

Be STILL, and Know That I Am God

Divine Principle Lecture by 3rd King

Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth. Psalm 46:10

The ideal is not just for ourselves and our own sake but for the sake of the nation and the world. This is not just our concept. This is God's concept. This is the entire spirit world's concept. In other words, this is a common goal.

Sun Myung Moon Speaks to the 2100 Couples, July 2, 1982

Hello Richard,
Hyung Jin Nim started the sermon by talking about the King Bullethead raps. "Too Big to Rig" rap posted on a Christian HipHop channel. They are actually rap sermons.

The BBC special will come out in September or October. It is somewhat like the VICE documentary in that it doesn't seem to be just a hit piece. They asked why there are there so many attacks against Sanctuary Church? *Rolling Stone* magazine recently attacked True Father, who passed on more than a decade ago, as a leading Climate Change denier. It seems like they just can't get him out of their minds!

As we grow, anti-communism grows. As we grow, armed citizenry grows. We are not just brides waiting for the bridegroom to come. The culture of the Father is back! Radical Islam cannot grow versus the Father's culture. We are beyond the time of begging God to come. It's the time of living with the Father.

Given the reality of female fertility it's important for women especially to invest their fertility years between 20 and 40 in having and raising children.

As stated in Deuteronomy 29 worshipping other gods led to God's judgment.

Korean Confucian culture emphasizes actions to show the mother's love through making a lunch box, even if your son is a grown man.

Christians have allowed the fallen government to become a god. Western culture has lost its commitment to tribe and nation. It prioritizes relationships, but have forgotten the vertical relationship. We need to talk about faith with our children and create an environment where they can ask questions.

The younger generations have to decide to hold the father's house and to fight the monsters of their fathers. There was a study of gay men in Korea by Dr. Lee who treated 70,000 gay patients. The "Top" men who are dominant amount to 10-20%. The bottom boys are acting like females trying to have sex with Alpha men. The sexual abuse of boys is underestimated.

Note: The Department of Justice report on child sexual exploitation explains why the percentage of boy victims is underestimated: "Adolescent boy victims are highly likely to deny certain types of sexual activity. . . They are embarrassed and ashamed of their behavior and rightfully believe that society will not understand their victimization. . . .No matter what the investigator does, most adolescent boys will deny they were victims." ("Understanding and Investigating Child Sexual Exploitation," (U.S. Department of Justice, Office of Justice Programs, 1997), p. 12.)

We see Trans men who dress in women's lingerie, doing stripper dances, taking on the culture of fallen women. Then you have rebellious women who take charge and subjugate men. You can see the video of Kamala Harris with a man with a full beard in a dress. America's enemies are laughing. This is a dangerous time.

Women should appreciate men who build things such as roads, farms, toilets, AC, etc., but many boys are just into entertainment, games, porn, instead of learning skills.

America has adopted a child-centered, entertainment approach to education.

Instead, we need to adopt “skill-centric” education. Transfer interest and skills to your children. Call “chores” skills instead.

A King should learn to love hard-working people who get their hands dirty, even felons, not just the wealthy and the ruling class. Rich girls are the worst. Importance of hard training for both boys and girls.

The Globalists are pulling out all stops to destroy America. The Supreme Court overturned the obstruction charge for J6 prisoners.

We need to come back to the returning Christ’s culture, with strong boundaries. Trump represents us. If they can imprison the most famous man in the world today, they can imprison any of us.

They put Father in prison for failing to pay \$7K in taxes. We have to have faith that we can turn the world around. Either way, in blessing or judgment, God’s Kingdom is coming.

We are grateful whether things are going well or difficult. Stop worrying. As is said in Psalm 46:10: Be still and know that I am God.

True Father Prepared Hyung Jin Nim as his Successor

by Jim Stephens

This article will present the evidence that I can clearly see which shows that True Father trained and prepared Hyung Jin Nim as his heir and successor.

Just as Jesus knew that Peter would deny him three times before the rooster crowed, True Father could foresee that Hyun Jin (Preston) and then later Hak Ja Han were going to betray him.

True Father knew all his life by the Principle of Creation that he had to establish God's lineage on the earth in order to build the Kingdom of God.

He spoke extensively about "love, life, and lineage." Therefore he knew that he had to have a lineage and thus a successor to carry on after he passed to the Spirit World.

After the many failures of a long line of John the Baptist figures, True Father must have realized that God's Kingdom was not going to be established during his physical lifetime.

Woke Hanism Contradicts DP!

by Peter Daly

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new '[Only Begotten Daughter' theology](#). He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as

Robert Kittel states, then how could a perfect woman fall?
