

Voluntary SUBMISSION to GOD

Our Father is on the Throne

There is none like you among the gods, O Lord, nor are there any works like yours. All the nations you have made shall come and worship before you, O Lord, and shall glorify your name. For you are great and do wondrous things; you alone are God. Teach me your way, O Lord, that I may walk in your truth; unite my heart to fear your name. I give thanks to you, O Lord my God, with my whole heart, and I will glorify your name

forever. For great is your steadfast love toward me; you have delivered my soul from the depths of Sheol. ***Psalm 86:8-13***

If you are trying to find love, you are misguided. You cannot "find" love. It goes against the process of the law of creation to look for love. You have to invest yourself first. Have you done that? Have you poured your love into your spouse? Love is bound to come back to you as much as you have poured your life into the other. When that happens, love starts coming back. **SMM, The Will and I, April 1, 1988**

Hello Richard,
Hyung Jin Nim just returned from the Trump rally in Atlanta. Despite the sweltering heat, the tens of thousands who came had a very high spirit. There were miles of cars on the road to the Trump rally.

He spoke about the stolen election by the Communist leader Nicolás Maduro in Venezuela, which the Biden administration hypocritically condemned, given the election fraud that took place here in America in 2020.

He also commented about the [new James O'Keefe video about fake donations being given to the leftwing group, ActBlue](#). Fifteen million immigrants have entered the U.S. illegally during the past three years who could be voting and changing the outcome in the November election.

He also spoke about an interview with an ex-sniper and special ops expert about the attempted assassination of President Trump. It is suspicious that the 20-year-old shooter had 3 encrypted international bank accounts.

President Trump was the recipient of a terrorist attack, but God protected him. Even secular people acknowledge that Trump's survival was a miracle and that this movement was supernaturally led. We have to pray for him and for the November election.

As America declines, China states it is seeking to bring justice to the world, hiding their true identity. The corrupted Dominion machines have not been removed. Only God's intervention can change the outcome.

3rd King's DP Lecture

Father has proven that he is on the throne. These are dangerous, but supernatural times. The Kingdom is coming, whether speedily, or through delayed suffering.

If patriots have false hope, we will be defeated. Elie Weisel in his book wrote about Nazi strategy in the concentration camp was to give false hope that would prove to be false and then demoralize the prisoners.

We have hope because of God. Ultimately, it's up to Father's will. We each have to make our own voluntary submission.

He then led us in contemplative prayer while reading Psalm 86.
