

The SALVATION of NATIONS

“God, don’t worry about me. I am ready to win over Satan.”

“Our Father in heaven, hallowed be your name. Your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. Forgive us our sins, as we forgive those who sin against us. Lead us not into temptation, but deliver us from evil. For the kingdom, the power, and the glory are yours forever. Amen.”

Matthew 6:9-13

What is true love? What is the difference between true love and any other kind? The most simple criterion of true love is that it is a giving love more than a receiving love. God loves and enjoys true love, the kind of love which gives to others. Who initiated that love-man or God? It was God,

because He was the parent and as the parent, He is the cause of love. There is nothing wrong with wanting to be independent, since you have your own direction and goal to return to that first cause. As long as that is the motivation of your desire for independence, it is justifiable. It is all right to seek to be left alone in order to go back to your cause.

Hello Richard,
Gregg Noll started by showing a phenomenal video, [“Chase the Father with Passion,”](#) by Hyung Jin Nim on his Instagram page about the Sanctuary providence in Taiwan.

Gregg also spoke about the Hoonsanim’s 40 day “Champhoonanim Okmansei” condition. He then played a video of True Father speaking at Belvedere with Bo Hi Pak translating. God is in command, transforming fallen archangels into heavenly archangels. The individual salvation period is over. Coming will be the salvation of whole nations. True Father practices natural subjection, not through force.

In the life of Christ we see the model of securing victory through overcoming betrayal. Zechariah and Elizabeth were not able to welcome pregnant Mary to give birth in their home, so she was forced to do so in a barn. She and Joseph raised Jesus as an illegitimate offspring who people whispered about. This suffering life culminated with the crucifixion, with Jesus saying “Father, forgive them, for they know not what they do.”

Father also went a suffering course of rejection. Gregg read Father’s *Crown of Glory* poem, written when he was 15 years-old and also Father’s testimony about being handcuffed and taken to jail, going to the Hungnam death camp. He prayed, “God, don’t worry about me at all. I am sound and sane, and ready to win over Satan.”

"IN DEATH RESSURECTION

"IN DEATH RESSURECTION" expresses True Father's tortures and imprisonments under the communist regimes, being tortured to death multiple times for simply preaching God's word. But the same God that rose Jesus from the dead rose Father from his death sentences. 596, his death camp prison number that I wear on my necklace is a daily reminder of True Father's Indemnity course of sacrificial Love.

Father said, "Anyone who can go through difficulties with 100% public dedication, I will be at his side with him to comfort him." Gregg asked Grok Artificial Intelligence about Father's teaching about forgiveness. Resentment blocks spiritual progress. Sun Myung Moon conducted forgiveness ceremonies throughout his ministry. After inviting us to confess our sins, he would then ask if we were ready to make a new beginning.

Gregg invited each one of us to think "True Father went through his suffering for me." Forgiveness is the key. Gregg recites The Lord's Prayer every morning. "Our Father in heaven, hallowed be your name. Your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. Forgive us our sins, as we forgive those who sin against us. Lead us not into temptation, but deliver us from evil. For the kingdom, the power, and the glory are yours forever. Amen."

China's Xi calls for stronger ties with South Korea

Chinese President Xi Jinping said a healthy, stable, and deepening relationship between China and South Korea would lead to both regional and global peace during a call with President Lee, state media reported.

We have the examples of Jesus's forgiveness on the cross and Father's life such as meeting with the North Korean dictator Kim Il Sung and embracing him in 1991. Father would challenge us and sometimes chastise us, but he would always forgive and encourage us to do better.

The words of Donald Trump, the Casino King, are about peace and unification in a way that suggests he is being guided by a religious leader who passed to the spirit world 13 years ago. Who might that be?

"HEAVEN'S LOVE COMES DOWN TO EARTH"

"HEAVEN'S LOVE COMES DOWN TO EARTH" depicts the sacred birth of our True Father. True Father's mother had a dream predicting his birth where she saw two Imperial white dragons, the sign of a King and Emperor in Asia. This painting depicts that episode of True Father's life.

The Holy Blessing Button (sewn on the wrong robe?)

Sun Myung Moon's Words on his marriages prior to 1960

Let us examine the 1960 Holy Wedding and the conclusion that, according to Hak Ja Han, whom Demian Dunkley quotes, "The one to take on the responsibility of the Second Coming should not have had a family of his own accord before meeting the Only Begotten Daughter." This is also part of the 7

Lectures, "The Messiah at the Second Coming should not have a family before he meets the Only Begotten Daughter and participates in the Marriage Supper of the Lamb." Demian Dunkley made this very clear on-line with leader's in March 2025: "Was Father supposed to have wives before meeting Mother? No.No! ... And that is all you need to know ...Mother made it very clear that Father was not supposed to marry."

Again, we are confronted with she said/he said as Sun Myung Moon tells a very different story, which is now being discounted and discarded. Mother 'trumps' Father in the Chambumoron (CBMR), and don't ask any questions! With the benefit of hindsight would it have been better if Father had no relationships prior to meeting Hak Ja Han? Of course. But we were not there, neither was she. Were ladies hurt in the unfolding of Father's providentially driven mission? Undoubtedly, yes, including Mother, a totally pure, innocent teenager, and her mother, Daemonim, whom Father had to treat, almost brutally, in order to mitigate the resentment and bitterness the 'unchosen' sisters felt towards them. But can anyone, even the Hak Ja Han, be in a position to judge Father about how he had to guide himself and others through this most complicated part of his providential and personal lives?
