

God's PROTECTION of America

Make America GODLY Again! Trump Rallies

If it had not been the Lord who was on our side— let Israel now say— if it had not been the Lord who was on our side when people rose up against us, then they would have swallowed us up alive, when their anger was kindled against us; then the flood would have swept us away, the torrent would have gone over us; then over us would have gone the raging waters. Blessed be the Lord, who has not given us as prey to their teeth! We have escaped like a bird from the snare of the fowlers; the

snare is broken, and we have escaped! Our help is in the name of the Lord, who made heaven and earth. **Psalms 124**

No matter how wise a person you may be, you could never duplicate even one small thing which God has created. **SMM, The Secret of Total Success, December 19, 1982**

Hello Richard,
For the Sunday Service, Hyung Jin Nim shared a recorded video message from Wilmington, North Carolina where he was preparing to meet with those attending the Trump rally later that day. He discussed the 2nd attempt on Trump's life at the golf course in Mar a lago. It is reminiscent of the Deep State assassination attempts against John Kennedy, Ronald Reagan, etc.

Many people coming to the Trump rallies for the first time. God's will is enacted through imperfect people. King Cyrus of Persia and Samson are two examples.

60,000 showed up at the Uniondale NY rally on September 18 even though only 16,000 could enter. Trump is willing to risk his life to save America. It is such an epic time to be alive! God saved Trump's life.

The Biden/Harris regime wants us to forget the treatment of Jan. 6 prisoners, the killing of Ashli Babbitt on that day and the harsh sentences given to many of them.

We see the latest evidence of a sex trafficking ring in the [arrest of Sean 'Diddy' Combs](#) for drugging and raping a number of women. They are of their father the devil, who comes as a roaring lion to hunt and destroy.

We are standing on the front line. We need your prayers. They are committed to going to at least 21 Trump rallies to provide a hedge of protection. God freed the bird and broke the snare. As Vivek said, Trump must break the bureaucracy. He can accomplish a lot just by enforcing the laws.

Make America GODLY Again! Trump Rallies

He finished his message by appreciating the efforts of the J-team, K-team and American brothers and sisters who attend the Trump rallies and speak out. Many have been interviewed on nationwide cable channels. Pray that we can be united.

Interview with Matt Zale & Jim O'Connor

“True Father, True Mother Kang, and Jesus”

When autumn is starting in Northeast Pennsylvania, my memory is often with True Mother Kang. In 1952 she had the intention to witness to a mysterious man living in a cardboard hut about Christ, but instead Father witnessed to her and she left behind her church, becoming the earliest member to join in South Korea.

In December 2016, at the age of 89, she left her FFWPU-supported apartment in Cheongpyeong to travel to America. She wanted to be close to where she could feel True Father’s spirit. After arriving at JFK airport, she drove to Northeast Pennsylvania, arriving in time for the leaders meeting. She was quiet, with a small smile. When she had a chance to speak, she usually talked about her experiences with True Father.

Sometimes she invited the prayer team to meet with her at the Palace. She would often say, “believe 100 percent until God gives you an answer!” She shared her experiences about how in her life, God often worked at the last moment. She said, “Do not give up. Trust God!”

Last week we prepared for the Anniversary of True Parents’ Holy Blessing Ceremony at the Newfoundland church. As usual, we worked with brothers and sisters to prepare a small offering table.

This morning I had a dream. True Father was sitting in front of the holy meal with True Mother Kang. He had a happy face. He looked like he was in his 60s, very handsome. Then Jesus appeared, looking very strong and healthy. He said, “I would like to have a holy meal, too” with a warm smile. A holy meal for him appeared right away. He ate the meal just like True Father. I asked him, “where are you staying?” He said, “I am living here with all of you, in the mountain wilderness.”

I’d like to finish by thanking the 2nd King for keeping all the Holy Days and Father’s traditions, so that we can always feel close to True Father, no matter what is going on in our lives!
