

21 Trekkers Rocky Mountain Victory!

The SOUND of FREEDOM

Now faith is the assurance of things hoped for, the conviction of things not seen. 2 For by it the people of old received their commendation. 3 By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible. Hebrews 11:1-3

*If you want to become pure gold, you have to go to the furnace and be refined. There is no other way to do it. All of you will have to go to that refinery. Be persecuted and overcome it... If I am sad, I know God is sad too; therefore I try never to be sad. **SMM, Our Ideal Home: Part Two, June 26, 1983***

Hello Richard,

We all know that the Independence Day we celebrate each year on July 4 did not come without sacrifice and hardship. That is why the 2nd King is training our 2nd and 3rd Generation to be ready for the challenges that may come as God's Kingdom unfolds in a hostile world.

At the beginning of the service, Hyung Jin Nim invited the 21 trekkers who participated in the Colorado hiking trip to come to the front of Welcome Center. They climbed one of the most difficult mountains in the continental United States, about 14,000 feet, where it is snowing on top, [section 8](#) and [section 9](#) on the Rocky Mountain trail. They walked 80 kilometers of what could be called the "American Himalayas."

It was a challenge to survive for 3 days. Cougars and bears live there. The leading cause of death is hypothermia. At that height there are no trees. The oxygen is so thin that it is difficult to breathe, so people bring oxygen bottles.

Before they left, he told them: It is life and death up there. You are not going out for your own glory. Have the mindset of being your brother's keeper. Cain should have wanted to protect his brother. We have the example of the true historical Cain in Kook Jin Nim, who, when True Father anointed his youngest brother as heir and successor, chose to help him instead of being resentful or jealous.

Sanctuary Service 7/2/2023

Hyung Jin Nim trained the brothers to take care of the sisters. One sister passed out. Brothers gave their own oxygen cans and carried the packs of several sisters. The sisters could see why it is important to have strong, honorable, Christ-like men.

There was a moment when some of the girls wanted to stop, and abandon the climb, but Victor Moon said “we will stay together and finish together, no matter what.” The spirit changed after that.

On the last day, they walked 16 hours, finishing the 38 miles trip to the goal point at Timberlaine lake at 11:45pm, finishing in 3 days. They showed total unity with True Father and the providence. Aboji, Kamsahammeda. God gave the sisters power despite their physical limitations!

Since True Father exemplified the example of having dominion over the environment, next year they will train by going scuba diving in Florida. They will ride on the motor bikes there and back from Cheongpyeong.

He concluded the sermon by discussing the passage in Proverbs 8 in which

wisdom is pictured as a woman who speaks “noble things” and “utters truth.” Some feminist scholars envision her as equal and even greater than God, but Proverbs 8:22 states, “The Lord possessed me at the beginning of his work, the first of his acts of old.” So wisdom is pictured, not as young, voluptuous woman, but a wise, old woman, who honors God the creator. You could say that she is like True Mother Kang, a wise, old woman, gave up everything to follow True Father. She risked her life at the age of 90 by going against the doctor’s warning that it could be dangerous to travel to America. She did not waver in her love for Christ!

Before the sermon, Gregg Noll announced a Matching and Blessing WS on July 7 at 6pm via zoom. Contact doritsmith7@gmail.com to participate.

Second, Hyung Jin Nim is urging brothers and sisters to watch the Sound of Freedom movie showing this week around the country. It is the true story of Tim Ballard, who resigned from his job at the Dept. of Homeland Security arresting users of child pornography in the U.S. to rescue the children who were being sex trafficked. Go to [Sound of Freedom Showings](#) to see where the movie is showing in your area. Gregg also spoke about OSDP online Zoom Class starting July 14. Liberation Declaration of Victims of Sex Trafficking by Hyung Jin Moon, 2nd King of Cheon Il Guk Cheon-gi 14, HC 5.1 (June 18, 2023)

At the beginning of human history, God intended to see the world of His original ideal of creation established in the Garden of Eden with freedom, peace, unity, and happiness. In this world, the archangels, despite their far superior power, were to serve the children of God. Tragically, though, Eve committed adultery with the Archangel Lucifer, and Adam failed to keep God's commandment not to engage in sexual relations with Eve until blessed to her in marriage by God.

As a result of the human fall, Satan came to dominate humanity in a world where centralized archangelic powers, whether governmental, religious, or financial, use artificial methods to rule over mankind, sometimes taking freedoms gradually and sometimes eliminating them by brute force. Today, we seek to establish God's Kingdom of Heaven on Earth, where the artificial structures of power, representing Satan, shall never again rule over humanity. To this end, the Tribal Messiahships must come together as one with the help of all ancestors in the spirit world....

Therefore, I, Hyung Jin Moon, the Crowned Successor and Representative Body of the Cosmic True Parents of Heaven and Earth and full Inheritor of the Kingship of God as the direct chosen Blood Lineage of True Father, with all the authority endowed in me by True Father--the Messiah, Lord at the Second Advent and King of Kings, hereby declare the liberation of 210 generations of all the ancestral lines in the spirit world represented here with all their faithful descendants. Further, with the authority endowed in me by True Father I declare the liberation of all people who lost their lives in sex trafficking and pedophilia related crimes to be separated from Satan's claim, and to be liberated to leave the fog-like spirit world of limbo under incessant accusation, ownership and torment by the Satanic hosts. These most innocent human spirits are now freed from their unacknowledged place of being forgotten souls, to those who are remembered and named to enter into the presence of the King of Kings in Heaven and to never again be under the dominion and slavery of Satan and his hosts.

These ancestors and the millions of forgotten spirits will unite with God in the spirit world and the Kingship of God in the physical world to bring about the purging of Satan's authority over this world and to bring about the Kingdom of God "on earth as it is in Heaven."

Satan attacks most ferociously when he is at the brink of defeat. Whatever his attack, the world and the entire cosmic realm stand at this "end of days," to witness and endure the "last persecution of the righteous" and to finally witness the actual coming of the Kingdom of God on earth.

There is no salvation apart from Christ and today there is celebration in the spirit world as 210 generations of ancestors together with the liberated victims of sex trafficking crimes return to our True Father in Heaven who is also in our midst at this exact moment in time. The liberated spirits stand as a spiritual army of God to work with God's people, to glorify the King of Kings and to prepare the way for His Kingdom of Freedom and Responsibility, The Kingdom of God, Cheon-Il Guk, that is quickly coming to this world! AJU AJU AJU!

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
