

The New Religion of Hak Ja Han

The Meaning of This Providential Moment

*Submit yourselves therefore to God. Resist the devil, and he will flee from you. **James 4:7***

A child can behave badly and get a spanking from his parents; then, within a short time, he has completely forgotten the incident. That is a precious quality of a child. The younger the child, the greater the ability to forget. This is one of the qualities which Jesus was referring to when he said in the

Bible, "Unless you turn and become like children, you will never enter the Kingdom of Heaven." There is no cynicism or sarcasm in a little child; he responds genuinely and simply. When you are kind to a child, he is happy and kind in response. When you are angry with him, he will run away from you. He is absolutely honest in his response.

*The husband and wife relationship is supposed to be better than any in childhood. That means although husband and wife fight sometimes, you should be able to put it behind you. No matter how much you love someone, if you have an attitude of holding grudges you can never have total success in that relationship. **SMM, The Secret of Total Success, December 19, 1982***

Hello Richard,
Hyung Jin Nin started his sermon by explaining that Jesus' resurrection is key in our faith. In his ministry Jesus and other apostles brought Lazarus and others back to life. He himself appeared to hundreds of disciples after his crucifixion and ate with them.

Those raised in the West are indoctrinated into cultural atheism. Most will never read Dr. Jonathan Wells' books, such as *Icons of Evolution*.

We were on the edge of WW3 with Russia before Trump came in. The Bible says "resist the devil and he shall flee." It's dangerous to stand up. The early Christians were tortured. All of the apostles except for John were murdered. The Romans attacked Christianity as a "cannibalistic cult" that drinks blood.

Every culture is tied together by narrative frameworks. If we lose Jesus, our culture loses its center. Peter Hegseth, the new Secretary of the Department of Defense, says that warriors on the battlefield are remembered for their actions, not the color of their skin. Marxists want to divide us into different racial tribes.

Only the hand of God saved Trump's life in Butler, PA. Since it was broadcast, it was watched by the entire world, of the most powerful man in the world. It was the most viewed assassination attempt in history. Even little children in Africa were reenacting the event! He went down and then rose, saying "fight, fight, fight!" America was on its deathbed, too, but was also saved through the election.

The story of Jesus is about “sacrificial love.” The greatest combat veteran, who died for and forgave his enemies. He was the perfect man. “God in the flesh.” God’s substantial body on earth whom we murdered. The ultimate tragedy.

Without teaching about sacrificial love, we cannot build a healthy marriage or community. It doesn’t mean you have to be perfect, but look to Christ. It teaches us to “take up your cross and follow me.”

A Youtube influencer asked older people “what do you most regret?” answers- “I wish I didn't get into pointless fights.” “I wish I was a better Dad/better Mom.” 1 Ephesians 5 teaches love and respect. Even when your wife is not lovable or husband not respectable. God corrects both.

Hyung Jin Nim wears a necklace with “596” which was Father’s prison number in Heungnam. He was tortured 3 times by a professional killer. Each time he recovered and prayed for his torturer. In Pyeongyang they threw him out into the snow. Father had to walk the path of torture.

The final form of God’s Kingdom is not Christo-Fascism, the centralized governments adopted in countries where the Roman Catholic Church and the Orthodox Church were dominant. Protestantism led to freedom, to an armed Christian kingdom. We are shepherds ready to protect, to love God and to love our neighbors. America will never be first if it leaves Christ. Pray for all patriots at this dangerous time.

The New Religion of Hak Ja Han

In case you didn't hear, a few days ago, the Han Mother **[gave directions](#)** for Family Fed followers to conclude their prayers as following: **"In attendance to Holy Mother Han."**

In his Feb. 3 letter, North American FFWPU President Demian Dunkley frames this new direction in a revealing way: *"we have called you Dr. Hak Ja Han Moon or Mother Moon. However, True Father's name is Moon, and True Mother's name is Han. Among all these titles, there is only one that captures both your actual name and your position: Holy Mother Han."*

여러분들의 기도와 정성에는
「홀리 마더 한을 모신
皆さんの祈りと精誠には
「ホリーマザー・ハンに侍る

So, the jettisoning from True Father's name is complete. The fig leaf that "True Parents are One" has finally been discarded. Demian further explains:

"On Sunday, True Mother expressed that she knew Heavenly Parent from birth and *understood her own position from birth.*"

Well, there you have it. Jesus and Sun Myung Moon had to go through a growth period before they could fully understand their mission and responsibility, but Hak Ja Han "knew her own position *from birth.*"

I can see why the Family Fed is creating a new Divine Principle, since it has now been revealed that "Holy Mother Han" has revoked the growth period needed by all others, in order to declare her own perfection *from birth.*

NEW PRAYER ENDING

"I pray with gratitude in my
name, [name of person
praying], of a blessed
central family attending our
Holy Mother Han. Aju."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
