

Historical Affirmation of God's True Identity

Tragedy that calls for blood-vomiting lamentation!

As they passed by in the morning, they saw the fig tree withered away to its roots. And Peter remembered and said to him, "Rabbi, look! The fig tree that you cursed has withered." And Jesus answered them, "Have faith in God. Truly, I say to you, whoever says to this mountain, 'Be taken up and thrown into the sea,' and does not doubt in his heart, but believes that what he says will come to pass, it will be done for him. Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours. And whenever you stand praying, forgive, if you have anything against anyone, so that your Father also who is in heaven may forgive you your trespasses." Mark 11:20-25

If you cannot fulfill the realm of love completely while on earth, you can only dwell in the realm of love which you completed. If you live selfishly on earth, you have no way to move about in spirit world because the spirit world cannot harmonize with you; you will be a foreign element. All you have to do is to practice love for others on the earth, and all the doors of spirit world will open for you. SMM, Noble Dream, December 1, 1981

Hello Richard,
Hyung Jin Nim started by discussing the passage in Mark 11:22-25 where Jesus taught us how to pray. Start with "our Father who art in heaven, hallowed be thy name," not the prosperity gospel where we ask for things for ourselves. Prayer is not the law of attraction. Focusing on what you want is self-worship. Remember- God is not our genie.

Instead when we pray, we should:

1. Uplift God as the Creator of the universe.

Start with the historical affirmation of **who God is**, recognition of His power to create or destroy. The more you remember God's authority, the more powerful your prayer, like putting gas in your tank.

2. Keep a list of your answered prayers. The more you remember God's goodness, the more you can trust God. The more you can have confidence in Him. He is love. He is merciful. He is faithful.

It is not our words that have power. Even our faith alone does not have power. God wants us to pick up our cross to do what is needed.

We are making professions of trust in Him, in His words, not our own. In His benevolence, His sacrificial love. We must ask in the context of God's will, YOUR Will be done.

True Father taught us to remember how many times God's heart was broken. God is love, but also perfectly just. A bad judge doesn't judge evil. A person dressed up in ANTIFA black attire was throwing molotov cocktails at police in Atlanta, but not arrested or prosecuted.

Many J6 prisoners have been imprisoned for nearly 700 days. Many at the most are guilty of misdemeanors, but put in solitary confinement.

We are throwing away all our fear and negative emotions. We grow in glory through suffering. All the hate and mockery make you stronger. Grow up, but not to please man. Have God's will as your will. YOUR Kingdom come, YOUR Will be done!

Reflect on God's nature, having faith in Him. If you have any personal animosity you have to forgive. Don't forget the evil, but don't hold anger and hate inside. Hyung Jin Nim does not hold anger and hate towards his mother and the FFWPU. He feels sadness to see their downfall.

Actualization of the Word comes through training, which builds up the nature of the person. In combat arts, you don't hate your opponent, but you still fight him. Use the shepherd's rod. Ask God for forgiveness. This is a form of training. In training your body learns to do things that are unnatural. It increases your tolerance for pain. Better to know how to deal with pain in advance.

When you encounter an obstacle go straight into the mountain to fight for God's will. David was training how to speak to wild animals in the wilderness, and how to dominate or even kill them if needed. We increase our muscles through stress, stronger for the future, and learn that pressure and opposition are fun.

Act scripturally, not just with emotion. God may make A Bigger Mountain For You To Climb. At a time when America is dominated by evil, remember that God is still bigger than all of that. Let us be grateful for God's love and goodness. Love God and your neighbor.

"Tragedy that calls for blood-vomiting lamentation!"

by Shin Jae Park, December 11, 2022

No matter how heavy my burdens became, I always felt blessed to be living during the same era as the Messiah, the Returning Lord, the True Parent of humanity. And to receive this blessing even though I could offer so little in return. This sums up the past 53 years of my life. However, I was deeply shaken and dumbfounded by news of the blasphemy and vandalism committed against True Father's messianic identity and status after his Cosmic Seonghwa. I spent the ten years since 2012 in shame and remorse with the heart of an unfilial son.

At the 10th anniversary of Father's Seonghwa, Jinchun Kim traveled around the country, lecturing in each district. From April 19 to 20, he educated 500 leaders from around the world in Cheongpyeong with blasphemous and anti-Providential rhetoric about Father. Hearing what he was teaching, I could no longer hold back or stay silent.

On top of that, the presentation by Myeongdae Kim, vice president of the Retired Pastors Association, at Hwasung church on November 27 truly made us doubt what we were hearing. His words were anti-Principle and anti-Providential gibberish against Father. Kim disgraced Father using absurd logic he referred to as Heavenly secrets.

Who in the Unification family ever thought such things could happen? This tragedy calls for *blood-vomiting lamentation*.

Hak Ja Han's message:

Regarding Father's words, please listen to me carefully. If you do not understand this correctly, trouble may befall you.

95% of Father's words are not true.

The OBD Hak Ja Han's real beliefs and new teachings:

- "95% of Father's words are not true."
- "True Father was born with Original Sin."
- There were dozens of candidates to be the LSA so Father was fortunate to be "chosen" by HJH at age 17.
- Mother "engrafted" Father through the holy wedding in 1960 and "forgave" his sin.
- Since Father's words were 95% false, much of the Divine Principle is also false. That is why FFWPU theologians are working on a new "Divine Principle."
- We now know that we cannot trust True Father's teachings, but we MUST trust the Only Begotten Daughter's new revelations. But don't worry, True Parents are "TOTALLY united."
