

2nd King's VICTORIOUS KOREAN VISIT!

The Queen Who Risked Her Life

Save me, O God! For the waters have come up to my neck. I sink in deep mire, where there is no foothold; I have come into deep waters, and the flood sweeps over me. I am weary with my crying out; my throat is parched. My eyes grow dim with waiting for my God. More in number than the hairs of my head are those who hate me without cause; mighty are those who would destroy me, those who attack me with lies. What I did not steal must I now restore? O God, you know my folly; the wrongs I have done are not hidden from you. Let not those who hope in you be put to shame through me, O

*Lord God of hosts; let not those who seek you be brought to dishonor through me, O God of Israel. **Psalm 69:1-6***

You are proof of my intentions because you were part of that crumbling civilization at one time, but today you are America's only hope. You are people of vision. People will see that you were gathered together by the power of God to save this country, not destroy it. Right now they are afraid and feel threatened, but soon Americans will have to welcome you because they will see that there is no other alternative remaining to revive this nation.
SMM, "Day of All Things," May 31, 1984

Hello Richard,
Jim Stephens spoke about FFWPU leader [Robert Kittel's revisionist DP lecture](#) which redefines basic teachings such as the Fall, revealing a new Hanist religion. We then watched a video of highlights from Hyung Jin Nim's Speech in Yeosu, Korea.

We are living in a time akin to the time of Esther, a young Jewish woman living in the Persian diaspora who finds favor with the king, and becomes queen. She risks her life to save the Jewish people from destruction when the court official Haman persuades the king to authorize a [pogrom](#) against all the Jews of the empire. We are all called to speak out and testify against the attacks on people of faith and against freedom in the U.S.A. and around the world.

Fifty years ago, True Father gave sincere effort to support President Nixon whom [Tucker Carlson reports was likely removed from office by the CIA](#). Nearly all of those who broke in at the Watergate hotel were CIA members. They eliminated the most popular president and before him, Pres. John F. Kennedy.

Ten years later True Father had to go to Danbury prison. He told President George H.W. Bush, who was part of the CIA, that he was the “king of Satan’s world.” Father sacrificed church development to try to save the nation, and the world.

Intelligence agencies in the UK, Australia, etc. collaborated with the CIA to illegally wiretap Trump’s organizations before, during and after the 2016 election. Now through “lawfare” of 7 different prosecutions they are trying to take away his businesses and put him in prison for life. Trump continues to hold rallies around the country. They will start to see large groups of Asians showing up (the Moonies) to show their support.

At least [7 million have illegally entered the U.S.](#) under President Biden. This is a scheme to permanently assure the dominance of the Democrats in future elections.

President Trump has been required by Judge Merchan to attend every day of his jury trial in NYC, but last week after the trial, [he went out to speak outside a bodega in Harlem](#). There seems to be increasing support for his campaign among Blacks and Hispanics. The more he speaks in public, the more risk of assassination attempts, but he doesn't care.

The struggle in the Macro follows the struggle in the Micro. Do those supporting Hak Ja Han really love her? Or are they just using her?

Without God, everyone will just pursue their own interests and pleasure. God commands us to forgive one another. Matt 5 if you fight with another believer, forgive each other. It's important to participate and invest in a community of believers.

True Father is sitting on the throne of God. Hyung Jin Nim urged all blessed families to make efforts to put Trump back in the White House. Push back the Chinese Communist Party which is orchestrating many of the actions of the current President of the United States. Even if we die, we still must do our responsibility!

True Father Prepared Hyung Jin Nim as his Successor

by Jim Stephens

This article will present the evidence that I can clearly see

which shows that True Father trained and prepared Hyung Jin Nim as his heir and successor.

Just as Jesus knew that Peter would deny him three times before the rooster crowed, True Father could foresee that Hyun Jin (Preston) and then later Hak Ja Han were going to betray him.

True Father knew all his life by the Principle of Creation that he had to establish God's lineage on the earth in order to build the Kingdom of God.

He spoke extensively about "love, life, and lineage." Therefore he knew that he had to have a lineage and thus a successor to carry on after he passed to the Spirit World.

After the many failures of a long line of John the Baptist figures, True Father must have realized that God's Kingdom was not going to be established during his physical lifetime.

The Divine Principle explains that on the third attempt at a providential victory there is the condition for an extension through three generations. An example is that Abraham, Isaac, and Jacob are considered to be one in God's Providence. True Father needed to find his successor from among his sons. That son must necessarily be totally united with him. And further, True Father needed a Third Generation male from that son's lineage.

True Father was surely watching all his sons very carefully. He gave some provisional anointing to Hyun Jin (Preston) using the title of Fourth Adam, but it was not the official succession. Later he anointed three brothers to different areas/responsibilities of the world church (Hyun Jin - America, Kook Jin - Japan, and Hyung Jin - Korea). He was watching to see who he could count on.

Around the end of the 1990's or early 2000's, True Father realized that Hyun Jin was going his own way and would not follow True Father's directions. (see his words to Mr. Kamiyama) The break became totally public in 2009 with separation, dueling over church assets, and lawsuits being filed. Therefore, Father's focus turned exclusively to Hyung Jin Nim who was already serving as the International President and by now the publicly announced and anointed heir and successor by three crowning ceremonies.

Here are some examples of how True Father was raising up Hyung Jin Nim and training him to lead the Providence.

Woke Hanism Contradicts DP!

by Peter Daly

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new '[Only Begotten Daughter' theology](#). He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as Robert Kittel states, then how could a perfect woman fall?
