OPPOSING the Marxist Green Agenda

“Give attention to me, my people, and give ear to me, my nation; for a law will go out from me, and I will set my justice for a light to the peoples. My righteousness draws near, my salvation has gone out, and my arms will judge the peoples; the coastlands hope for me, and for my arm they wait. Lift up your eyes to the heavens, and look at the earth beneath; for the heavens vanish like smoke, the earth will wear out like a garment, and they who dwell in it will die in like manner; but my salvation will be forever, and my righteousness will never

*I found out a long time ago that nothing can be gained by complaining so I have never complained, even when God was very cruel to me. I have always been thankful because if God was cruel it was actually a manifestation of His love. God tested me in an extraordinary way, wanting me to pass the test so He could give a special, extraordinary love. Therefore, you must even live as though today were your final day. **SMM, “Core of Unification, October 9, 1977***

Hello Richard,

Hyung Jin Nim started the service by talking about how True Father knew that Shin Joon nim would be the right person to lead in the next generation. In Japan and Korea, so many brothers and sisters are coming back. They realized that Hyung Jin Nim and Kook Jin Nim did not pursue money or power, but just sought to honor True Father. Metanoia means turning of the heart and mind.

The UN and the global elites are seeking to undermine and overthrow America. The White House is seeking to imprison the leader of the opposition party, Donald Trump. They are accusing him of running a criminal conspiracy, which is actually what they are guilty of.

We now know that classified documents that were in DC were sent to Trump’s home in Florida and then charged him with illegally holding those! James O’Keefe exposed corrupt officials in the [CIA talking about withholding information from Trump](#) while he was president.

True Father opposed the wars in the Middle East. [Rolling Stone recently wrote about his role in "Climate Change denial"](#) aka opposing the Marxist Green agenda. Hyung Jin Nim commented “CO2 is food for plants. The more CO2 the faster plants will grow.”

Fauci’s Covid policies revealed the real face of totalitarianism and led to 80 million Covid deaths. The lockdowns led to starvation in many nations. Cruel policies including stopping people from seeing their dying parents.

True Father called Communism “political satanism.” They feared him because he had the power and authority of God. The American people need to realize that just because you voted for the government does not mean it is your friend.

[Tucker Carlson interviewed a Russian philosopher Aleksandr Dugan](#), whose books are banned in the U.S. Dugan describes liberalism as a rebellion, first against the Roman Catholic Church, leading to the Protestant Reformation. Now liberalism is overthrowing Protestantism. We now want to have the rule of the majority, and then the cult of the minority, which is funded to support leftist parties and sexual minorities and perversion, Drag Queen Story Hour, and porn in the school libraries. It has come to normalize Minor Attracted Persons Syndrome (MAPS) pedophiles and other gender minorities. Now we must endorse subjective identities instead of honoring God and the body God gave to you. In reality the norm is the binary of male and female. Intersex is something that went wrong. .03% an exception does not change the norm. You will never be able to change this fundamental reality.

The Unification Church is the only one in the world that since 1940 has said the Fall was sexual. His professor at Harvard said UC is the fastest growing religion in the world. It developed a systematic theology within 20 years. It took Christianity 800 years to do that.

In Hebrews 10 St. Paul asks why does God have to punish sin? If you love marriage you must hate adultery. If you love children, you must hate pedophilia. God loves goodness, so He hates sin.

Citizens should have the right to self-defense through having the rod of iron in every nation. The rod and staff are to beat Satan. We love everyone and pray for them, but should not allow them to commit evil. God has to punish and judge sins because He is good and just. It is not in His nature to lie or steal. Messiah was to establish Kingdom on Earth. Jesus taught us to pray for the Kingdom to come on earth every day.

We will rule with him. The Greek word poimano means to “shepherd.” God’s sovereignty must be restored in the physical realm, what Adam and Eve were to enjoy, free from oppression, but still responsible. An armed Christian society is based on loving and protecting your neighbor, even if you don’t like them.

Communism means centralized government bureaucrats who can do whatever they want. The police did not protect Jewish students from professional agitators. Legislation passed in Congress bans antisemitic language too broadly. Parts of the Bible could be labeled as antisemitic.

Don't be afraid of going to prison. Pray to free the 1.4 billion people in China from the Communist Party! Believe it or not, Christianity is booming in China. The CCP banned Hyung Jin Nim, but he looks forward to returning there to witness. Imagine Asia embracing freedom and responsibility!

All the young people should do hard Peace Police Peace Militia training to learn discipline and self-control. Train with your spouse and each of your children. Each is unique. Patiently evangelize when they are older and asking questions.

True Father was patient when Hyung Jin Nim was studying Buddhism. He had confidence that Hyung Jin Nim would explore theology and apologetics and eventually come back to Divine Principle.

Hyung Jin Nim gave his children “breathing room” to take a break from rituals when needed. We care about the heart and relationship with Jesus and True Father. Prepare to talk with your children by knowing apologetics.

True Father Prepared Hyung Jin Nim as his Successor

by Jim Stephens

This article will present the evidence that I can clearly see which shows that True Father trained and prepared Hyung Jin Nim as his heir and successor.

Just as Jesus knew that Peter would deny him three times before the rooster crowed, True Father could foresee that Hyun Jin (Preston) and then later Hak Ja Han were going to betray him.

True Father knew all his life by the Principle of Creation that he had to establish God's lineage on the earth in order to build the Kingdom of God.

He spoke extensively about "love, life, and lineage." Therefore he knew that he had to have a lineage and thus a successor to carry on after he passed to the Spirit World.

After the many failures of a long line of John the Baptist figures, True Father must have realized that God's Kingdom was not going to be established during his physical lifetime.

Woke Hanism Contradicts DP!

by Peter Daly

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new '[Only Begotten Daughter](#)' theology. He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as Robert Kittel states, then how could a perfect woman fall?

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
