## SMM: Do Not Ask God for Help!

---

*And I heard the voice of the Lord saying, “Whom shall I send, and who will go for us?” Then I said, “Here I am! Send me.” Isaiah 6:8*

*You must get down to work and achieve results. You do not even have to ask me to come help or ask God to help; when you become an indispensable person in the sight of God then He cannot afford to not help you. I do not think about how much I have already done and how I do not need to make any further effort. I am not dwelling on the past or even on the present; I am looking at the future*

*and seeing how much work there is to do. SMM "Our Pride," June 5, 1977*

Greetings!

Newfoundland Sanctuary pastor Kyle Toffey gave the sermon last Sunday. He explained that the Left is trying to instill fear in us. But the opposite is happening in America. 4 years ago, ANTIFA came to rural areas and burned barns that had an American flag on them. The response was for people to fly American flags all over the place.

The world has changed due to Jesus' willingness to die for our salvation and his unwavering faith. Martin Luther King, Jr. was cut down at age 39. Now Charlie Kirk at age 31.

True Father faced death continually. He was asked by God to go to Communist North Korea at age 26. He was sent to the Hungnam death camp knowing that many died within 6 months. He conducted speaking tours across America throughout the 1970s, the CARP campus movement and started *The Washington Times* in 1982. A few years later he launched the CAUSA movement in North and South America.

### Statement on the Arrest of Mrs. Hak Ha Han Moon

Kyle then read from [Father's speech "Our Pride"](#) given at Belvedere on June 5, 1977: Amazing things can become possible by applying a way of life different from the rest of the world. Because we are different, persecution has become our daily diet.

*We have something that people don't understand: our pride. The person who has not been persecuted has not much to be proud of. I have pioneered a new movement to receive persecution for the sake of good, and as members you also become pioneers. Am I the only one who feels good about doing this, or do you feel good about it also? Does America feel good about it, or Korea?*

## 2nd King on "God's True Marriage System"

*Certainly, this is for America's benefit. Few patriots could ever have imagined doing for this nation what I have already done. Then how can America mistreat me? All of you are the true patriots of America, and the American people will some day be grateful enough to treat you kindly. I want to see the day come soon when the American people understand you.*

### ROI Freedom Festival ART SHOW Info & rules

*Our battle is now being waged on the land, and we must be victorious here, being tested and seasoned by a hurricane of persecution. Then when real storms come at sea we can welcome them. The Pilgrims who came to America were pioneering people; otherwise they would not have crossed the Atlantic Ocean, especially during the stormy months. They realized that an uncertain destiny lay ahead of them, and that they had no guarantee for their lives; few had ever safely arrived in the New World, but they started anyway. They overcame by their hope and faith in God. Now in the 20th century we also are forging ahead, like a boat in a rough ocean, with faith in God. Whatever the persecution and blowing winds, we have faith in God.*

*Are you really young men and women of courage and commitment? I am not the only one watching you; God is looking down and the communists are watching too. Can you*

pledge to be like I have been and even outdo me? Those who can pledge that, raise your hands. Let us pray.
