

ANOINTED, but Not Predestined

#1 in America

*And he called to him his twelve disciples and gave them authority over unclean spirits, to cast them out, and to heal every disease and every affliction. The names of the twelve apostles are these: first, Simon, who is called Peter, and Andrew his brother; James the son of Zebedee, and John his brother; Philip and Bartholomew; Thomas and Matthew the tax collector; James the son of Alphaeus, and Thaddaeus; Simon the Zealot, and Judas Iscariot, who betrayed him. **Matthew 10:1-8***

If God existed without an object to hear Him or see Him, without any object to relate to, He would be isolated. He would be without the interaction that characterizes all things in existence. But if God does have an object and moves in relation to it, then He is comprehensible. He is consistent with the image of Himself written into His work of creation.

God cannot fulfill His ideal if He exists or works alone, Let us consider, then, what or who His object might be. There must be a point of convergence where God's purpose and man's purpose meet. There must be a place where they can find greater mutual advantage in uniting. Since God created man as His highest object, man had to be created with the desire to reach that highest position. That desire operates through the conscience of man...

*This is man's innate nature -- to monopolize God. **SMM, One God, One World Religion, March, 1972***

Hello Richard,

Hyung Jin Nim started the service by praising the 21 Rocky Mountain trekkers who climbed 12,500 feet completing 40 miles - a tremendous victory.

Then he spoke about Matthew 10, where we see that Judas like the other 11 disciples received power and authority to heal the sick and raise the dead. Then in Matthew 19:27-30 Jesus prophesied that the 12 disciples would sit on twelve thrones judging the twelve tribes of Israel.

Was Judas predestined to betray Jesus? If so, why did Jesus give him authority and power and say that his name was written in heaven? Jesus went on the cross for the worst sinners, including Judas. It shows the reality of free will. Was Judas in a state of grace (saved) when Jesus gave these blessings? Yes.

Sanctuary Service 7/9/2023

Judas walked away from his salvation by his own volition. Is Satan under God's anointing. Are those controlled by Satan under God's anointing? No, but their loss of God's blessing was due to their own freely chosen actions.

The Han Mother walked away from True Father's anointing. There are critics who claim they know her better than he does. Did they have conversations with her like he did, when he begged her not to betray Father? She used her vast wealth to sue the small Sanctuary ministry. God loves us enough that He respects the choices we have made.

10 years ago he made a list of her claims which have proved to be even worse than he stated at the time. True Father did the same crowning of Hyung Jin Nim three times. God's Kingdom is not about money. Lineage does not change. The value of the Constitution, freedom, armed society, and limited government do not change.

Since the future does not yet exist, there is nothing to know about it. These prophecies can be reconciled in the future that is presently unknown.

Free will is essential for a stable society, for real love relationships. Since God allowed the serpent to go around the garden, it means that free will and choice will exist in the millennial kingdom.

God gave these blessings to His children over all things in heaven and earth. Satan continues to rebel. It shows the reality of free will through which we actualize the blessing and reciprocate love with God. Even though we have been saved and blessed, we still need to train, to do spiritual warfare, and exercise power over principalities. We have to willingly choose to love God.

The faithful are anointed, but not predestined. It is up to them to fulfill their God-given purpose.

If America falls, then political satanism will solidify control of the world. Be vigilant and courageous, stand with God. Our moral choices have future repercussions. We often feel helpless, like watching a train crash in slow motion, but God's blessings remain true for us today. Sow good fruit for the future!

Hyung Jin Nim continues to urge brothers and sisters to watch the *Sound of Freedom* movie showing around the country, which was [number one in the country](#)! It is the true story of Tim Ballard, who resigned from his job at the Dept. of Homeland Security arresting users of child pornography in the U.S. to rescue the children who were being sex trafficked. "Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
