still Hak Ja Han testifies under oath numerous times that there is “no successor.” (Page 130, Line 25 and Page 131, Lines 1-13. Page 139, Lines 6-11. Page 149, Lines 20-25 and Page 150, Lines 1-10) She states in several parts of her

testimony that there are no successors to True Parents, and Sean is not a successor to Rev. Moon. (Page 114, Lines 7-15)

3. She and Jesus are the True Parents.

She identifies “True Parents” as the Only Begotten Daughter (herself) and the Only Begotten Son (Jesus). She leaves out True Father, Sun Myung Moon. (Page 17, Lines 10-20)

4. True Father had Original Sin which she removed.

She states that Sun Myung Moon was born with Original Sin which needed to be removed. He could not have become the True Parent on his own. He had to meet her. When Sun Myung Moon met Jesus at 16, he was given a path of suffering and indemnity to qualify as the only begotten son so he could meet Hak Ja Han. After meeting her, Rev. Moon could ascend to the position of Only Begotten Son. (Page 98, Lines 21-25, Page 99, Lines 19. Page 100, Lines 22-25. Page 101, Lines 11-21, Page 102, Lines 1-8)

5. She believes she was born knowing the Divine Principle. She knew it from birth and did not have to go through a learning and growth period. She did not have to make any effort or sacrifice to gain this knowledge. Her course is contrary to Jesus and True Father’s courses (and the Principle of Growth in Divine Principle). She says True Father had to suffer a great deal in order to meet her. She says he never educated her. (Page 105, Lines 9-25, Page 106, Lines 1-25, Page 107, Lines 1-2) True Father’s mission was to find the word and write it down so he could qualify to meet her. (Page 109, Lines 11-22)

6. She states under oath that True Father did not complete his mission on earth. (Page 109, Lines 9-14)

Jesus and True Father are One

by Kerry Williams

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

January 7, 1988, Cheon Seong Gyeong, p. 127, 172-53, 1988.1.7

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
