

LOVE of the Father

Sit on the Throne, or Satan Will

*As the Father has loved me, so have I loved you. Abide in my love. If you keep my commandments, you will abide in my love, just as I have kept my Father's commandments and abide in his love. These things I have spoken to you, that my joy may be in you, and that your joy may be full. "This is my commandment, that you love one another as I have loved you. Greater love has no one than this, that someone lay down his life for his friends. **John 15:9-12***

*The person who lives for the sake of the whole world is welcomed in any place and has unlimited freedom of movement around the world. However, if a person wants to live in a small, self-centered way, all the other elements of the universe will wish him ill. **SMM, The Deep Desire Of Our Original Nature, February 14, 1982***

Hello Richard,

Hyung Jin Nim started the Sunday Service by discussing the passage in 1 Cor 13, and how love is interpreted as just being feelings. But feelings always change. The masculine view of God's love is more focused on a vertical perspective that is ready to take action on behalf of others.

Pain is sometimes needed to accomplish good things. The Agape, the shepherd's love is the Father's love.

A boy who goes hunting with his father will be chastised if he points the rifle in the wrong direction. Young men need training in order to learn to control their emotions.

The context of sacrificial love is the blood shed by the father. As Jesus said, “I lay down my life. I lay it down of myself.” There are some things in the world that are worth more than the continuation of physical life. The Father’s Will is more important than what I want.

Trump is on the verge of his 3rd indictment while Hunter Biden gets away with multi-million dollar payments from front companies for foreign governments seeking to influence U.S. policies. The Biden administration is seeking to imprison the leading candidate of the opposition party. That is what 3rd world countries do. Trump is not perfect, but he has the will to overcome injustice no matter what the cost. He wants America to remain free. Every time he gets indicted, he gets stronger.

America is in great danger. If America does not have that strong masculine love willing to risk its life, it will decline like other countries that have lost many of their freedoms. Free will is real. Which will it choose?

As Winston Churchill said, "America always does the right thing, after trying everything else."

Fatherly love is about protecting the gift of freedom given to us by God. The red in the USA flag represents the shedding of blood. Without that, our nation will no longer exist as a free nation.

The blood-soaked love of Christ saves civilizations. We need to regain the character of the shepherd, who always carries a rod or a staff, ready to confront lions. The shepherd is ready to push the hooked staff down the throat of the lion, making it gag and retreat. Socialists seek to monopolize power by disarming the population. We should say, "God, I want to stand up for you. I don't want to disappoint You!"

This is an energizing time. It's scary, but exciting and epic. Run for public office. Do something you've never done before. If we don't sit on the throne, then Satan will.

Miho's Testimony about HDK and the Blessing

Every morning in East Garden True Father used to wake up at 4am. He did stretching exercises and then sat at his desk and read letters and reports from church leaders. Then at 5am he joined with brothers and sisters for Hook Dok Hae. Now the 2nd King continues this tradition every morning, reading True Father's words in Korean. He began this 2 and a half years ago.

Despite our limited Korean, Richard and I have been joining most mornings. In the beginning we struggled to read, but we are slowly getting better, with Tim Elder's suggestions about correct pronunciation!

Building Cheon Il Guk is like putting together a puzzle. Each piece is important no matter how small. In any case I feel this is a condition for Father's words to cover the world!

When I arrived at Cheongpyeong last Saturday night the Welcome Center was so beautifully decorated for the Blessing the next day. There were Blessing candidates from Germany, England, France, Japan, Korea and several states in the USA. In addition, several couples joined via Internet.

During his sermon the 2nd King was inspired to give guidance about how to take care of your spouse. He commented that all of the couples were international. I felt that in the spirit world True Father was so happy and that more Blessings would soon spread throughout the world!

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
