The Reality of CHILD SEX TRAFFICKING

But a man named Ananias, with his wife Sapphira, sold a piece of property, and with his wife's knowledge he kept back for himself some of the proceeds and brought only a part of it and laid it at the apostles' feet. But Peter said, "Ananias, why has Satan filled your heart to lie to the Holy Spirit and to keep back for yourself part of the proceeds of the land? While it remained unsold, did it not remain your own? And after it was sold, was it not at your disposal? Why is it that you have contrived this deed in your heart? You have not lied to man but to God." When Ananias heard these words, he fell down and breathed his last. And great fear came upon all who heard of it. The young men rose and wrapped him up and carried him out and buried him. Acts 5:1-6

The goal of our faith is to become citizens of God's country. If you do not become citizens of God's country, then there will be no way for you as sons and daughters to freely receive the admiration and love of that nation's people or of all things of creation. A person without a country is always attacked. He stands in a miserable position. He may often feel hopeless after suffering an affront. That is why the question is, where can we find the country of God's desire? Which is the nation that can become God's foothold? That is the issue.

SMM, CSG Bk 13-Restoration of the True God's Homeland

Greetings!

Hyung Jin Nim started his sermon by reading Acts 5, which describes how Ananias and Sapharia sold a parcel of land they owned. They told Peter they were giving all the proceeds, but kept part of the sale funds for themselves. They were struck down for lying. God cares about the heart, not external reputation. True repentance is metanoia, turning away from something because you truly regret having done it.

Our relationship with God is not based on observing rituals.

We should pay more attention to guiding the hearts of our children. When he and Yeonah Nim were raising their children, they focused on evangelizing their children and answering their questions, not just making them join rituals.

In public schools our children are brainwashed into cultural atheism, and even transgenderism, from a young age. It's important to address their questions about the existence of God. We need to witness to our children, starting with the existence of God and to help them to build a relationship with Him.

If you watch the "What is a Woman?" documentary by Matt Walsh you can see the lunacy of Western culture. We need to lead them lovingly with a discussion of the arguments for and against Biblical teachings. Be more concerned about their eternal lives than about external reputations.

As a teenager, Hyung Jin Nim earned from bad examples, too. His older brother drank alcohol, did drugs and free sex. Later Hyung Jin Nim learned that Hyo Jin

Nim had been molested at a young age. Hyung Jin Nim decided to never touch alcohol or drugs. He realized there are consequences to the decisions we make. In the teen years they are often hypersensitive. Parents need to be aware of the basics of counseling and apologetics.

It's important to spend one-on-one time from a young age is important with children. Moms need to be careful about projecting their anxieties on their children, especially their sons.

After birth of children, 70% of mothers' report declining happiness, but 30% were just as happy or happier. Why? When the fathers are involved in parenting, the mothers were happier.

Young kings should train for the challenges of parenting just like training for Martial Arts. The children of pastors face extra pressure. It's important to explain your challenges so that they understand your heart.

Turn away from idolatry of self and desire for praise from others. Let us invest in powerful relationships with our spouses and children!

Victory of Jil Pal Jeol

by Miho Panzer

It's a month since the 2nd King and Queen visited Korea and Japan. When they returned to America, I was worried about how we could welcome them! Especially since they were coming to celebrate the Jil Pal Jeol Holy Day. In Japan and in Korea, whenever he entered a meeting room before giving a speech Hyung Jin Nim would always wave a flag with a large golden Tongil symbol on it, showing his pride in True Father's teachings and victory over evil.

I thought that at the Holy Day, we could celebrate the victory of the lawsuit regarding the Tongil symbol, so we made a tower of "yaka," the traditional Korean sweet

cake, with a Tongil mark attached to each cake. Many 2nd Gen brothers and sisters at the Tennessee Cheongpyeong worked many hours to make a beautiful offering table.

At the beginning of the celebration, when Hyung Jin Nim and Yeonah Nim brought True Parents' robes and crowns, I felt that True Father was making a big smile and saying, "this is the time when I can give blessings all over the world!" Yes, this is the time for True Father's spirit to cover the entire earth! I couldn't stop my tears thinking that Father would use this pure offering to give a blessing to the whole world!

Our 2nd King and Queen are on the front line to fight Satan and to preserve the freedoms we still enjoy in this nation. Let us all do our best in the remaining months of this providential year!

Hak Ja Han's Beliefs as Revealed UNDER OATH

by Jim Stephens

These points are revealed in her deposition **under oath** in the Family Federation lawsuit against Sanctuary Church regarding the Tongil mark (12 gates symbol).

1. She has always had more authority in the church than True Father.

This is the most shocking of her statements to me, being in the church almost 49 years. She states that she has always had more authority than True Father and that he should never have done anything without her approval.

Even though she was there four times when True Father crowned Hyung Jin Sean

Moon as his successor, she claims she never approved, so therefore the coronation is not valid. (Page 126, Lines 10-21, Page 127, Lines 5-15)

2. There is no successor.

(1.) Even though Rev. Moon spoke for years about God wanting to create love, life, and lineage, and (2.) even though the Principle of Creation asserts God wanted to create His Lineage on earth, and even though (3.) Rev. Moon crowned Sean Moon as his successor on at least four occasions, still Hak Ja Han testifies under oath numerous times that there is “no successor.” (Page 130, Line 25 and Page 131, Lines 1-13. Page 139, Lines 6-11. Page 149, Lines 20-25 and Page 150, Lines 1-10) She states in several parts of her testimony that there are no successors to True Parents, and Sean is not a successor to Rev. Moon. (Page 114, Lines 7-15)

3. She and Jesus are the True Parents.

She identifies “True Parents” as the Only Begotten Daughter (herself) and the Only Begotten Son (Jesus). She leaves out True Father, Sun Myung Moon. (Page 17, Lines 10-20)

4. True Father had Original Sin which she removed.

She states that Sun Myung Moon was born with Original Sin which needed to be removed. He could not have become the True Parent on his own. He had to meet her. When Sun Myung Moon met Jesus at 16, he was given a path of suffering and indemnity to qualify as the only begotten son so he could meet Hak Ja Han. After meeting her, Rev. Moon could ascend to the position of Only Begotten Son. (Page 98, Lines 21-25, Page 99, Lines 19. Page 100, Lines 22-25. Page 101, Lines 11-21, Page 102, Lines 1-8)

5. She believes she was born knowing the Divine Principle. She knew it from birth and did not have to go through a learning and growth period. She did not have to make any effort or sacrifice to gain this knowledge. Her course is contrary to Jesus and True Father’s courses (and the Principle of Growth in Divine Principle). She says True Father had to suffer a great deal in order to meet her. She says he never educated her. (Page 105, Lines 9-25, Page 106, Lines 1-25, Page 107, Lines 1-2) True Father’s mission was to find the word and write it down so he could qualify to meet her. (Page 109, Lines 11-22)

6. She states under oath that True Father did not complete his mission on earth. (Page 109, Lines 9-14)

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
