

It Was GOD ALONE!

America Has Not Been Abandoned

*Then he presented the other ram, the ram of ordination, and Aaron and his sons laid their hands on the head of the ram. And he killed it, and Moses took some of its blood and put it on the lobe of Aaron's right ear and on the thumb of his right hand and on the big toe of his right foot. Then he presented Aaron's sons, and Moses put some of the blood on the lobes of their right ears and on the thumbs of their right hands and on the big toes of their right feet. And Moses threw the blood against the sides of the altar. **Leviticus 8:22-24***

There is nothing wrong with wanting to be independent, since you have your own direction and goal to return to that first cause. As long as that is the motivation of your desire for independence, it is justifiable. It is all right to seek to be left alone in order to go back to your cause. **SMM, The Secret of Total Success, Dec. 19, 1982**

Hello Richard,
As Sunday's service we watched a pre-recorded video of Hyung Jin Nim reporting from Lake Michigan, where he and his team were demonstrating in support of President Trump with the "Trump truck."

He started by reading from Psalm 73 about the wicked, political forces who mock God and then spoke about President Trump's incredible nomination speech. If he had turned his head to the left at the rally in Butler, PA, he would have immediately died. Instead, he turned to the right, saving his life. He said, "this was an act of God!" The globalists want to strike fear into all of us so that we do not speak out.

The bullet hit Trump's right ear. In the Bible, the concept of blood on the right ear (Leviticus 8:22-24 and 14:28) serves as a visible mark of consecration, signifying that the person is dedicated to God's service and has been set apart for a specific purpose. This act represents a physical and spiritual transformation, preparing the individual for their sacred role. Here's a breakdown of the significance:

Right ear: The right ear represents hearing and obedience. In ancient times, the right ear was considered the most important ear, as it was the ear that heard the words of God.

Blood: Blood represents life, sacrifice, and atonement. In this context, the blood is a symbol of purification and consecration.

Consecration: Consecration means to set something or someone apart for a specific purpose, making it holy and dedicated to God. In this case, the blood on the right ear signifies that the person is being set apart for a sacred task or role.

Priestly consecration: In Leviticus 8, the blood is applied to the right ear of Aaron and his sons, consecrating them as priests. This act sets them apart as mediators between God and the people.

Purification: In Leviticus 14, the blood is applied to the right ear of the person being cleansed, symbolizing their purification and restoration to the community.

Craig Sawyer says there is no way that a “person of interest” could walk around for an hour at a presidential candidate’s rally without being interrogated and stopped.

President Trump raising his fist and shouting “Fight, fight, fight!” showed incredible courage and perseverance. That he was spared shows that God has not given up on America and the Free World. Pray for the MAGA tour, and for President Trump. There many things they could still do to attack him.

Hyung Jin Nim then led us in contemplative prayer- “I am alive.” “Thank you, Father!” “I am alive!” “By the grace of God!” Thank you for this unbelievable miracle seen by the whole world! He has been chosen by You, to stand up for Your Kingdom, for freedoms that come from You.

True Father Prepared Hyung Jin Nim as his Successor

by Jim Stephens

This article will present the evidence that I can clearly see which shows that True Father trained and prepared Hyung Jin Nim as his heir and successor.

Just as Jesus knew that Peter would deny him three times before the rooster crowed, True Father could foresee that Hyun Jin (Preston) and then later Hak Ja Han were going to betray him.

True Father knew all his life by the Principle of Creation that he had to establish God's lineage on the earth in order to build the Kingdom of God.

He spoke extensively about "love, life, and lineage." Therefore he knew that he had to have a lineage and thus a successor to carry on after he passed to the Spirit World.

After the many failures of a long line of John the Baptist figures, True Father must have realized that God's Kingdom was not going to be established during his physical lifetime.

Woke Hanism Contradicts DP!

by Peter Daly

FFWPU lecturer Robert Kittel gave a presentation explaining Hak Ja Han's new '[Only Begotten Daughter' theology](#). He said that in the Divine Principle, the Tree of Life means Perfect Adam, and so the Tree of the Knowledge of Good and Evil means Perfect Eve. He said that when he joined the church in 1975 he was taught wrongly that the Tree of Knowledge of Good and Evil means immature Eve before the Fall.

His claim is wrong according to the Divine Principle because, throughout all the time when Father was alive, the Tree of Knowledge of Good and Evil was always understood to be immature Eve before the Fall, 'Good and Evil' indicating the two possible ways she could have gone.

In any case, the Tree of Life only meant Adam in perfection and we know he never reached perfection, so clearly the Tree of Knowledge of Good and Evil standing next to the Tree of Life meant immature Eve. If it was perfect Eve, as Robert Kittel states, then how could a perfect woman fall?
