

He Knew His Life Was Going to Change Forever!

Marxist Roots of Violence Against South African Farmers

“Pardon me, my lord,” Gideon replied, “but how can I save Israel? My clan is the weakest in Manasseh, and I am the least in my family.” **Judges 6:15**

In restoration, it is when the divine mind or soul becomes the master of the human body that a person's life can become God-centered. It is as if God's mind were coming to dwell within that person. As a person responds to his divine mind that person will find his purpose and goal. Fallen man has no hope or direction unless that connection with the divine mind takes place. Until then, man's existence cannot have value. **SMM, The Spirit World and Physical World, February 6, 1977**

Hello Richard,
Pennsylvania Sanctuary pastor Kyle Toffey started his Sunday sermon by announcing that this day is the beginning of the new Sanctuary palace in Taiwan! We need to pray for the safety and victory of this new providential initiative near the coast of mainland Communist China!

He spoke about the large mural in the Sanctuary in both Pennsylvania and Tennessee of Father encountering Jesus, where Jesus asked him to complete his mission to restore the Kingdom on earth.

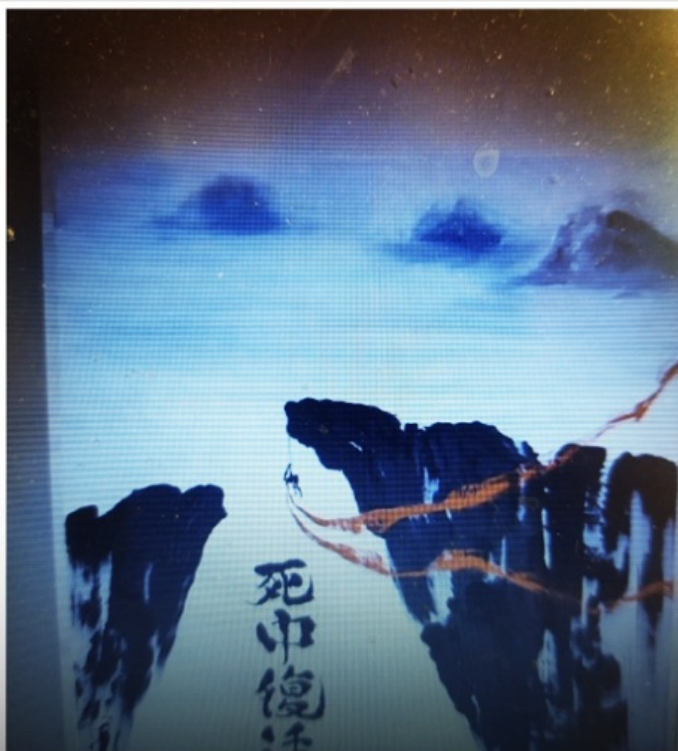

Sanctuary Service 6/1/2025

When he was anointed by True Father in 2009, many brothers and sisters were jubilant. But not himself. He knew his life was going to change forever.

In 2012, because he could not agree with his mother's (Hak Ja Han) plans to change Father's words and uplift herself, Hyung Jin Nim was fired from leading the Korean Unification Church aka FFWPU and stripped from leading the American church in early 2013. His vehicle and dwelling place were taken away. He was driven out into the wilderness of Pennsylvania and was taken in by his older brother, Kook Jin Nim.

"IN DEATH RESSURECTION

"IN DEATH RESSURECTION" expresses True Father's tortures and imprisonments under the communist regimes, being tortured to death multiple times for simply preaching God's word. But the same God that rose Jesus from the dead rose Father from his death sentences. 596, his death camp prison number that I wear on my necklace is a daily reminder of True Father's Indemnity course of sacrificial Love.

To put it mildly, the Deep State is upset! Satan is more active than ever to cause division and trouble. We need to do whatever we can to support the providence where we are.

Hyung Jin Nim is constantly reinventing himself- He was like a monk in the

wilderness of PA. Then he founded The King's Report, a Motorcycle ministry and with his brother, Kook Jin Nim, organized the Rod of Iron Freedom Festival. Through these he connected with patriots like Craig Sawyer, founder of Vets for Child Rescue, General Michael Flynn, and many others. Then he was the rapper King Bullethead, who performed at the "southern White House" in Mar-a-Lago and anointed the incoming 47th President of the United States. Now he is like a Shaolin monk in Taiwan praying for the liberation of 1.4 billion people in Communist China.

We may feel that we are unqualified and few in number, but as shown in Judges chapters 6 – 8, God often picks the humble to do his will. When the Israelites faced the overwhelming force of the Midianite and Amalekite armies, God called a Gideon, a farmer to defeat them. When 32,000 Israelites came to fight with him, God told Gideon that he had too many soldiers, so 22,000 were dismissed, leaving 10,000. God told him again that there were too many. Finally, the number was reduced down to just 300 fighters. Nevertheless, with God's help they were able to throw the Midianite/Amalekite armies into confusion, so they began to kill their own soldiers. After this victory there was forty years of peace.

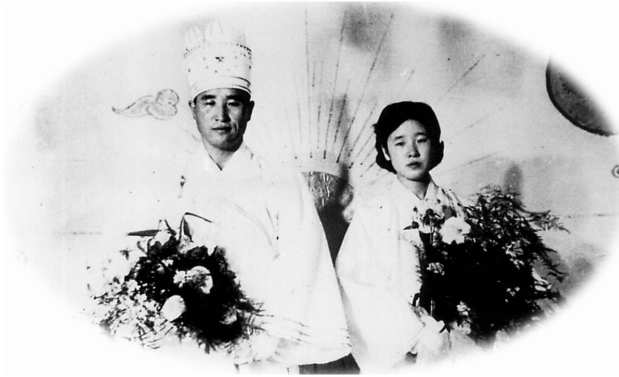

We are here not only because we were saved by grace. We are here to end God's suffering and that of mankind. As Kook Jin Nim once said, "our imperfection proves the perfect love of God."

God has not given us a spirit of fear. We need to protect God's lineage and providence. The good news is that God's kingdom has been established. The fearful news is that it has been established and we need to protect it!

Sun Myung Moon's Words on his marriages prior to 1960

Let us examine the 1960 Holy Wedding and the conclusion that, according to Hak Ja Han, whom Demian Dunkley quotes, "The one to take on the responsibility of the Second Coming should not have had a family of his own accord before meeting the Only Begotten

Daughter." This is also part of the 7 Lectures, "The Messiah at the Second Coming should not have a family before he meets the Only Begotten Daughter and participates in the Marriage Supper of the Lamb." Demian Dunkley made this very clear on-line with leader's in March 2025: "Was Father supposed to have wives before meeting Mother? No.No! ... And that is all you need to know ... Mother made it very clear that Father was not supposed to marry."

Again, we are confronted with she said/he said as Sun Myung Moon tells a very different story, which is now being discounted and discarded. Mother 'trumps' Father in the Chambumoron (CBMR), and don't ask any questions! With the benefit of hindsight would it have been better if Father had no relationships prior to meeting Hak Ja Han? Of course. But we were not there, neither was she. Were ladies hurt in the unfolding of Father's providentially driven mission? Undoubtedly, yes, including Mother, a totally pure, innocent teenager, and her mother, Daemonim, whom Father had to treat, almost brutally, in order to mitigate the resentment and bitterness the 'unchosen' sisters felt towards them. But can anyone, even the Hak Ja Han, be in a position to judge Father about how he had to guide himself and others through this most complicated part of his providential and personal lives?

"HEAVEN'S LOVE COMES DOWN TO EARTH"

"HEAVEN'S LOVE COMES DOWN TO EARTH" depicts the sacred birth of our True Father. True Father's mother had a dream predicting his birth where she saw two Imperial white dragons, the sign of a King and Emperor in Asia. This painting depicts that episode of True Father's life.
