## OBD: 95% of Father's Words NOT TRUE

---

*Saul said to Samuel, "I have sinned, for I have transgressed the commandment of the Lord and your words, because I feared the people and obeyed their voice. 1 Samuel 15:24*

*You can think of Satan as God's tool in a way, a means of finding out whether your gratitude is real or not. I will never tell you to just be thankful to God and let me take care of Satan for you. Instead I will push you out into the corrupt and evil world. If you are really thankful then my mandate to you is to go liberate the world and come back. You will pass the test by remaining loyal, steadfast and thankful under any circumstances or experience. If you can do that then Satan has no power over you and eventually he must issue you*

*a certificate saying that indeed you are a child of God. As an archangel, Satan must be the one to testify to God whether or not you are God's child. SMM, Core of Unification, October 9, 1977*

Hello Richard,

Hyung Jin Nim started his sermon by discussing how God gives us free will and our 5% responsibility to fulfill. King Saul was ordered to destroy the Amalekites utterly, but he failed to obey God's order. He spared the Amalekite King Agar and allowed the Israelite warriors to take livestock. God sent the Israelites to execute judgment, not to profit from war. Saul made an excuse why he disobeyed God, but also confessed that he "feared the people," more than God. (1 Samuel 15:24) That is why democracies fail, because people desire the government to take care of them and are motivated by their own passions.

The promotion of transgenderism in the USA is a revival of ancient religions. Even children were sold into sexual slavery. As discussed in the [Our Father Forsaken book](#) (pp 111-112), a German anthropologist found the receipt of a man who sold his 10-year-old daughter to the temple to serve as a harimtu prostitute 3300 years ago.

He showed the [Balenciaga \(means Baal is King\) fashion house ad of of a teddy bear wearing BDSM \(bondage, dominance, sadism and masochism\) attire](#) along with a child pornography ruling. Jesus said we have to be like children to enter the kingdom, but Satan and his demons want to corrupt and even murder children.

Billionaire Elon Musk released twitter files of communications between the Democratic National Committee and the FBI with Twitter. These were acts of treason against the U.S.A. Marxists want to separate the classes horizontally, with the lower and middle classes full of envy and hatred for the upper classes and demanding that the revolutionary government seize their holdings. A vertical revolution of the upper, middle and lower classes can lead to freedom. Trump, and other mega-millionaires and billionaires, Mike Lindell stood with MAGA voters of all classes against predators.

He spoke about the Stew Peters' [Died Suddenly documentary](#) about the 40% spike in excess deaths starting in 2021, after Covid vaccine and boosters began to be administered widely in the U.S. and other countries. Large blood clots were found by embalmers preparing the bodies of those who “died suddenly.”

Those who questioned vaccine mandates and the appropriateness of vaccination for the vast majority of the youth and middle-aged population, like [Dr. Robert Malone](#) and [Dr. Peter McCullough](#), were shamed and banned. Pharmaceutical companies have legal immunity, even if their vaccines cause damage to those vaccinated. Hard as it is to believe, it seems that mandated Covid 19 vaccination serves a depopulation agenda.

True Father taught about the sexual nature of the Fall for 70 years. We need to understand how the satanic system operated, through money, power, sexual blackmail, and child sacrifice.

There is the possibility of a new Civil War in America. There are three boxes for defenders to employ: the soap box (of sharing information and debate), the ballot box (voting), and finally, the ammo box (of defense against violent tyranny). This is not a joke. That is why the Deep State tries to provoke patriots to engage in violence. We cannot be the aggressor. We must keep the moral high ground. Americans were hesitant to demonstrate because they know it could be manipulated to lead to Civil War. The good side must not strike first. True Father said you must be hit 3 times, before fighting back.

It's hard to admit that America, as a constitutional republic, is dying. We see the ongoing demoralization of the American people. But more patriots and believers are praying and getting involved to replace corrupt leaders with righteous ones. We need to rebuild the moral foundation.

Ask, "God, how do I prepare? Lord, let me be strong. What can I do? Prepare me for battle and show me how to get involved." Napoleon, who conquered one third of the world, said the morale of the troops is three times more important than physical factors. Pray for guidance and wisdom.

As the [Cheon Il Guk Constitution](#) clarifies, the fruit of 2<sup>nd</sup> Coming is not a socialist tyranny. We will be responsible to execute justice. The Founding Fathers did not fight for wealth and booty. They were not pirates. They were fighting for freedom for future generations.

### **The OBD Hak Ja Han's real beliefs and new teachings:**

- "95% of Father's words are not true."
- "True Father was born with Original Sin."

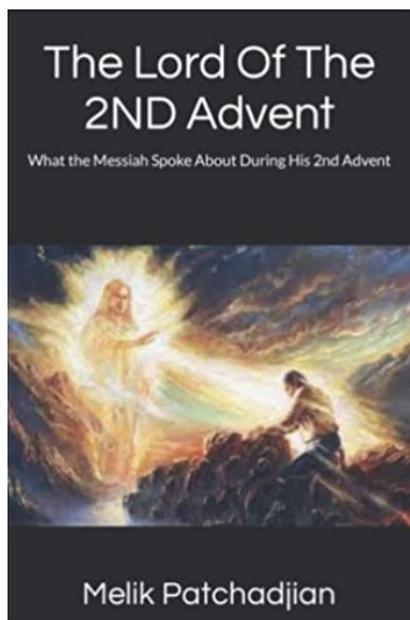

- There were dozens of candidates to be the LSA so Father was fortunate to be "chosen" by HJH at age 17.
- Mother "engrafted" Father through the holy wedding in 1960 and "forgave" his sin.
- Since Father's words were 95% false, much of the Divine Principle is also false. That is why FFWPU theologians are working on a new "Divine Principle."
- We now know that we cannot trust True Father's teachings, but we MUST trust the Only Begotten Daughter's new revelations. But don't worry, True Parents are "TOTALLY united."

**Mrs. Hak Ja Han, the Only-Begotten Daughter, and Substantial Holy Spirit**

**Hak Ja Han's message:**  
 Regarding Father's words, please listen to me carefully. If you do not understand this correctly, trouble may befall you.  
 95% of Father's words are not true.

I had no intention of publishing a book even though True Father told us we should write a book of our lives. I never thought of what I could possibly write to inspire others. Going over all the speeches I had of Father's one day, of which I had highlighted, I decided to save those excerpts in Word Writer Document. It was then that it came to me that I could put together a book of those words from which I got the most inspiration during my life of faith. I figured that anyone who saw the subtitle "What The Messiah Spoke About During His 2nd Advent" and didn't know who Father was would peak their curiosity and could be introduced to him in this way that might be an inspiration to them and lead them to the Divine Principle.
