

Ripening of the FIG TREE vs TYRANNY

FFWPU Tiptoes Away from OBD Teachings

As they passed by in the morning, they saw the fig tree withered away to its roots. And Peter remembered and said to him, "Rabbi, look! The fig tree that you cursed has withered." And Jesus answered them, "Have faith in God. Truly, I say to you, whoever says to this mountain, 'Be taken up and thrown into the sea,' and does not doubt in his heart, but believes that what he says will come to pass, it will be done for him. Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours. And whenever you stand praying, forgive, if you have anything against anyone, so that your Father also who is in heaven may forgive you your

trespasses." Mark 11:20-25

Without human beings, God cannot be liberated through love. This means that through parents having filial children, their realm of heart is liberated; through having patriots, kings are liberated; through having saints, the world-level president is liberated; and through having divine sons and daughters accomplish everything as His object partners of love by fulfilling the way of the filial child, God can be liberated. Only when this is

achieved can God be liberated. This is an amazing message. SMM, 4/8/1997, CSG 2438

Hello Richard,

When Jesus entered Jerusalem he came humbly on a donkey, definitely not what was expected for someone claiming to be the King from the lineage of David. He initially was proclaiming the coming of God's Kingdom. If accepted, Jesus would have established a bastion of freedom and righteousness.

As stated in 1 Corinthians 2:8, if the leaders of this world had known, they would not have crucified the Lord of Glory. He was murdered because of the faithlessness of the people. It took place during the waning of the increasingly immoral Roman Empire. The pharisees and Sadducees were collaborating with the Roman rulers. With the growing state, there was more corruption and payoffs, leading to more distrust and polarization.

In Illinois, starting on January 1, arson, kidnapping and 2nd degree homicides will no longer be "detainable" crimes. During the Covid 19 lockdowns, we saw the culture of reporting on neighbors who gathered more than the permitted number of people at home.

Jesus manufactured a weapon for "assault," a scourge to whip moneychangers. Jesus cursed the fig tree, the symbol of the chosen people.

Couples who are struggling often pray for God to “remove the mountain from my spouse’s heart,” but pray first about the need to change your own heart. This was the 2nd Queen’s advice to young Queens. Reconciling gives God’s joy. Romance your wife. Create a good environment for your children!

If he had lived, Jesus would have promoted creating strong, healthy marriages. Forgiving releases you from your own emotional prison.

We are in a tribulation period in America and the world. The goal is to crash existing currencies and replace them with a digital currency that can be turned off if you violate a mandated policy.

We have seen the Biden administration targeting MAGA Republicans and the [Project Veritas videos of the Greenwich school district assistant principal speaking about hiring only pro-LGBTQ teachers and staff.](#)

We are born with male or female chromosomes. Each of us is called to grow up into a mature man or woman. But in many states progressive educators are pushing to give children the right to make catastrophic decisions without parental consent.

Increasingly we see many countries adopting a Communist Chinese model of totalitarian repression including the disarming of the population and control of the food supply. Recently we have seen [Amish farmers threatened with fines and prison](#) for selling raw milk.

While we must be prepared to resist tyranny, good people should not initiate violence. We are in the phase of political conflict where there is still a chance to push back against repression through awakening the patriotism and common sense of the American people.

America’s founders knew that by rebelling against the rule of the British monarchy, they were risking their lives. Pray and prepare. Go beyond fear of death. As America goes, the world will go. Cling to God. Let us remember our roots and who we are as a nation. But as you prepare, don’t be consumed with fear. Don’t forget to take time to enjoy your marriage and family.

FFWPU Tiptoes Away from OBD Heresy

It seems that the Family Federation has begun to distance itself from the [OBD lecture series taught by Jin Chun Kim](#) on April 19 and 20, [denounced by Young Hwi Kim](#) at the end of June. As their “Official Memo” states: ***the International Headquarters wishes to clarify that, from a doctrinal point of view, [the presentations given to international leaders in Korea on April 19 and 20] do not represent the International Headquarters’ official position, and the lecture series was stopped.***” (see statement below)

What is not said is that *Family Fed leaders were required to attend these lectures at the direction of Hak Ja Han*. It has been 10 years since True Father’s passing and it looks like *Unificationist leaders are beginning to wake up to the reality that brothers and sisters are not buying Hak Ja Han’s heresies which include the vilification of True Father Sun Myung Moon*.

4. Even during all of these devoted efforts, leaders in the regions are reporting and asking about unwarranted rumors circulating that are hurtful to the True Parents, who are the eternal tradition and faith of the Unification Movement. In light of such inquiries, the FFWPU International Headquarters would like to share the following guidelines:

5. First, the presentations given to the international leaders in Korea on April 19 and 20 reflect a personal expression of faith and research results of an individual researcher, rather than embodying the full scope of True Parents’ will and intention. Furthermore, the International Headquarters wishes to clarify that, from a doctrinal point of view, they do not represent the International Headquarters’ official position, and the lecture series was stopped.

Let us pray that all Unificationists, many of whom sacrificially dedicated many decades of their lives, return to True Father's original, unadulterated words, lineage and teachings. They may also want to reflect on the connection between the ongoing harsh persecution of brothers and sisters in Japan and the Family Federation's embrace and promotion of the Han Mother's teachings, which it now seems they are beginning to abandon.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
