

Report from the Rocky Mountains

Sex Trafficking Victims Liberation

Now Jacob heard that the sons of Laban were saying, “Jacob has taken all that was our father’s, and from what was our father’s he has gained all this wealth.” And Jacob saw that Laban did not regard him with favor as before. Then the Lord said to Jacob, “Return to the land of your fathers and to your kindred, and I will be with you.” Gen 31:1-3

I am nothing. It is said that human history began one and a half million years ago. When the Parent has lost all His dignity and authority through our long history, to whom will He appeal about His miserable situation as a Parent in the struggle to find His lost children? Before the children come forward and resolve this, God can neither alleviate the bitter sorrow in His own heart nor remove the nail that pierces it. Who will take out that nail and liberate God’s bitter heart, which must be released with flesh and blood through the healing tears of love? We should know that God’s liberation precedes our own liberation. We should know that this is the path to the ultimate liberation sought by people of faith. SMM, CSG, Book 1: True God, Ch. 4, p. 155

Hello Richard,

In a recorded video from Colorado, Hyung Jin Nim read from Genesis 31 in which, after working for his corrupt father-in-law for 21 years, Jacob saw that Laban was looking at him in a strange way and would try to take away his family and wealth, so he quickly gathered his family to return back home to Canaan.

America has given itself over to modern-day archangelic “Uncle Laban’s,” ie. Communist China and large corporations imposing dangerous, depraved, and woke agendas.

The Left talks about love, but God defines love as sacrifice for others, not just attraction or infatuation. Satan inverts the truth, the meaning of marriage and now of gender. The LGBBTQ+ flag is the new symbol of globalist tyranny.

The promised land is where man and woman can come together to create the culture and lineage of God, a sovereignty free from the tyranny of government.

Hak Ja Han proclaimed a time of peace where she would be glorified, but instead we see globalist tyranny. Only the spirit of God can free America. We must pray for one another, strengthen our marriages, families and communities.

We should not seek to escape the tribulation, but to be victorious in the midst of it. Create a culture of self and mutual protection. Just as Jacob was ordered to return back to Canaan to take ownership, we must take ownership here in the USA, spreading the good news that God’s Kingdom is being restored.

2nd King's Report from the Rocky Mountains 6/27/2023

The trekking team valiantly trekked 18 miles over 12,500 feet elevation. They arrived at their 2nd day destination on time. Many struggled with altitude sickness, hyperventilation and cramping, but by God's grace, the heroic young men helped many of the sisters struggling even carrying their bags for miles and miles.

We emphasized very strongly at the beginning that any of the young people should not do this for their own glory, but to train in being their brother's keeper like a true Cain and true Abel. The young people truly actualized being their brother and sister's keeper as a great conditional offering to heaven, praise God Almighty!!! Tomorrow they must do 13 more miles to finish. Keep those prayers coming!!!

Liberation Declaration of Victims of Sex Trafficking by Hyung Jin Moon, 2nd King of Cheon Il Guk Cheon-gi 14, HC 5.1 (June 18, 2023)

At the beginning of human history, God intended to see the world of His original ideal of creation established in the Garden of Eden with freedom, peace, unity, and happiness. In this world, the archangels, despite their far superior power, were to serve the children of God. Tragically, though, Eve committed adultery with the Archangel Lucifer, and Adam failed to keep God's commandment not to engage in sexual relations with Eve until blessed to her in marriage by God.

As a result of the human fall, Satan came to dominate humanity in a world where centralized archangelic powers, whether governmental, religious, or financial, use artificial methods to rule over mankind, sometimes taking freedoms gradually and sometimes eliminating them by brute force. Today, we seek to establish God's Kingdom of Heaven on Earth, where the artificial structures of power, representing Satan, shall never again rule over humanity. To this end, the Tribal Messiahships must come together as one with the help of all ancestors in the spirit world.

During the ancestor liberation ceremony performed last year, I exercised my authority as the representative and heir of the returning Jesus, True Parent Sun Myung Moon, to liberate the spirits of all the babies in history who had died in the womb. Less than forty days later, the United States Supreme Court overturned a previous ruling that had allowed the murders of tens of millions of such babies over almost 50 years throughout the United States. Americans are

now fighting to save these children in the womb in state capitols nationwide. Righteous people in other countries are also working in their countries to correct satanic abortions. We praise God for these encouraging developments.

ANCESTOR LIBERATION

The Bible tells us how the evil of Satan desires to see the innocent and most sinless among a civilization killed as sacrificial offerings to himself. A society that fails to protect the life and rights of its weakest and most sinless of its citizens will degenerate into death and destruction. A child in a womb is a human being with an eternal soul with the most precious opportunity to experience life. A nation that does not protect the sanctity of life for its most vulnerable and innocent, a baby in a womb, stands under God's righteous, Holy anger and judgment.

The fight against abortion continues, and this year we add to the battle by liberating the souls of people who lost their lives in sex trafficking and pedophilia related to crimes.

Sex trafficking is a modern form of slavery. By its nature, reliable statistics are hard to find. The documentary film "Conterland" put out by Vets For Child Rescue gives some of the best information available. According to this information, some 30,000 victims of sex trafficking die each year from abuse, disease, torture, and neglect, some as young as six years old.

Pedophilia is perhaps the most pernicious form of sex trafficking. Over 71 percent of trafficked children show suicidal tendencies.

Just recently, a 17-year-old boy in the United States took his own life after being threatened into sending predators compromising photos of himself and then being unable to pay the \$1,000 the predators demanded in exchange for not exposing him.

Shame is only one of the means for sex traffickers to control their victims. Others include starvation, rape, gang rape, physical abuse, beating, confinement, forced drug use, and shame.

Each pedophile predator harms and average of 70 children, and they tend never to stop.

Trafficking victims face physical risks such as drug and alcohol addiction, sexually transmitted diseases, sterility, miscarriages, forced abortions, vaginal and anal trauma. Vets for Child Rescue is one of many organizations focused on

the mission to bring the predators to justice and to help victims rebuild their shattered lives.

Therefore, I, Hyung Jin Moon, the Crowned Successor and Representative Body of the Cosmic True Parents of Heaven and Earth and full Inheritor of the Kingship of God as the direct chosen Blood Lineage of True Father, with all the authority endowed in me by True Father--the Messiah, Lord at the Second Advent and King of Kings, hereby declare the liberation of 210 generations of all the ancestral lines in the spirit world represented here with all their faithful descendants. Further, with the authority endowed in me by True Father I declare the liberation of all people who lost their lives in sex trafficking and pedophilia related crimes to be separated from Satan's claim, and to be liberated to leave the fog-like spirit world of limbo under incessant accusation, ownership and torment by the Satanic hosts. These most innocent human spirits are now freed from their unacknowledged place of being forgotten souls, to those who are remembered and named to enter into the presence of the King of Kings in Heaven and to never again be under the dominion and slavery of Satan and his hosts.

These ancestors and the millions of forgotten spirits will unite with God in the spirit world and the Kingship of God in the physical world to bring about the purging of Satan's authority over this world and to bring about the Kingdom of God "on earth as it is in Heaven."

Satan attacks most ferociously when he is at the brink of defeat. Whatever his attack, the world and the entire cosmic realm stand at this "end of days," to witness and endure the "last persecution of the righteous" and to finally witness the actual coming of the Kingdom of God on earth.

There is no salvation apart from Christ and today there is celebration in the spirit world as 210 generations of ancestors together with the liberated victims of sex trafficking crimes return to our True Father in Heaven who is also in our midst at this exact moment in time. The liberated spirits stand as a spiritual army of God to work with God's people, to glorify the King of Kings and to prepare the way for His Kingdom of Freedom and Responsibility, The Kingdom of God, Cheon-Il Guk, that is quickly coming to this world! AJU AJU AJU!

President Trump is right about the Communists in America. Justin Moon on AMERICA First

Who, really, was Sun Myung Moon, the Korean spiritual leader seen by his followers as the returning messiah? And what was his motive for spending billions in the late 20th century on a secular media empire that included The Washington Times? My meetings with him, few and brief though they were, reinforced a conclusion reached as a “participant-observer” in his media companies from 1976 to early 2013: Sun Myung Moon understood the media challenge in the United States in ways his disciples whom he charged with running those newspapers struggled to grasp. It

certainly went far beyond an exercise in large-scale public relations for a new religion. What he envisioned was much more profound. After all it was the post-World War II mass media that had redefined reality for billions of people worldwide in ways that excluded God and the essence of Judeo-Christianity. This book makes no effort to proselytize or persuade in matters of faith and Divine intervention. Such for each individual is the most personal, precious and essential knowledge. No, this is simply a record what I, a journalist, saw at the "Second Coming."
