

The MISSING Piece!

OUR AUTHORITY!

Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go." ***Joshua 1:9***

You must get down to work and achieve results. You do not even have to ask me to come help or ask God to help; when you become an indispensable person in the sight of God then He cannot afford to not help you. I do not think about how much I have already done and how I do not need to make any further effort. I am not dwelling on the past or even on the present; I am looking at the future and seeing how much work there is to do. SMM "Our Pride," June 5, 1977

Greetings!

Sunday's service started with Gregg and Elke Noll sharing their testimony on visiting Yilan, Taiwan to participate in the Memorial of True Fathers' Seonghwa. He spoke about Hyung Jin Nim's analogy about fishing and witnessing. Every soul is precious, so start by fishing for "guppies." Then for a "sunfish", etc.

Regis Hanna then gave his sermon about "The Missing Piece." After escaping from Egypt, for 40 years the Israelites had a Tent Culture, moving every morning to a new location. When Regis joined the church in the late 1960s and 1970s it was a Mobilization Culture involving sleeping bags, sleep overs, and moving into the Center.

It was also a Campaign Culture, including campaigns involving American Youth for a Just Peace (1970), Forgive, Love Unite (1974). VOC, CAUSA, newspapers established in the US, Japan, Korea, the Freedom Leadership Foundation and CARP. All of them confronted Marx's "scientific socialism" perfection stage Satanism.

Freedom alone is not enough. What's the missing piece? We have a map called the Divine Principle: Parallels of History, which shows how history rhymes. The first 400 years after Christ is called the period of Judges, a the time of Settlement. They divided up the land for the 12 tribes and building homes, businesses, and making a living.

2nd King on "God's True Marriage System"

We are also in a time of settlement, but we have the Peace Police Peace Militia to develop our ability to be vigilant and engage in Patriot Activities. We should study the Constitution of CIG so we are able to explain it to others. Its provisions place a hedge of protection around our blessed families.

Jesus wanted to host the Marriage Supper of the Lamb. What would have happened if Jesus had been accepted? He came to establish a lineage. Praise God for the 2nd and 3rd King!

As Hyung Jin Nim teaches and shows us, we need to be active in serving our communities and living for others. Share the Good News of the Holy Blessing to create a new blood lineage and True Adam's Culture.

Regis learned to accuse and judge Satan. He would read the Divine Principle out loud to drive out depression, etc. God told him, "don't underestimate your children." Sun Ja= divine sons and daughters.

We have been adopted into the Royal Family. We are leaders of Father's Heavenly Army on earth. They are waiting for us to call the good spirits down to work on earth. We have the authority to call them.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
