Health Lies & Ethnic Bioweapons

Not to us, O Lord, not to us, but to your name give glory, for the sake of your steadfast love and your faithfulness! Why should the nations say, “Where is their God?” Our God is in the heavens; he does all that he pleases. Their idols are silver and gold, the work of human hands. They have mouths, but do not speak; eyes, but do not see. They have ears, but do not hear; noses, but do not smell. They have hands, but do not feel; feet, but do not walk; and they do not

make a sound in their throat. Those who make them become like them; so do all who trust in them.

O Israel, trust in the Lord! He is their help and their shield. O house of Aaron, trust in the Lord! He is their help and their shield. You who fear the Lord, trust in the Lord! He is their help and their shield. The Lord has remembered us; he will bless us; he will bless the house of Israel; he will bless the house of Aaron; he will bless those who fear the Lord, both the small and the great. May the Lord give you increase, you and your children! May you be blessed by the Lord, who made heaven and earth! The heavens are the Lord's heavens, but the earth he has given to the children of man. The dead do not praise the Lord, nor do any who go down into silence. But we will bless the Lord from this time forth and forevermore. Praise the Lord! **Psalms 15**

I accept any circumstances gladly, thinking it is a precious training ground for me, and if I pass this stage of training then something more fantastic is waiting. You can be the king of the labor camp if you prove yourself useful. First you have to be welcomed. Secondly, make the right relationship between subject and object. What is your ultimate goal? To educate and leave a better way of life. That way you are in harmony with the environment. Fighting in nature always loses.

When you go to Rome, you become a Roman; when you go to Greece you become a Greek. Wherever you go, adapt yourself there and be welcomed by society. This is a formula that always works.

It is a foolish man who tries to use his authority to proclaim himself and make people follow his way. You ought to know how to adapt yourself quickly and be welcomed by the environment. **SMM, The Strictest Test You Must Pass Is Meeting the Qualification to Be a Real Parent, February 11, 1980**

Hello Richard,
Hyung Jin Nim started the sermon by explaining that it is not about our glory, but about God's glory. Heavenly Father is building up the community in

Japan. A Black Belt practitioner is studying Divine Principle there.

He reminds his sons to glorify Christ and his lineage and to honor their younger brother, Shin Joon and to follow the good example of Kook Jin Nim who did not try to destroy his younger brother, but protected the Kingship line.

True Father came to Kook Jin Nim in a vision and urged him to support Hyung Jin Nim. Kook Jin Nim recently donated the MAGA trailer to Sanctuary Church. We are workers of God on earth, to destroy political satanism and establish a God-centered culture of true freedom or “Godism.”

True Father is moving so fast. We've seen the unbelievable miracle of Trump's 2nd election. We were headed to destruction and war. God saved Trump's life. God needed the Kingship line to give the anointing prayer, which happened at Mar a Lago. That was followed by a landslide election victory.

It's an incredible time. Crimes need to be investigated. That is why records of Epstein sex trafficking crimes were sent out to the field offices for investigation and prosecution.

Laura Loomer, James O'keefe and others are speaking out. There are still Deep State operatives to vet out.

Trump has designated Mexican cartels as terrorist organizations. Tariffs are devastating the Chinese economy and will lead to fair trade. Key allies like Singapore are now aligning with the USA. Prime Minister Ho has been openly criticizing Beijing as a bully, establishing military bases in islands that were off the shore of other countries.

Many countries are investing billions to start factories in the USA. China banned Boeing airplanes, but other nations say they will purchase them. India, Brazil, and other nations are choosing to make deals with the USA.

Leftist South Korean legislators succeeded in impeaching Pres. Yoon. Pray for the upcoming election in South Korea. China has sent many spies, and conducts massive political lobbying in South Korea, Taiwan, Japan, and the U.S.

Six of 7 FFWPU elders in Taiwan who were teaching the Only Begotten Daughter heresy were taken to the spirit world.

Freedom fighters are starting to speak out in China. A 27-year-old dropped a sign over a bridge in Cheongdu demanding freedom. He has been arrested and likely executed.

Rev. Sun Myung Moon, The Second Coming of Christ: Testimony of his life from his own words. Paperback – April 19, 2025

by [Jim Stephens](#) (Author, Editor)

This narrative tells the life story of Rev. Sun Myung Moon, the Second Coming of Christ, the Return of Jesus in Spirit and Power, the coming of the Spirit of Truth. It is from his own words from various speeches. It was compiled into 34

He then spoke about what [happened in Tiananmen Square in 1989](#). General secretary Hu Yaobang, who was sympathetic to the demands for increased freedom, died. The students demanded a proper funeral. For two months 100,000 university students gathered. Up to a million Chinese citizens also came to protest. These events were covered by foreign journalists.

There was an internal struggle within the CCP. An estimated 250,000 soldiers were smuggled to the square in plain clothes. Far left leaders gave order to kill anyone in the square indiscriminately. It is believed that 20,000 were killed.

The Chinese government recently failed to complete a military exercise near Taiwan. That shows how the top-down culture of fear leads to poor outcomes. The Communist Party is filled with internal strife.

Freedom without self-control leads to hedonism. The U.S. Constitution protects our freedoms, but also gives responsibility to citizens.

He discussed the importance of the November election in PA, where decisions will be made whether to retain leftist Democrats on the Supreme Court, which will affect future rulings on election integrity.

Pray for the liberation of China which would open up the path to return to pray in True Father's hometown, Cheonju, in North Korea.

2nd Button Short- "Only Begotten" Contradictions

By David Stewart, UTS 85

The new faith of the Only Begotten Daughter (OBD) centers on Mother's claim that, "the founder (True Father) was born with Original Sin," and that on the contrary since "Hak Ja Han was born without the Original Sin, she took away the original sin of the founder" (Dec 30, 2016). "The process of changing the lineage occurred while I was in my mother's womb. This is something you have to believe." (HJH,

July 1, 2014).

Because of his "sinful birth," Sun Myung Moon became the Only Begotten Son (OBS) by two events. Father's course is that, according to the Chambumoron, he was born as it were 'unbegotten', is then 'rebegotten' through his experience with Jesus in 1935, achieving OBS status in 1960 by marrying Mother.

In contrast, Hak Ja Han teaches that she is the OBD by birth, like Jesus was the OBS by birth. This is why 'God was born 2,000 years ago,' (as reported by Demian Dunkley, as discussed in part one of this essay). Hak Ja Han said very recently, "True Mother, the Only Begotten Daughter of Heavenly Parent, Holy Mother Han is the Heavenly Mother who had been hidden for 6,000 years". (Mar 18, 2025) Clearly this is all very confused as if there is only "One", how can both Jesus and Father be that "One"? This is why Divine Principle, and prior to Father's passing, Unificationists rarely, if ever, used Only Begotten terminology.

There is a feeling in Demian Dunkley's lectures that, due to his sinful birth, Father is inferior to the OBD, Hak Ja Han, and the OBS, Jesus, whose mission he 'inherits'. Presumably, Demian suggests, Father is lesser for not having "the same faculty, ability," they both possess from being born "Only Begotten."

But, Unificationists believe, or used to, that whereas Jesus died with faithless disciples, unable to reveal all the truths he knew, Father could live, and revealed much greater truths. On the foundation of faithful disciples, he could become the victorious True Parent, and then bless a very grateful Jesus. There was NEVER a sense of Father being inferior to Jesus, regardless of personal beliefs about whether he was born with or without Original Sin, which was not of great importance to many of us.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
