

FFWPU Tiptoes Away from OBD Heresy

Resistance to Tyrants is Obedience to God

You recently repented and did what was right in my eyes by proclaiming liberty, each to his neighbor, and you made a covenant before me in the house that is called by my name, but then you turned around and profaned my name when each of you took back his male and female slaves, whom you had set free according to their desire, and you brought them into subjection to be your slaves.

“Therefore, thus says the Lord: You have not obeyed me by proclaiming liberty, every one to his brother and to his neighbor; behold, I proclaim to you liberty to the sword, to pestilence, and to famine, declares the Lord. I will make you a horror to all the kingdoms of the earth. And the men who

transgressed my covenant and did not keep the terms of the covenant that they made before me, I will make them like the calf that they cut in two and passed between its parts — the officials of Judah, the officials of Jerusalem, the eunuchs, the priests, and all the people of the land who passed between the parts of the calf. And I will give them into the hand of their enemies and into the hand of those who seek their lives. Their dead bodies shall be food for the birds of the air and the beasts of the earth. Jeremiah 34:15-20

The first commandment for humankind is to love God. Should you love God deeply until the end, or shallowly for a short time? Will you love God even at the risk of your life? You must love God even if you get hit by lightning. If you love God at the risk of your life, there will be nothing you cannot do. SMM, 12/22/1970, CSG 2381

Hello Richard,

Hyung Jin Nim started his sermon by commenting on a statement by the famed psychologist Jordan Peterson who said the American Presidency has now become like the Russian Czar, both administrator and king. People naturally have a desire for the benefits of civilization, but the question is whether it is a just one. The political system in the United Kingdom has more checks and balances than the USA in that the Prime Minister cannot be a King. So he must work with the royal family. You want the royalty to be separate from the politics.

The powers of the American president have become so extensive that he can disappear people without due process using provisions in the Patriot Act. Judicial and legislative safeguards often take years to restrain executive power.

The Cheon Il Guk Constitution has separation of powers like the U.S., but also the symbolism of the royal lineage of Christ. Christian apologist Oz Guinness has said that if you pursue truth, then you will follow people who tell you the truth, which leads to trust, which makes it possible to create contracts and promises based on trust. Your word is your bond.

This is different from other cultures, where lying is the norm. Hitler believed in the Ubermensch, who is beyond traditional norms, his own god. I can lie, kill,

steal from others, do whatever I want.

But the biblical view is that freedom is not doing whatever you want, but comes with responsibility to respect my neighbor. The Bible was the first book to be printed throughout the world. A civilization was born that centers on the written word, and on its ethics. Ben Franklin and Thomas Jefferson suggested that the seal of USA be the Israelites escaping tyranny by crossing the Red Sea and following the Pillar of Fire of God.

Protestants said we are the covenant people. [George Washington prayed in the chapel near Ground Zero in Manhattan](#) to dedicate our nation to God. The Judeo-Christian worldview promotes freedom. Daniel refused to bow down to the graven image of Babylonian tyranny and was delivered from the fiery furnace ([Daniel 3](#)).

Just parenting leads to children who want to live in that Kingdom. You need to earn their trust. Children are seen as the future protectors of God's Kingdom, not burdens to be avoided.

As directed in Jeremiah 34, King Zedekiah, the last king of Judah, freed the slaves but then he and the people of Judah changed their minds and took back their slaves. God allowed them to be invaded by the Babylonians and destroyed. Their society of deceit was destroyed, leading to decades of captivity.

Bill Gates, Klaus Schwab and other Globalists are now creating a new tower of Babel where they control the nations through centralized economic power. But God's blessing goes where there are freedom and truth. As Thomas Jefferson said, **resistance to tyrants is obedience to God.**

It seems that the Family Federation has begun to distance itself from the [OBD lecture series taught by Jin Chun Kim](#) on April 19 and 20, which were [denounced by Young Hwi Kim](#) at the end of June. As their “Official Memo” states: ***the International Headquarters wishes to clarify that, from a doctrinal point of view, [the presentations given to international leaders in Korea on April 19 and 20] do not represent the International Headquarters’ official position, and the lecture series was stopped.***” (see statement below)

What is not said is that *Family Fed leaders were required to attend these lectures at the direction of Hak Ja Han*. It has been 10 years since True Father’s passing and it looks like *Unificationist leaders are beginning to wake up to the reality that brothers and sisters are not buying Hak Ja Han’s heresies and the vilification of True Father Sun Myung Moon*.

Heavenly Parent`s Holy Community
Family Federation for World Peace and Unification
Official Memo: Ref. No. FFWPUI 2022-311
To: Cheon Eui Won Chairs, Regional Presidents, Sub-regional Presidents,
National Presidents Heads of Providential Organizations

4. Even during all of these devoted efforts, leaders in the regions are reporting and asking about unwarranted rumors circulating that are hurtful to the True Parents, who are the eternal tradition and faith of the Unification Movement. In light of such inquiries, the FFWPU International Headquarters would like to share the following guidelines:

5. First, the presentations given to the international leaders in Korea on April 19 and 20 reflect a personal expression of faith and research results of an individual researcher, rather than embodying the full scope of True Parents’ will and intention. Furthermore, the International Headquarters wishes to clarify that, from a doctrinal point of view, they do not represent the International Headquarters’ official position, and the lecture series was stopped.

All of us should pray that all Unificationists, many of whom sacrificially dedicated many decades of their lives, return to True Father's original, unadulterated words and teachings. They may also want to reflect on the connection between the ongoing harsh persecution of brothers and sisters in Japan and the Family Federation's embrace and promotion of the Han Mother's heretical religion, which it now seems they are beginning to abandon.

The Abe Assassination. The Word “Cult” Is A Tool for Discrimination

The anti-Unification-Church campaign in Japan is another egregious example of the use of the “cult” label to discriminate against unpopular minorities.

by Massimo Introvigne

On June 6, 2014, Japanese Prime Minister Shinzo Abe visited Pope Francis in the Vatican. He offered him a replica of a Japanese 17th-century “secret mirror.” It looks like a normal mirror but, when inclined to intercept a ray from the sun, it reveals an image of Jesus Christ. Christians in Japan had to use the secret mirrors at that time since, if they were caught with a Christian image or symbol, they were executed. Abe apologized to the Catholic Church for the more than 5,000 Catholics who had been killed in Japan during the persecutions of the 16th and 17th centuries and beyond. Many of them were crucified.

As late as 1829, three women and three men were paraded through the streets of Osaka and crucified for being members of the “evil cult” of Christianity (perhaps they weren’t) and for recruiting followers through the use of black magic.

Abe’s apology was commendable, but it would seem to refer to atrocities of a remote past. Or perhaps not. Scholars such as James T. Richardson and Wu Junqing have noted that not much has changed from the times when witches were burned in the West and “evil cults” were bloodily persecuted in Imperial China and Japan. The only difference is that black magic has been secularized into brainwashing, a pseudo-scientific concept implying that “cults” now bewitch their followers through mysterious psychological techniques.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
