Go Anywhere, With Complete Freedom!

There were some present at that very time who told him about the Galileans whose blood Pilate had mingled with their sacrifices. And he answered them, "Do you think that these Galileans were worse sinners than all the other Galileans, because they suffered in this way? No, I tell you; but unless you repent, you will all likewise perish. Or those eighteen on whom the tower in Siloam fell and killed them: do you think that they were worse offenders than all the others who lived in Jerusalem? No, I tell you; but unless you repent, you will all likewise perish." Luke 13:1-5

No matter how giant a tuna you are, if Satan gets a hook in you, you are finished. We have to smooth over the satanic niches and create niches where God can hook us. My rule for that is to live for others, not myself. I want to use my things to make other people happy. Then I elevate my goal, so that I not only make other people happy, but other nations happy, and the entire world happy. In the meantime, I take the sacrificial position. That attitude is completely opposite the satanic position. Thus, only heavenly hooks can grab me.

When you create lots of heavenly pockets and God can hook you, even if you want to go in the other direction, God can pull you back. Then there is no way you can end up in the satanic camp! There is a struggle inside of us. Our mind is more susceptible to God's hooks, while the body is more vulnerable to Satan's hooks; there is a contradiction within us.

I don't know why, but Unification Church women are all beautiful, and you undoubtedly have a desire to have some handsome man hold your hands. But your hand should be ready to feel more joy in holding the hand of an old grandfather to comfort him. If you really feel joy in helping old people and in helping people of your parents' age, then when you are firmly holding their hands and you meet a handsome young man, he will already respect you. Without holding his hand you have won him already.

To make it more extreme, the white sisters should hold the hands of black grandparents. Then when Satan tries to hook you, your body is as slippery as an eel and you elude him. When you are totally immune to satanic elements, God allows you to go anywhere in the world, with complete freedom. SMM, Historical Children's Day, October 28, 1981

Hello Richard,
Hyung Jin Nim started the service by encouraging the young couples who have started their new roles as parents. It's important to be parents who stand for justice and resist school indoctrination of their children. The western world has gone crazy in this area. For instance, [a school district in Australia allowed a young girl to identify as a "cat" at her school.](#)

He praised [Matt Walsh who led a rally against surgical mutilation of youth who think they are transgender in Nashville.](#) Tennessee will ban child mutilation surgery in the name of transgender "affirmation." One of the speakers was an 18-

year-old girl who started to identify at age 13 as a boy, later taking hormone blockers and undergoing a double mastectomy, but later realized she had made a mistake. The doctors encouraged her to do undergo these “treatments.” They are luring children in at a time when they are vulnerable and confused.

America’s enemies are laughing while our country’s youth are involved in such delusions. The silver lining is that many citizens are waking up again.

As reported in Luke 13, Pilate executed Galilean Jews while they were making sacrifices. Accorded to the syncretism practiced in the Roman Empire, they were allowed to worship their own gods as long as they subordinated to the Roman deities.

But God the Creator is subordinate to no one. Roman gods are akin to fallen angels practicing unrestricted lust, envy, gluttony, etc., the opposite to the core values of Christianity. The pagan culture seeks to groom and sexualize young girls instead of teaching self-control, self-reliance, developing skill sets where you get humbled and have to work hard to improve.

He praised the parents standing up to the fallen agenda, including pornographic books in school libraries. Watching pornography leads to lower standards and more free sex, which is why abortion mills are required. It is akin to the goddess cult which ends up selling young girls for temple prostitution. The worship of a goddess who is said to be a “perpetual virgin” even though she and her acolytes have sex with strangers is illogical.

Jesus said, “there is no one good but God.” Don’t compare yourself to thieves and murderers. Those who try to live by a strict moral code should not think they are perfect, when the standard for that is God, not other fallen people. True repentance or “metanoia” means to turn your focus away from self to God.

After True Father installed him as the top leader in Korea in 2008, he admitted to the 2nd Gen ministers that, even though he had kept his purity until marriage, and was Father's anointed heir, he was still a sinner, since there were times when he had been angry towards or was rebellious towards God, etc.

Stop boasting. Let us keep our eyes away from self and towards God. You know you sinned and rebelled against God. That realization frees you.

Veterans who had already acted in Hollywood were banned after they started to work with Craig Sawyer's [Vets for Child Rescue](#). Apparently, the Hollywood establishment finds it unforgivable to rescue children from sex trafficking.

He spoke highly of young couples giving their youth to raise their children instead of to materialistic goals or degrees. Include your wife and children in your "investment portfolio," by sharing your time and your honest heart with them. All of us should be part of the protective immune system against evil. America has to get back to its founding Christian principles, not lust, envy and resentment which Communists promote throughout our society.

Now is the time of the rising of brave governors in Tennessee, Arizona, Florida, etc. Start with protecting the children and supporting those who are on the front line.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
